**Doctor Who-Guide 2/3** 2012-08-07 drawing upon feminist and gender theory as well as cultural analyses of race class and colonialism this book revises our understanding of the literary genre of medieval romance it argues that the romance genre arose in the 12th century as a cultural response to the trauma of war

**Parliamentary Debates** 1957 in a language there are only differences without positive terms whether we take the signified or the signifier the language contains neither ideas nor sounds that pre exist the linguistic system but only conceptual differences and phonic differences issuing from this system from the posthumous course in general linguistics 1916 no one becomes as famous as saussure without both admirers and detractors reducing them to a paragraph s worth of ideas that can be readily quoted debated memorized and examined one can argue the ideas expressed above that language is composed of a system of acoustic oppositions the signifier matched by social convention to a system of conceptual oppositions the signified have in some sense become saussure while the human being in all his complexity has disappeared in the first comprehensive biography of ferdinand de saussure john joseph restores the full character and history of a man who is considered the founder of modern linguistics and whose ideas have influenced literary theory philosophy cultural studies and virtually every other branch of humanities and the social sciences through a far reaching account of saussure s life and the time in which he lived we learn about the history of geneva of genevese educational institutions of linguistics about saussure s ancestry about his childhood his education the fortunes of his relatives and his personal life in paris john joseph intersperses all these discussions with accounts of saussure s research and the courses he taught highlighting the ways in which knowing about his friendships and family history can help us understand not only his thoughts and ideas but also his utter failure to publish any major work after the age of twenty one

**Encyclopaedia of Islam** 2013-12-19 by any account edward henry harriman was a fascinating individual and a titan of the railroad industry what rockefeller was to oil harriman was to railroads by his death harriman controlled the union pacific the southern pacific the saint joseph and grand island the illinois central the central of georgia the pacific mail steamship company and the wells fargo express company even by today s standards he was a fabulously wealthy and powerful individual in this long out of print biography of harriman author kenan cousin to the younger george kennan reveals the intricate power plays that resulted in harriman s control of properties and vast interests he was interested in science and even learned ju jitsu after a trip to japan naturalist john muir said of harriman that he was worthy of admiration in almost every way for the first time vol i and ii of this long out of print book are available together in an

affordable well formatted edition for e readers and smartphones be sure to look inside or download a sample excerpt one day says mr kruttschnitt i was walking with mr harriman on the road he noticed a track bolt and asked me why so much of the bolt should protrude beyond the nut i replied it is the size which is generally used he said why should we use a bolt of such a length that a part of it is useless i replied well when you come right down to it there is no reason we walked along and he asked me how many track bolts there were to a mile of track and i told him thereupon he remarked well in the union pacific and southern pacific we have about eighteen thousand miles of track and there must be some fifty million track bolts in our system if you can cut an ounce off from every bolt you will save fifty million ounces of iron and that is something worth while change your bolt standard

*Empire of Magic* 2003 beloved stage and screen actor danny aiello s big hearted memoir reveals a man of passion integrity and guts and lays bare one of the most unlikely success stories ever told danny aiello admits that he backed into his acting career by mistake that s easy to see when you begin at the beginning raised by his loving and fiercely resilient mother in the tenements of manhattan and the south bronx and forever haunted by the death of his infant brother danny struggled early on to define who he was and who he could be it wasn t until he took to the stage in the wee hours to belt out standards that danny aiello found his voice and his purpose he was born to act performing in converted churches and touring companies led to supporting roles in such films as the godfather part ii and moonstruck and an oscar nomination for his role as the embattled salvatore in spike lee s do the right thing for a guy who had never set foot in an acting class this was supreme validation for being an outsider who followed his heart in a raw and real chronicle of his gritty urban past danny aiello looks back with appreciation amusement and frank disbelief at his unconventional road to success he offers candid observations on working with luminary directors francis ford coppola woody allen and robert altman among others and a vast roster of actors including robert de niro paul newman madonna cher and lauren bacall he opens up about friends he loved friends he lost and the professional relationships that weren t meant to be above all danny aiello imparts a life lesson straight out of his own experience to anyone who s ever felt like an outsider it s never too late to become who you want to be to find happiness and fulfillment and to embrace the winding road to get there

