The Doctor is In(sane) 2010-02-23 shrinking budgets stressful conditions demanding patients today's medical professionals face enormous pressure what's a doctor to do for dave hepburn the only relief is in relishing the ridiculousness of it all in his first book the gp and popular columnist proves the adage about laughter and medicine he tackles a variety of health issues from smoking the nicotine patch works best when placed directly over the mouth to the body mass index useless corrupt and irrelevant and provides sensible up to date advice about commonplace conditions and remedies while poking good natured fun at his patients britney spears lawn bowling and most of all himself whether tracing the tenuous myth of tendonitis analyzing the role of acupuncture or meditating on the museum of menstruation dr dave holds nothing back as he takes on the foibles of human health and modern medicine

Dr. Dave's Dinosaur Party 2001-01-01 contains information for cruisers rv boondockers and other wilderness travelers traveling with pets for use in identifying and treating diseases and conditions when professional veterinary treatment and diagnosis is unavailable includes drug dosage suggestions in a formulary format along with recommended drugs and supplies to have on hand

Doctor Dave's Wit and Wisdom at the Bridge Table 2018-08-20 dr dave walker was used to handling major surgery and the follow up into icu but something was wrong more than mere physical healing he wanted to see his patients lives changed then god broke into his life and he started praying with his patients suddenly things happened he never could have imagined enter the drama of high tech medicine the inner life of a concerned doctor and above all the intervention of a loving caring god back cover

Dr Dave Tackles Steps 2006-03 previously published as the outback doctor broken hill's doctor and general surgeon dave dunbar has no time for sophisticated city girls and when he encounters his new anesthetist from sydney he knows there's going to be trouble they meet at the site of a medical emergency and even covered in the dust of the australian outback rose partridge is gorgeous she's also fiercely independent and touchingly vulnerable it's a compelling combination and although their relationship is tense dave finds himself wanting more than her medical expertise but can this rough diamond break down the barriers of a woman who has locked her heart away

Captain Doctor Dave's Wilderness Veterinary Companion for Cruisers and Other Outbackers 2012-11-10 the country vet puts down roots in his second volume of hilarious stories from rural british columbia he has purchased a piece of property under the mountains south of creston and has acquired some cattle with his realtor friend gordon he dreams of developing the land and eventually living on it soon however he will discover his unpredictable neighbour she has pigs will the animals be able to co exist more to the point will the determined country vet and the feisty farmer get along at the moment though dr dave's practice hasn't slowed down one iota he's so busy he has to hire a second office assistant to help doris with the dozens of dogs cats and piglets that come squealing through the door at all hours of the day or night the doctor encounters situations they didn't discuss at veterinary college there's the call to perform a caesarian on a cow at forty below zero and the invitation to help an inexperienced wayward stallion make it with a reluctant mare somehow dave gets through it all though not necessarily unscathed he meets new loveable country characters both animal and human who more often than not follow their own agenda dr dave's advice may go unheeded but his compassion and dedication to the job survive survival is indeed an issue in the final chapter when he gets himself into swift water on the moyie river he's signed himself up to participate in the yahk raft race an exciting finish to his second volume of adventures

God in the ICU 2015-03-01 cheeky original and decidedly practical to boot sin boldly is unlike any other writing handbook available jammed with sage advice genuine encouragement and surprising examples of how to write and how not to write this book gives beginning writers and confident students alike an easy to follow roadmap for improving one of the most important skills for success en route to sin boldly induced a paper bliss readers encounter such topics as choosing a topic and telling your story k i s s keep it simple stupid literary games featuring francobabble for freshman choosing a voice dissing the prof grammatical horrors a does not equal they common mistakes hopefully and other controversies fully revised and updated with new examples quizzes and tips sin boldly is not only a comprehensive guide but also a fantastic fun read for anyone who wants to write clearly and effectively

Doctors Down Under 2015 dr dave's famous fables are a collection of 21 short stories fables and poems fables are an excellent way of illustrating a point and helping people get unstuck the stories cover individual growth and development relationships and family drama and life lessons fables are timeless wisdom passed from generation to generation dr dave's famous fables encourages the reader to write their own wisdom in the space provided the pass it on to someone else

