seneca the favourite classic of the early fathers of the church and of the middle ages whom jerome tertullian and augustine speak of as seneca noster who was believed to have corresponded with st paul and upon whom footnote on the de clementia an odd subject for the man who burned servetus alive for differing with him calvin wrote a commentary seems almost forgotten in modern times perhaps some of his popularity may have been due to his being supposed to be the author of those tragedies which the world has long ceased to read but which delighted a period that preferred euripides to aeschylus while casuists must have found congenial matter in an author whose fantastic cases of conscience are often worthy of sanchez or escobar yet seneca s morality is always pure and from him we gain albeit at second hand an insight into the doctrines of the greek philosophers zeno epicurus chrysippus c whose precepts and system of religious thought had in cultivated roman society taken the place of the old worship of jupiter and quirinus since lodge s edition fol 1614 no complete translation of seneca has been published in england though sir roger l estrange wrote paraphrases of several dialogues which seem to have been enormously popular running through more than sixteen editions i think we may conjecture that shakespeare had seen lodge s translation from several allusions to philosophy to that impossible conception the wise man and especially from a passage in all s well that ends well which seems to breathe the very spirit of de beneficiis
