P.C. Barua 2011-02-04 pramathesh chandra barua or p c barua as he was known was an enigma through his life born into a royal family this prince turned actor director changed the theatrical manner of stylised acting into the conversational manner of real life situations his rise as an actor director was matched with tragic failures in his personal life strangely the last stage of his life resembled that of the hero he made famous devdas alcohol became his nemesis he was consumed by tuberculosis and died an untimely death this book traces the life and towering achievements of one of the legends of indian cinema

The 2011 Guide to Free Or Nearly-Free E-Books 2011 one of the problems which face all librarians adding e books to their collections is that of bibliographic control there is no legal deposit for e books and consequently there is no single place from which new titles can be found if this is true of

commercially published e books it is most certainly also true of free e books and there are many thousands of free e books available over the internet many of which are of a quality such that librarians might wish to have them in their collections the 2011 guide to free or nearly free e books is offered as a tool for librarians and others involved in book selection e g teachers in schools in all sectors school further and higher education public and special libraries to facilitate easy access to free e books and e book collections which can enhance their digital library

The Global EBook Market: Current Conditions & Future Projections 2013-02-11 the global ebook report documents and analyses how ebook markets emerge in the us uk continental europe brazil china india russia and the arab world it combines the best available data and references to specialized local actors with thematic chapters focusing on critical policy debates and on key driving forces notably ebook bestsellers and pricing strategies across european markets self publishing government regulation piracy and the expanding impact of global players the global ebook report is available for download from october 1st 2013 at global ebook com a project of rüdiger wischenbart content and

consulting

Council of Europe – Highlights 2016 2017-06-01 contemporary developments in the book publishing industry are changing the system as we know it changes in established understandings of authorship and readership are leading to new business models in line with the postulates of 2 0 socially networked authorship book production and reading are among the social and discursive practices starting to define this emerging system websites offering socially networked collaborative and shared reading are increasingly important social reading maps socially networked reading within the larger framework of a changing conception of books and reading this book is structured into chapters covering topics in social reading and a new conception of the book an evaluation of social reading platforms an analysis of social reading applications the personalization of system contents reading in the cloud and the development of new business models and open access e books discusses social reading as an emerging tendency involving authors readers librarians publishers and other industry professionals describes how the way we read is changing presents ways in which the major players in

the digital content industry are developing specific applications to foster socially networked reading

Social Reading 2013-10-31 if you are a gis professional who intends to explore advanced techniques and get more out of geoserver deployment rather than simply delivering good looking maps then this book is for you

Mastering GeoServer 2014-11-25 this work identifies describes and discusses all situations of armed violence in 2013 that amounted to armed conflicts in accordance with the definitions recognized under international humanitarian law ihl and international criminal law icl

The War Report 2014 asian populations are among some of the fastest growing cultural groups in the us while books on serving other target groups in libraries have been published e g disabled latino seniors etc few books on serving library users of asian heritage have been written thus the timely need for this book rather than a generalized overview of asians as a whole this book has 24 separate chapters each on 24 specific asian countries cultures of east southeast and south asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture

resources include cultural guides both print and online language helps with sample library vocabulary asian booksellers nationwide cultural groups professional literature and more resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians the demographics of each asian culture numbers and distribution plus history of immigration and international student enrollment is also featured as a bonus each chapter spotlights a us public school and academic library providing model outreach to asian library users additionally this book provides a detailed description and analysis of libraries in each of the 24 asian countries the history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more based on the author s 15 years of research and travels to asia this work is a must have for all librarians

Serving Library Users from Asia 2019-06-12 the analysis and conclusions drawn in this report are

based on the author s wide range of discussions with ordinary afghans men and women senior

government officials and members of the international community working in or on afghanistan over

the course of years the author has traveled to many places inside afghanistan and participated in

numerous meetings and conferences centered on peace stability and reconstruction publisher

description