Dr. Dave's Stallside Manner 2009-04-28 the lowdown on men's health from new zealand's most adventurous gp if laughter is the best medicine then dr dave baldwin's healthy bastards is the essential prescription for every bloke who wants to know more about his health using his trademark humour and plain language dr dave takes the pain out of illness by explaining all the common health problems and major diseases that affect the average male bloke you'll also find out how the different parts of the body work and how to fix or avoid your particular complaint summaries and key points mean you don't even have to read the whole chapter a gp for more than 20 years flying doctor dave has written this accessible guide for the everyday kiwi bloke

Sin Boldly! 2013-04 miracle man by dr dave ferruolo presents an enthralling tale of resilience and spiritual rebirth at the heart of this narrative is aaron robert gossy a former navy seal whose life is overshadowed by the lasting effects of ptsd and addiction his existence precariously balanced on the edge of despair takes a dramatic turn following a catastrophic event a plane crash in which he is a sole survivor this harrowing experience becomes the catalyst for aaron's profound journey of transformation amidst the

aftermath of the crash a glimmer of hope sparks within him propelling him towards a path of redemption and enlightenment in his quest for healing aaron finds guidance in the wisdom of an indian elder leading him to explore the depths of his psyche and the profound philosophies of life aaron's odyssey is one of confronting inner turmoil and discovering a deep yearning for peace and purpose this story transcends his individual struggle touching upon universal themes of human resilience and the intricate web of life's connections miracle man is more than a narrative it's a deep exploration of the human spirit's capacity to overcome adversity and transform the story resonates with our collective human experience shining as a beacon of hope for those navigating their darkest moments it's a powerful reminder of the strength within us to face life's greatest challenges and emerge into new beginnings

Dr Dave's Famous Fables 2001 instant national bestseller an inspirational uplifting and life affirming memoir about passion resilience and living life to the fullest from dr dave williams one of canada's most accomplished astronauts i had dreamt about becoming an astronaut from the time i watched alan shepard launch on the first american sub orbital flight on may 5 1961 eleven days before my seventh birthday i committed to a new goal one day i would fly in outer space dr dave has led the sort of life that most people only dream of he has set records for spacewalking he has lived undersea for weeks at a time he has saved lives as an emergency doctor launched into the stratosphere twice and performed surgery in zero gravity but if you ask him how he became so accomplished he'll say i'm just a curious kid from saskatchewan curious indeed dr dave never lost his desire to explore nor his fascination with the world whether he was exploring the woods behind his childhood home or floating in space at the end of the canadarm dave tried to see every moment of his life as filled with beauty and meaning he learned to scuba dive at only twelve years old became a doctor despite academic struggles as an undergraduate and overcame stiff odds and fierce competition to join the ranks of the astronauts he had idolized as a child there were setbacks and challenges along the way the loss of friends in the columbia disaster a cancer diagnosis that nearly prevented him from returning to space but through it all dave never lost sight of his goal and when he finally had the chance to fly among the stars he came to realize that although the destination can be spectacular it's the journey that truly matters in defying limits dave shares the events that have defined his life showing us that whether we're gravity defying astronauts or earth bound terrestrials we can all live an infinite fulfilled life by relishing the value and importance of each moment the greatest fear that we all face is not the fear of dying but the fear of never having lived each of us is greater than we believe and together we can exceed our limits to soar farther and higher than we ever imagined

Dr. Dave's Stallside Manner 2009 from the author of *Healthy Bastards* the man known as the flying doctor is back this time with his misadventures escapades and high jinks from a life of medicine aviation and hunting for the first time dave baldwin known throughout the backcountry as the flying doctor shares his tales from life lived at full throttle from his early years struggling with dyslexia to graduating from med school from learning to fly and joining the new zealand air force to becoming a cardiologist at palmerston north hospital and setting up a general practice in bulls dave's early life was certainly a life less ordinary later on he started the not so royal flying doctor service a service for the rural aviation community based at remote airstrips and farms in the backcountry which has paved the way for a life combining his two passions high country flying and hunting till the day i die i will never forget the thrill of my first sight of a mighty stag alone in the mountains dr dave well known for his eccentric personality playful antics and colourful turn of phrase dave's story is highly entertaining and truly unique yet it's not without tragedy having lost his best mate and son marc in a terrible incident in the same place they'd shared so many cherished father son moments dave is also the founder of the healthy bastards bush pilot champs a precision landing short take off and landing competition held annually at omaka airfield in blenheim

