a collection of biographical sketches providing an introduction to both the contrasts and continuities of american women s experience through nearly four centuries major subjects and themes emerge including women s rights suffrage education health women s liberation and marriage a comprehensive history of the struggle to define womanhood in america from the seventeenth to the twenty first century an intelligently provocative vital reading experience this highly readable inclusive and deeply researched book will appeal to scholars of women and gender studies as well as anyone seeking to understand the historical patterns that misogyny has etched across every era of american culture kirkus reviews a comprehensive and lucid overview of the ongoing campaign to free women from the tyranny of old notions publishers weekly what does it mean to be a woman in america award winning gender and sexuality scholar lillian faderman traces the evolution of the meaning from puritan ideas of god s plan for women to the sexual revolution of the 1960s and its reversals to the impact of such recent events as metoo the appointment of amy coney barrett to the supreme court the election of kamala harris as vice president and the transgender movement this wide ranging 400 year history chronicles conflicts retreats defeats and hard won victories in both the private and the public sectors and shines a light on the often overlooked battles of enslaved women and women leaders in tribal nations noting that every attempt to cement a particular definition of woman has been met with resistance faderman also shows that successful challenges to the status quo are often short lived as she underlines the idea of womanhood in america continues to be contested two performances of cohan s hunter of angels approx 14 min each after the first performance cohan discusses the genesis of the work and its choreography music and costumes with movement demonstrations by the two dancers american women a concise history offers the most accessible and engaging introduction to the history of american women the 2d edition of this concise history has been revised to incorporate continuing research in the fast growing field of women s history additions to the text include an exploration of women s experiences and roles in various ethnic groups as well as three new sections the trans mississippi west migrants and immigrants and women and the law woloch s lucid lively and thorough survey retains the same comprehensive style that has made it the best selling narrative text in american women s history modeled on the dictionary of american biography this set stands alone but is a good complement to that set which contained only 700 women of 15 000 entries the preparation of the first set of notable american women was supported by radcliffe college it includes women from 1607 to those who died before the end of 1950 only 5 women included were born after 1900 arranged throughout the volumes alphabetically entries are from 400 to 7 000 words and have bibliographies there is a good introductory essay and a classified list of entries in volume three an anthology of documents about 20th century women this artful social history considers our culture s expectations of women and how those expectations changed throughout the twentieth century how the advent of television changed the landscape of employment opportunities for women in broadcasting and how both television and radio communicate about gender roles until recently a womanless american history was the norm but without a history of women we neglect gender dynamics sex roles and family relations the very fundamentals of human interaction here 24 short essays locate the histories of women from pocahontas to betty friedan and men together by period and provide a sense of their continuities through the whole gallery of the american past 26 photos what does american history look like with women at the center of the story from pocahontas to military women serving in the iraqi war this very short introduction chronicles the contributions that women have made to the american experience from a multicultural perspective that emphasizes how gender shapes women s and men s lives examines the symbols that defined perceptions of women during the late 1910s and 1920s and how they changed women s role in society written in engaging and accessible prose by experts in the field and sprinkled with fascinating boxed features celebrating women in american history presents a diverse and panoramic view of women and their accomplishments in american history publisher s website rich in detail filled with fascinating characters and panoramic in its sweep this magnificent comprehensive work tells for the first time the complete story of the american woman from the pilgrims to the 21st century in this sweeping cultural history gail collins explores the transformations victories and tragedies of women in america over the past 300 years as she traces the role of females from

their arrival on the mayflower through the 19th century to the feminist movement of the 1970s and today she demonstrates a boomerang pattern of participation and retreat in some periods women were expected to work in the fields and behind the barricades to colonize the nation pioneer the west and run the defense industries of world war ii in the decades between economic forces and cultural attitudes shunted them back into the home confining them to the role of moral beacon and domestic goddess told chronologically through the compelling true stories of individuals whose lives linked together provide a complete picture of the american woman s experience untitled is a landmark work and major contribution for us all among the women profiled in american women s history are grace abbott noted for her tireless work on behalf of children and immigrants susan b the joan jensen darlis miller prize recognizes outstanding scholarship on gender and women s history in the west the winning essays are collected here for the first time in one volume the cultural devastation of american women is a factual investigation into the american womanas abuse of liberation levant burrows into the psyches and habits of american women she exposes over spending over decorating obsessions with beauty weight social climbing and the hiring out of traditional female functions all of these demonstrate a rejection of biological instincts and behaviors levant exposes demanding unreasonable and incompetent mothers she delves with brutal frankness into women and marriage child rearing divorce hypochondria self absorption and vanity challenging the assumption that westernized society freed women from social bondage levant calls for a critical evaluation of womanhood in 21st century america the cultural devastation of american women is reckoning day for american women as readers of all ages and political persuasions find complete agreement with the proof of the voices of suffering children by including the commentary of daycare children to create premise and purpose levant allows our children to report on the current state of parenthood home life and themselves discusses the legal and social status of women the contributions of outstanding women and the role of the average woman during each of twelve periods in american history includes excerpts from writings of and about women of each period this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the
