On Leadership and Innovation 2014-06-15 from india s bestselling
business books author this exclusive ebook brings together two
outstanding pieces by subroto bagchi co founder and presently chairman
mindtree and bestselling author of business books in india in the idea
of leadership he draws upon examples from across industries and
businesses to outline the essential qualities of a true leader while in
our search for innovation he gives a remarkably insightful account of
the nature of innovation and through lively everyday instances
highlights how innovation is a state of being not something to be simply
aspired to marked by bagchi s trademark wit and wisdom and enlightening
at every turn on leadership and innovation is a stimulating read in a
bonus chapter readers will also get a glimpse into bagchi s latest
bestselling book the elephant catchers published by hachette india in
2013

The Professional 2011-06-30 a manifesto on what it takes to be a true
professional in the modern world by common definition a professional is
anyone who possesses the skills and knowledge necessary for a career
whether as a surgeon a software engineer or a plumber but according to
subroto bagchi our increasingly global marketplace demands more in a
world where the foolish selfish and unethical decisions of a few have
affected the lives of millions the professional urges readers to act
responsibly and reexamine business as usual by exploring a variety of
professional dilemmas across many industries bagchi defines the
qualities of true professionals and the attributes that separate them
from the merely competent these include suffer no false attractions it s
always tempting to take the path of least resistance but true
professionals can separate the genuine from the phony know when to say
no true professionals are not afraid to say no to things that are not
worth their time their energy or their creativity take the long view
true professionals understand that every action decision and
relationship no matter how small can have a lasting impact

The Elephant Catchers 2017-09-10 unlike an operation to catch rabbits
trapping an elephant calls for expertise over enthusiasm those who hunt
rabbits are rarely able to rope in elephants in the elephant catchers
subroto bagchi distils his years of on the ground learning to explore
what organizations and their people must do to climb to the next level
and beyond through a combination of engaging anecdotes from his
experiences as co founder and subsequently chairman of mindtree ltd as
well as practical advice on growth related issues such as dealing with
consultants or navigating strategy traps and m as bagchi demonstrates a
crucial point organizations with real ambition to get to the top need to
embrace the idea of scale the book leads you to evaluate is your
organization s infrastructure designed to evolve and ultimately mimic
the simultaneity of a living organism are you constantly nurturing and
renewing your brand identity or letting it stagnate and decay does your
sales force have as many hunters as it has farmers or is it dominated by
a grizzly who just waits for the salmon to land in its mouth in a
fiercely competitive environment are you really stepping out of the box
and learning from unusual sources engaging wise and thoroughly
accessible this book is a must read for everyone in every organization
seeking breakout success

Business India 2018-05-17 what is life if not for its lessons every little nook we visit every coexisting soul we meet every brick in history we touch adds a new dimension to us in the form of inseparable learnings even the most minuscule of the lessons remain etched deep into our being this book is an anthology of similar little learnings from the life of the author that do not fail to leave an impact on our lives whether personal or professional this book through its insightful take on small independent events helps the reader draw wisdom from them so if you have a knack for seeing your daily life in a way that it adds to your professional success if you have the curiosity to meet people who add a new dimension to your personality and if you still have a childlike inquisitiveness within you to experience real influence from little lessons of life then this book is for you

Learning Like a Lion 2017-06-21 some attribute it to aristotle but whether the great greek philosopher said it or not doesn t affect its timeless truth if you want to avoid criticism all you have to do is say nothing do nothing and be nothing if on the other hand you decide your life is purposed for something worthy and being on the playing field is preferred to sitting in the stands there is something you are sure to encounter what jeff piersall and eric wright call barking dogs dogs don t bark at parked cars illustrates this encounter as the voices that find fault who don t think it s possible who are unable to see a future alive with opportunities waiting to be seized they are the ones governed by

fear instead of faith unfortunately many times the loudest of these barking dogs are kenneled right in most people's own heads for jeff and eric that priceless quality is wisdom it goes beyond knowledge or aptitude and transcends this era of cultural and technological hyper change with principles that are timeless