Healthy Bastards 2024-06-05 dr dave martin believes that favor is the greatest harvest that you can receive from god in this powerful book you will learn how the force of favor plays an integral role in your life's accomplishments dr dave teaches you how favor will accelerate your destiny 7 areas where you will need favor how solving problems increases your favor how favor determines the level of your income and much much more learn how favor can cause you to regain in a day what satan has stolen from you in years and how favor is a seed that can be sown with testimonies memory scriptures and favor facts learn how god does not want to withhold anything from you but wants to overload you with his benefits

Miracle Man 2019-10-01 you wouldn't let your children wander off into an unfamiliar neighborhood alone nor should they be left to explore the vast world of electronic media by themselves you may have read about the effects violent television shows and video games can have on children but you know the solution isn't simply to unplug everything the key for parents says dr david walsh founder and president of the nonprofit national institute on media and the family is to be informed and involved when choosing the electronic environments where kids play and learn dr dave's cyberhood helps parents take stock of the growing number of films tv shows video games music and web sites that stream into their homes every day with dr dave as a guide you can teach kids how to interact with media responsibly whether they're playing alone or with friends evaluate the content of videos electronic games and web sites to help you decide if they are appropriate for your family talk openly with your kids about the kinds of media they like and map out cyberhoods that everyone can agree on complete with hands on activities and positive recommendations for a variety of media products dr dave's cyberhood gives parents the tools they need to find cyberhoods that their kids can enjoy and that they can trust

Defying Limits 2016-08-01 a practical teaching manual for teachers who want to learn how to teach a science unit on the cell title page

The Flying Doctor 2012-05-18 dr dave walker was a successful anesthesiologist with a special interest in the intensive care unit icu disillusioned with god after a series of

tragedies he lived for himself and his work but something was wrong though he was seeing people healed physically their lives were not changed and it all seemed pointless this set him on a quest to find a god who does not look on impersonally from a distance as he thought but is intimately involved in our lives after a dramatic encounter he started praying with his patients suddenly things happened beyond anything he could have imagined as god intervened in response to prayer in the meantime dave was facing his own personal trials which tested his faith to the limit set firstly in a south africa transitioning into democracy from apartheid and then in the muslim world of the middle east god in the icu will take you into the drama of critical care medicine the inner life of a praying caring physician and above all the response of a faithful loving god to the prayers of his people told with transparency compassion and an honest look at the lessons we can learn from his dealings with us you will be encouraged to trust a god who is as close as a prayer away

Force of Favor 2001-08-22 the coach who taught jonny wilkinson how to deal with pressure now shows all of us how to cope with life's challenges pressure is a constant in our lives the pressure to hit a deadline deliver that speech interview for the job we really want they are all challenges we need to meet like a footballer taking a penalty or a golfer making a putt how we respond to pressure defines us at work and at home dave alred is an elite performance coach who works with the world's top sports stars and teams from rugby's jonny wilkinson to premiership footballers and golfers helping them deliver when the tension is at its most extreme in the pressure principle he finally shares his eight groundbreaking principles and shows how we can all apply them to our lives from how a child like approach can help us through tough moments to the best ways to face an audience to why language is the ultimate performance enhancing drug pressure is the definitive guide to dealing with our challenges packed with accessible stories and tips it shows how we can harness pressure to produce our best at home at work and in our sport or exercise by the man who has spent his life coaching the very best dave alred is a genius there is simply no one around to match him in his field jonny wilkinson dr dave alred mbe is an elite performance coach who has worked with some of the biggest names in sport his clients have included rugby's jonny wilkinson george ford and johnny sexton golfers luke donald brad kennedy and padraig harrington the england rugby team four world cups the british lions three tours the springboks the england cricket team and premiership sides manchester city sunderland watford and newcastle he holds a phd in performing under pressure from loughborough university a genuine pioneer in performance mindset and attitude his approach optimises the abilities of sports and business people alike

