

Free ebook Tales from kentucky doctors .pdf

the book lets us see the human side of physicians the humorous the heartwarming the tradition of health care in kentucky the harrodsburg herald from the laughable to the laudable tales from kentucky doctors present illuminating portraits of doctors and patients drawing stories from physicians with lifetimes of experience serving kentucky families doctors recall the successes and failures that shaped their early careers for dr baretta r casey of hazard becoming a doctor was a difficult journey already married and with a child casey enrolled in college at age thirty later completed medical school and began a successful career as a family practitioner in the 1990s though patient visitations and doctors prescriptions are recorded on account ledgers personal relationships and memories are not part of medical records the section personal practice gives a glimpse of the intimate connection that doctors form with their communities for many towns family physicians were heroes dr james s brashear relates the challenges of practicing in central city a coal mining town recalling an incident in which he saved the lives of two miners handed down to montell in the oral tradition the tales presented in this collection represent every part of the state personal experiences humorous anecdotes and local legends make it a fascinating panorama of kentucky physicians and of the communities they served abounds with interesting and amusing anecdotes about life in rural kentucky for those of us who grew up during these times it brings back fond memories of good times and bad bowling green daily news the nearly 350 humorous heartwarming and sometimes tragic accounts presented in william lynwood montell s latest book tales from kentucky doctors offer an unusual perspective on the culture and tradition of kentucky health care practice from the laughable to the laudable tales from kentucky doctors present illuminating portraits of doctors and patients drawing stories from physicians with lifetimes of experience serving kentucky families in chapter 2 doctors recall the successes and failures that shaped their early careers for dr baretta r casey of hazard becoming a doctor was a difficult journey already married and with a child casey enrolled in college at age thirty later completed medical school and began a successful career as a family practitioner in the 1990s though patient visitations and doctors prescriptions are recorded on account ledgers personal relationships and memories are not part of medical records the section personal practice gives a glimpse of the intimate relationships doctors form with their communities i doubt that any individual was nearer to the family than the family doctor dr w l tyler says in one story for many towns family physicians were heroes dr james s brashear relates the challenges of practicing in central city a coal mining town recalling an incident in which he saved the lives of two miners handed down to montell in the oral tradition the tales presented in this collection represent every part of the state personal experiences humorous anecdotes and local legends make it a fascinating panorama of kentucky physicians and of the communities they served claire louise caudill is one of those rare people who have become legends in their own time she delivered more than 8 000 babies over the years in and around her hometown of morehead kentucky in 1995 she was named country doctor of the year and she has been interviewed by cbs and featured in usa today dr caudill stopped delivering babies when she turned seventy but today at the age of 86 she remains in practice her patients won t let her retire her friend susie halbleib has served as nurse in caudill s clinic since it opened in 1946 caudill was instrumental in establishing a hospital in morehead and for more than fifty years has worked to improve health care for the people of the kentucky hill country the first part of country doctor tells caudill s story through interviews with dr caudill nurse halblieb and the people who know them best the second reproduces a one woman two act play entitled me n susie inspired by dr caudill s warmth and humor together the play and interviews provide a vivid picture of life in the hills of eastern kentucky and a remarkable portrait of two great women in medicine in this informed and entertaining essay john h ellis describes the efforts of physicians and laymen to keep illness at bay during kentucky s first 200 years medicine in kentucky is part of the kentucky bicentennial bookshelf a celebration of two centuries of the history and culture of the commonwealth john h ellis outlines the practice and development of medicine in kentucky from the state of medical practices during the colonial era and the paucity of trained practitioners to the frontier doctors of the early days of westward expansion to the founding of the first medical school chartered in the west transylvania university ellis also details some of the commonly encountered diseases the various types of practitioners allopaths herb doctors thomsonians and homeopaths and the various generally short lived publications and medical societies of nineteenth century kentucky he highlights two native kentuckians joseph nathaniel mccormack principal architect of the current structure of the ama and abraham flexner whose medical education in the united states and canada is one of the great landmarks in the field whether one feels that he laid the foundation for modern scientific medical education or merely set in concrete nineteenth century scientism as the basis for medical education although dealing principally with kentucky medicine it reflects also on the happenings in medicine across the country from frontier times to the present day kentucky nurses have served with intelligence and energy always ensuring that their patients received the best available care noted folklorist and oral historian william lynwood montell collects nearly two hundred stories from these hard working men and women in tales from kentucky nurses from humorous anecdotes to spine chilling coincidences tragic circumstances and heartwarming encounters the tales in this lively volume are recorded exactly as they were told to montell covering medical practice in the state from the

early twentieth century through contemporary times the episodes related in tales from kentucky nurses reveal the significance of the nursing profession to the bluegrass state s local life and culture they include funny tales such as the story of an injured stripper who swore her pole had been sabotaged and an anecdote about a surgeon racing between hospitals who paid his speeding ticket twice knowing he would have to hurry the other way in a few hours montell also presents moving stories like the recollections of a nurse who helped a frail cancer patient achieve his last wish of being baptized this valuable collection also features anecdotes from the famous frontier nursing service which provided essential care to families in remote areas of the state and whose leader mary breckinridge is remembered fondly for her wit and kindness in addition montell s interviewees share ghost stories and describe folk remedies like the practice of placing an axe under a woman s pillow during labor to cut the pain these firsthand accounts not only pay homage to an underappreciated profession but also preserve important aspects of kentucky s history not likely to be recorded elsewhere e artnow presents the christmas specials series we have selected the greatest christmas novels short stories and fairy tales for this joyful and charming holiday season for all those who want to keep the spirit of christmas alive with a heartwarming tale the doctor s christmas eve is a tale of a country doctor from kentucky who sits the night before christmas and recollects his various strange cases over the past year and intensely interconnected relationships between his local patients and neighbors a collection of journals detailing some of the first forays into kentucky by european explorers wildly funny and deeply tragic these tales chronicle each sheriff s journey from youth to election to office and occasionally into retirement wayne county outlook following the success of his collections of stories from funeral directors schoolteachers doctors and lawyers folklorist william lynwood montell presents a new volume of tales from kentucky sheriffs montell collected stories from all areas of the state to represent the diversity of social and economic backgrounds in the various communities the officers serve tales from kentucky sheriffs covers elections criminal behavior and sheriff s mistakes in a lighthearted and often humorous manner the book includes accounts of a drunk driver who thought he was in a different state a sheriff running a sting operation with the us marshals and a woman reporting a tomato thief in her garden other accounts involve procedural errors with serious consequences such as the tale of a sheriff who mistakenly informs a man that his son has committed suicide together these firsthand narratives preserve important aspects of kentucky s history not likely to be recorded elsewhere the stories montell collected fill up nearly 300 pages and range from humorous mishaps during incidents and interesting criminal behavior to the more somber topic of death in the line of duty central kentucky news journal the numerous experiences shared by the people interviewed cover several decades and provide a very enlightening look into the world of kentucky county level law enforcement kentucky ancestors montell has once again mined an important element of the state s culture with utter transparency and has once again done the state proud kentucky monthly e artnow presents the christmas specials series we have selected the greatest christmas novels short stories and fairy tales for this joyful and charming holiday season for all those who want to keep the spirit of christmas alive with a heartwarming tale
