

Free reading British army drill manual mifou [PDF]

this training circular provides guidance for army wide uniformity in the conduct of drill and ceremonies it includes methods of instructing drill teaching techniques individual and unit drill manual of arms for infantry weapons and various other aspects of basic drill instruction this publication is designed for use by soldiers of all military occupational skills to include the new soldier in the initial entry training environment since all situations or eventualities pertaining to drill and ceremonies cannot be foreseen commanders may find it necessary to adjust the procedures to local conditions however with the view toward maintaining consistency throughout the army the procedures prescribed herein should be followed as closely as possible personnel preparing to give drill instruction must be thoroughly familiar with chapters 3 through 7 before attempting to teach material in chapters 8 and 9 for ease in distinguishing a preparatory command from a command of execution the commands of execution appear in bold cap letters and preparatory commands appear in bold italic letters reference to positions and movements appear in italics army regulation ar 670 1 should be used as a reference for the proper wearing of uniforms and insignia this publication applies to the active army the u s army national guard arng army national guard of the united states arngus and the united states army reserve usar unless otherwise stated on february 23 1778 frederick william baron von steuben reported to general george washington at the continental army s bleak winter encampment at valley forge speaking virtually no english and at an unexpected ebb in his professional fortunes steuben nevertheless brought a depth of military training and grasp of command techniques sorely needed by the bedraggled ragtag army with his lofty military reputation forceful bearing and colorful personality the prussian commander had an immediate galvanizing effect on the disorganized insurgents he soon became one of washington s most valued officers an essential figure in the success of the american war of independence commissioned to mold the troops into an efficient fighting force steuben formed a model drill company of one hundred men transformed it into a precision unit copied throughout the ranks and captured the imagination of the entire army his record of drill instructions written in brief installments grew into the regulations for the order and discipline of the troops of the united states commonly known as the army s blue book this basic manual of military training and procedures remained the official u s military guide until 1812 this inexpensive facsimile reproduces the extremely rare 1794 edition of steuben s drill manual published in boston by i thomas and e t andrews it describes in detail the arms and accoutrements of officers and soldiers formation and exercise of a company instruction of recruits formation and marching of columns disposition and firing of fieldpieces laying out of a camp inspection treatment of the sick reviews of parade and other essentials the volume is further enhanced by reproductions of the eight copperplates from the 1794 edition and an appendix the united states militia act of 1792 this united states army manual training circular tc 3 21 5 drill and ceremonies may 2021 provides guidance for army wide uniformity in the conduct of drill and ceremonies ceremonies are formations the arrangement of elements of a unit in a prescribed manner and movements in which a number of troops execute movements in unison and with precision just as in drill however their primary value is to render honors preserve traditions and stimulate esprit de corps it includes methods of instructing drill movements by which a unit or individuals are moved in a uniform manner from one formation to another or from one place to another with movements executed in unison and with precision teaching techniques individual and unit drill manual of arms for infantry weapons and various other aspects of basic drill instruction the principal audience for tc 3 21 5 is all members of the profession of arms commanders the soldiers in charge and staffs of army headquarters serving as joint task force or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces trainers and educators throughout the army will also use this publication since all situations or eventualities pertaining to drill and ceremonies cannot be foreseen commanders may find it necessary to adjust the procedures to local conditions however with the view toward maintaining consistency throughout the army the procedures prescribed herein should be followed as closely as possible personnel preparing to give drill instruction must be thoroughly familiar with chapters 3 through 7 before attempting to teach material in chapters 8 and 9 from the preface tc 3 21 5 this training circular provides guidance for armywide uniformity in the conduct of drill and ceremonies it includes methods of instructing drill possible from the preface fm 3 21 5 this field manual provides guidance for armywide uniformity in the conduct of drill and ceremonies it includes methods of instructing drill teaching techniques individual and unit drill manual of arms for infantry weapons and various other aspects of basic drill instruction this manual is designed for use by soldiers of all military occupational skills to include the new soldier in the initial entry training environment since all situations or eventualities pertaining to drill and ceremonies cannot be foreseen commanders may find it necessary to adjust the procedures to local conditions however with the view toward maintaining consistency throughout the army the procedures prescribed herein should be followed as closely as possible a genuine historical document written by a former prussian officer charged with turning george washington s demoralized army into an efficient fighting machine this compendium of military drills and training techniques was the u s army s official blue book until 1812 presented here in a facsimile of its original 1794 printing it offers a fascinating glimpse into the disciplinary routine of an american soldier in the early years of the republic frederick william baron von steuben 1730 1794 served in the prussian officer corps for 17 years before circumstances and the attention of benjamin franklin brought him to america s revolutionary cause after

successfully reshaping the u s military and helping win the war von steuben retired to upstate new york the purpose of drill is to enable a commander or noncommissioned officer to move his unit from one place to another in an orderly manner to aid in disciplinary training by instilling habits of precision and response to the leader s orders and to provide for the development of all soldiers in the practice of commanding troops this field manual provides guidance for armywide uniformity in the conduct of drill and ceremonies it includes methods of instructing drill teaching techniques individual and unit drill manual of arms for infantry weapons and various other aspects of basic drill instruction this manual is designed for use by soldiers of all military occupational skills to include the new soldier in the initial entry training environment since all situations or eventualities pertaining to drill and ceremonies cannot be foreseen commanders may find it necessary to adjust the procedures to local conditions however with the view toward maintaining consistency throughout the army the procedures prescribed herein should be followed as closely as possible personnel preparing to give drill instruction must be thoroughly familiar with chapters 3 through 7 before attempting to teach material in chapters 8 and 9 for ease in distinguishing a preparatory command from a command of execution the commands of execution appear in bold cap letters and preparatory commands appear in bold italic letters reference to positions and movements appear in italics ar 670 1