Dr. Dave's Cyberhood 2010 foods from the buckeye state including milk braised pork and rustic cornmeal apple tart this book features a delightful collection of regional fare that all food lovers will relish the heartland of america's midwest is the source of much healthful produce and the book explores such family run farms as the hartzler family dairy and the black hen

Dr. Dave's Teaching Manual 2013 warren buffett famously invoked the metaphor of a tapeworm when describing what healthcare is to the american economy the united states spends approximately 20 of its gross national product on healthcare but it is unclear where the money goes or who is minding the store this healthcare crisis is mostly about money not lack of money but rather misspending of money from the perspective of a healthcare auditor and provider this work describes the problems of american healthcare finance and proposes solutions extensive charts and graphs are used to trace where money goes in the american healthcare system while other topics such as ethics in healthcare billing un-auditable hospital costs and scams are discussed there is evidence that clearly identifies where the money goes and its destination may surprise the reader

God in the ICU 2016-04-28 the bushman's bible makes up dr dave's third book in the healthy bastards trilogy the first book in this trilogy is the best selling healthy bastards 2009 which is a medical manual for dingbats on how to take care of themselves physically the second book the flying doctor 2016 redefines a healthy bastard as one who also tries to develop themselves mentally and spiritually this third book the bushman's bible now looks at beyond the material world issues for the average free spirited mr and mrs bushman who generally attend the big blue temple in the mountains rather than conventional churches and temples in the big city back cover

The Pressure Principle 2018-08-21 dr dave hnida's devastating and inspiring account follows a group of brilliant and committed doctors who staff a combat hospital in iraq and achieve an astounding survival rate as they forge deep and lasting bonds based on friendship good humor and fidelity to the well being of the american soldier in 2004 at the age of forty eight dr dave hnida a family physician from littleton colorado volunteered to be deployed to iraq and spent a tour of duty as a battalion surgeon with a combat unit in 2007 he went back this time as a trauma chief at one of the busiest combat support hospitals csh during the surge in an environment that was nothing less than a modern day m a s h the doctors main objective was simple get em in get em out the only csh staffed by reservists who tended to be older more experienced doctors disdainful of authority the 399th soon became a medevac destination of choice because of its high survival rate an astounding ninety eight percent this was fast food medicine at its best working in a series of tents connected to the occasional run down building dr hnida and his fellow doctors raced to keep the wounded alive until they could be airlifted out of iraq for more extensive repairs here the hippocratic oath superseded that of the pledge to uncle sam if you got the red carpet helicopter ride his team took care of you no questions asked on one stretcher there might be a critically injured american soldier while three feet away lay the insurgent shot in the head who planted the ied that inflicted those wounds but there was levity amid the chaos on call round the clock with an unrelenting caseload the doctors prescription for sanity included jokes pranks and misbehavior dr hnida's deployment was filled with colorful characters and gifted surgeons a diverse group who became trusted friends as together

they dealt with the psychological toll of seeing the casualties of war firsthand in a conflict with no easy answers and even less good news paradise general gives us something that we can all believe in the story of an ordinary citizen turned volunteer soldier trying to make a difference with honesty and candor and an off the wall self deprecating humor that sustained him and his battle buddies through their darkest hours dr hinda delivers a devastating and inspiring account of his csh tour and an unparalleled look at medical care during an unscripted war

Dr Dave Tackles Mountains 2006-12 ptsd free is a therapist approved ten week self help guide book blending scientific scientific rigor with actionable strategies for overcoming ptsd

Farms & Foods of Ohio 2023-08-30 join former nasa astronaut dr dave williams as he answers questions about how zero gravity affects the human body

Mismanaged Money in American Healthcare 2014 the president had ninety seconds a thermonuclear holocaust awaited is a fictional account of actual events set toward the end of the cold war era the us and the ussr had completed the largest buildups of nuclear weaponry in history while the us was the only nation in history to have used nuclear weapons against an enemy all the nations on earth feared a repeat of the massive destruction loss of life and long term results of the release of atomic bombs on hiroshima and nagasaki japan to end world war ii nevertheless the missile warning systems deep within the granite caverns of norad s cheyenne mountain complex rang out its alarms four times between november 1979 and june 1980 each alarm announced missile attacks on the us more than a thousand times greater than the earlier attacks on japan as the warning systems projected the location and time of impact for each of the 250 nuclear missiles launched against us the president s missile warning telecon was convened with only a few minutes left before the missiles began to strike norad s senior director recapped the situation for the president once the missiles began to hit no capability would remain for nuclear retaliation our nuclear strike force would be eliminated while still on the ground the senior director announced over the telecon mr president we now have ninety seconds to approve nuclear retaliation or our arsenal will be destroyed on the ground the president had ninety seconds a thermonuclear holocaust awaited

