## **hk3480 positive feedback** *Aug 18 2023*

the hk3480 though powerful is no exception it is at its best with big power hungry speakers that benefit from brute force paired with monitors like mission s lovely m31s the hk3480 lacks the delicacy and nuance of lower wattage but higher performance products like rotel s ra 02 integrated amp

## **first impressions of harman kardon hk3480 2 channel home** *Jul 17 2023*

stereo separation seems to have increased some and voices and instruments seem to be coming from behind and around the speakers instead of directly from them the vmax virtual surround setting is just weird it adds odd reverberation and phase shifts that make the sound come from all around you