*Saussure* 2012-03-22 on 21 july 1403 sir henry percy better known as hotspur led a rebel army

out at shrewsbury to face the forces of the king henry iv the battle was both bloody and decisive hotspur was shot down by an arrow and killed posthumously he was declared a traitor and his lands forfeited to the crown this was an ignominious end to the brilliant career of one of the most famous medieval noblemen a remarkable soldier diplomat and courtier who played a leading role in the reigns of richard ii and henry iv how did he earn his extraordinary reputation and why did shakespeare portray him as a fearsomely brave but flawed hero who despite a traitor's death remained the mirror of chivalry these are questions john sadler seeks to answer in the first full biography of this legendary figure to be published for over twenty years hotspur's exploits as a soldier in france during the hundred years war against the scots in the scottish borders and at the battles of otterburn homildon hill and shrewsbury have overshadowed his diplomatic role as a loyal royal servant in missions to prussia cyprus ireland and aquitaine and as the heir to one of the foremost noble families of northern england he was an important player not only in the affairs of the north but of the kingdom as a whole so as john sadler reveals in this highly readable study hotspur was a much more varied and interesting character than his narrow reputation for headstrong attack and rebellion suggests

**Railroad Tycoon** 2014-11-20 in this fascinating study henry ansgar kelly examines the treatment of fifteenth century english history the period covered in shakespeare's history plays from richard ii to the accession of henry vii by contemporary chroniclers by sixteenth century historians and by elizabethan poets notably shakespeare the author reveals the large role that political bias played in the contemporary accounts favorite sons were endowed with divine support while cosmically base troubles were attributed to the opposition he shows that instead of the tudor myth spoken of by present day scholars there is a lancaster myth a york myth and a somewhat different tudor myth each is heralded by the partisans of these dynasties the lancaster myth regards richard ii's overthrow as providentially arranged and henry iv's reign as a divine favor continued under henry v and henry vi the york myth considers henry vi's loss of the reign as a providential restoration of the usurped throne to the lawful heir of richard ii namely edward iv kelly finds that the real tudor myth differs importantly from the widely accepted version in that far from accepting the yorkist view that the henries were punished by god it accepts the legitimacy of the lancastrian dynasty it regards henry vii the closest surviving lancastrian heir as the providential instrument in the defeat of the wicked yorkist richard iii and the divinely favored bringer of peace to england the myth was formulated by the historians and poets who wrote immediately after henry vii's accession to the throne in 1485 the later chroniclers especially polydore vergil hall and holinshed incorporated elements of all three myths lancaster york and tudor but for moralistic rather than for political purposes often with contradictory results shakespeare's great contribution kelly asserts was to sort out the partisan layers that had been blended in the recent compilations available to him and to distribute them to appropriate spokesmen lancastrian sentiments to lancastrians and so on he thus eliminated all the purportedly objective providential judgments of his sources and presented such judgments as the opinions of the persons voicing them thereby allowing each play to create its own ethos and mythos and offer its own hypotheses concerning the springs of human and cosmic action

Study of Monopoly Power 1949 professor bellamy places the theory of treason in its political setting and analyses the part it played in the development of legal and political thought in this period he pays particular attention to the statute of treason of 1352 an act with a notable effect on later constitutional history and which in the opinion of edward coke had a legal importance second only to that of magna carta he traces the english law of treason to roman and germanic origins and discusses the development of royal attitudes towards rebellion the judicial procedures used to try and condemn suspected traitors and the interaction of the law of treason and constitutional ideas

**MLN.** 1942 the book of gladness ca 1380 contains one of the most powerful original and influential pro feminine voices of the late middle ages in a spirited riposte to the misogynist tradition le fevre with the help of gladness his lady persona boldly reinterprets the bible while questioning ancient authorities in the light of true experience especially his own despite its foundational importance this work has never been translated into english the present prose translation is lively and accessible yet thoroughly grounded in scholarship an introduction explains the textual challenges hindering the full recognition of this classic up to now and elucidates its contribution to the medieval debate on the nature and status of women and

marriage also included is the first ever english translation and discussion of a newly discovered scribal interpolation on christine de pizan in a manuscript of jehan le fevre s lamentations the bibliography provides the first complete list of manuscripts containing the french lamentations and le livre de leesce

*The Complete Euripides* 2011-01-04 this volume seeks to increase understanding of the origins ideology implementation impact and historiography of religion and conflict in the medieval and early modern periods the chapters examine ideas about religion and conflict in the context of text and identity church and state civic environments marriage the parish heresy gender dialogues war and finance and holy war the volume covers a wide chronological period and the contributors investigate relationships between religion and conflict from the seventh to eighteenth centuries ranging from byzantium to post conquest mexico religious expressions of conflict at a localised level are explored including the use of language in legal and clerical contexts to influence social behaviours and the use of religion to legitimise the spiritual value of violence rationalising the enforcement of social rules the collection also examines spatial expressions of religious conflict both within urban environments and through travel and pilgrimage with both written and visual sources being explored this volume is the ideal resource for upper level undergraduates postgraduates and researchers of religion and military political social legal cultural or intellectual conflict in medieval and early modern worlds