Dr. Dave Warren and the Transformation of Cultural Studies 2017 dr dave dunbar lucy clark broken hill s doctor and general surgeon dave dunbar has no time for sophisticated city girls and when he encounters his new anaesthetist from sydney he knows there s going to be trouble they meet at the site of a medical emergency and even covered in the dust of the australian outback rose partridge is gorgeous she s also fiercely independent and touchingly vulnerable it s a compelling combination and soon dave finds himself wanting more than her medical expertise but can this rough diamond break down the barriers of a woman who has locked her heart away dr matthew mckellar leah martyn life is pretty uneventful for dr joanna winters living with her son jason working at the local clinic until jason comes home with an outrageous request that sends joanna marching off to see just what dr matthew mckellar is up to suddenly jo s life is in chaos she s got a new job with matt as her new boss and also her new lover but matt seems to find it hard to cope with jason who s not pleased about the relationship and it seems that matt has secret troubles of his own dr dylan calford lilian darcy annabelle drew had been shattered when one of her guests objected at her wedding just as she d been about to say i do surgeon dylan calford had no regrets he was convinced that annabelle s groom was completely wrong for her until he discovered just how badly annabelle needed her marriage of convenience he proposed that he be her groom instead annabelle didn t take gorgeous athletic dylan seriously but that got them both thinking was dylan her mr right

The Bushman's Bible 2011-05-17 girl in the sun is a poignant narrative that explores the emotional and psychological journey of annie a young girl thrust into a new existence following the devastating loss of her parents in a plane crash the story is set against the backdrop of a small town where annie begins to live with her grandfather a man she barely knows but who becomes her guardian and guide through this turbulent period as annie adjusts to her new life the novel delves into themes of grief healing and the search for identity amidst tragedy her grandfather a figure of stability and wisdom helps annie navigate her feelings of loss and disconnection through their shared experiences annie learns about her family s past and discovers a unique gift that creates a tangible link to her lost parents offering a sense of continuity and belonging the narrative also introduces a cast of characters from the small town each contributing to annie s healing process in different ways these relationships rich with warmth and complexity paint a picture of community support and the impact of interpersonal connections on overcoming grief conflict arises when a custody battle threatens the delicate balance of annie s new life challenging the familial bonds she has started to form with her grandfather this legal battle adds tension to the story highlighting the importance of family both given and chosen in providing a sense of home and security the climax of the book brings a powerful resolution to annie s journey emphasizing the resilience of the human spirit and the transformative power of love and forgiveness as annie comes to terms with her past and embraces her future girl in the sun offers readers a moving testament to the enduring strength of family ties and the healing power of nature and human connection this story while rooted in the experiences of loss and recovery ultimately celebrates the beauty of finding light in the darkest of times and the unbreakable bonds that help us navigate life s challenges

Paradise General 2010 bestselling author and pet doctor extraordinaire dr dave perrin has entertained thousands with stories of his adventures as a country veterinarian dr dave returns once again with his mostly true story of lug the stray german shepherd who was to become his trusted and loyal companion fans of the don t turn your back in the barn series will know lug as a character but no one has heard lug s full story until now before meeting dr dave lug lives happily with loving owners until one fateful day when an out of control deer chase results in lug being lost in the wilds of british columbia far from the domestic comforts he s known lug must learn to survive in this hostile

world to take sustenance and hope wherever he can find it to learn from his mistakes to follow his instincts and ultimately to open his heart and learn to trust humans again dr dave has become acquainted with many animals throughout the years but not one has had as much impact on his practice and his life as lug the stray he invited to stay a dog to give away will warm the hearts of anyone who has ever loved a dog
