a desperate young lady miss grace weston is in trouble in fact miss weston is in about the worst trouble a young unmarried lady can get herself into no amount of regret will change the fact that she was nitwit enough to be seduced by a handsome face and a lot of romantic nonsense no amount of weeping will change the fact that she will have a child out of wedlock she will break her parents hearts and taint the whole family with her shame her folly will forever exclude her from the society to which she belongs unless something extraordinary happens a quiet man mr sterling oak is a man of few words raised by his ambitious father to be a gentleman he treads a line between his family's lowly past and the society that scorns him an educated farmer with a fine house and dirt beneath his nails he hides behind silence rather than reveal the man he really is when sterling's keen eye detects that which no one else has yet noticed something moves him to make the delicately lovely miss weston an offer of marriage a devil's bargain grace does not know what to make of mr oak he appears little more than a big mannerless brute with a scowl a man who would rather grunt a reply than endure a conversation yet what choice has she her husband to be is fierce and intimidating but grace is desperate and not as fragile as her fair beauty may suggest accepting the devil's bargain is probably the second worst mistake of her life unless it turns out to be the beginning of something wonderful

snow an abandoned cabin in the woods your best friend s little sister and a naughty game of truth or dare what could possibly go wrong or should we ask what could possibly go right o scarletthe bad boy i had known all my life was gone for a second he looked like a scared little boy one that took my breath away every time i looked at him but still just a scared little thing his mask shattered to a million pieces just like that all it took was a simple dare maybe he wasn t that carefree after all or maybe he cared too much i wasn t able to tell i couldn t help but hope the latter was true though i had had a major crush on him since high school and that was ten years ago now either way i was

going to find out tonight that was the only reason i had suggested this stupid game after his truck broke down we were in the middle of nowhere and quite conveniently for me we had found an abandoned cabin in the woods what a way to spend the holidays i let out a sigh approaching him with a bright smile on my quivering lips that was all i could do not to burst out laughing william you know a dare is a dare and it wasn't like i had asked him to jump off a roof or something although judging by his expression i could have bet that he assumed his task was no less dangerous well he might have been right about that but he didn't need to know it not yet anyway he looked down at me and his amber eyes searched my face for any clues that i might be kidding now that made me forget my previous desire to laugh at him and i just stood there my blue eyes captured by his intense gaze i shivered wishing that he would kiss me already what was he waiting for i dared him to do that and now he was hesitating didn't he want me as much as i wanted him was i mistaken all those years o willi looked out of the window contemplating my options i could rush back outside jump into my car and drive far far away from scarlet of course i could have done that but then she would realize that i lied nothing was wrong with the truck and we weren't lost but how could i explain my reasons and yet running away would have been the sensible thing to do run and never look back i could forget about the way her cute pink lips curled upwards when she smiled i could even ignore the way her blue eyes tempted me and those curves those were mine to explore i knew that so what was the problem she had even dared me to kiss her and yes there was my other option to kiss the woman i had wanted ever since i knew what sex was and how to do it the only problem was that i never got to do it with her and sure this time it could end with an innocent kiss not that i truly believed that my second option would be only that i wasn't naïve and i could feel the heat rise between us especially when those eyes bore into mine like crystal daggers of passion a sigh escaped my lips and i bit down on the lower one hard not that the pain helped on the contrary it only intensified my longing for her touch why was i still resisting i didn't want to go there okay i did but i couldn't well if i really thought about it i could have but it wouldn't have been the right thing to do scarlet was the little sister of my best friend a friend who was coming to rescue us tomorrow it might have sounded silly but to me it seemed appropriate to ask for my friend's blessing before well how exactly was i going to tell tom that i was about to fuck his little sister senseless true she might have been twenty five but i knew how protective tom could be i was surprised he let me carry out my little plan of course i carefully emitted the tiny detail about me wanting to have my way with her as far as tom was concerned this was all about taking care of her and teaching her a lesson

i remember playing truth or dare while camping with my cousins or at birthday parties with my friends

we would do some pretty crazy bold things just to show we weren't chicken growing up in church i learned bible verses and even memorized them i knew what the truth was and knew scripture by heart but the dare part was missing you see a dare is an action something you do this bible study is a twist on the old game of truth or dare it goes through sections of the bible which is the truth of god's word and then it dares you to act upon that truth i dare you puts action to faith and allows you to prove that you aren't afraid to show others that you love jesus christ
