

# Download free Andrew Heywood Political Ideologies 4th edition Full PDF

now in its fourth edition *Political Ideologies: An Introduction* continues to be the best introductory textbook for students of political ideologies. Completely revised and updated throughout, this edition features a comprehensive introduction to all of the most important ideologies, brand new chapters on multiculturalism, anarchism, and the growing influence of religion on politics, more contemporary examples of twenty-first century iterations of liberalism, socialism, conservatism, fascism, green political theory, nationalism, and feminism, enhanced discussion of the end of ideology debates and emerging theories of ideological formation, six new contributors, accessible and packed with both historical and contemporary examples. This is the most useful textbook for scholars and students of political ideologies. The contributors to this volume have all taught or carried out research at the School of Politics, International Studies, and Philosophy of Queen's University Belfast or have close research connections with the school. This revised and updated fourth edition of the leading text on political ideologies contains a new chapter on multiculturalism, consideration of the changing nature of ideological discourse including the transition from traditional to new ideologies, and coverage of the impact on the major ideological traditions of developments such as globalization and the war on terror. *Political Ideologies* provides a broad-ranging introduction to both the classical and contemporary political ideologies, adopting a global outlook. It introduces readers to ideologies increasingly of global reach and the different national versions of these ideologies. Importantly, ideologies are presented as frameworks of interpretation and political commitment, encouraging readers to evaluate how ideologies work in practice, the problematic links between ideas and political action, and the impact of ideologies. Regular learning features encourage readers to think critically about ideologies and view them as competing and contestable ways of interpreting the world. A unique 'Stop and Think' feature calls for readers to reflect on their own ideological beliefs. Provided by the publisher is the most practically applied approach to political ideologies: evaluate critically, make links, think globally. Providing a clear, concise, and comprehensive introduction to the ideas and ideals that shake and shape our political world, the fourth edition of this best seller has been extensively revised and updated. Written in the firm belief that ideology is the driving force of nation states, history, and politics, this innovative and clearly written text covers the gamut of contemporary political ideologies from the standard categories of liberalism, conservatism, socialism to newly emerging ideological alternatives. The new edition features an expanded discussion of native people's liberation movements and a greatly expanded chapter on green politics. A companion volume of readings from primary sources, *Ideals and Ideologies*, a reader has also been revised to reflect changes in modern political movements and their animating ideologies. Give value pack ISBN 0 201 75352 9 to your bookstore to order the text reader package. A clear and accessible introduction to the political creeds and doctrines that have dominated and shaped world politics, the fifth edition has been thoroughly updated throughout and now has more on the influence of globalization on ideology and a new look page design to aid student learning.
