the textbook dvds new practicum and externship activities on evolve provide practice with real world scenarios law and ethics for today s journalist offers aspiring and working journalists the practical understanding of law and ethics they must have to succeed at their craft instead of covering every nuance of media law for diverse communications majors mathewson focuses exclusively on what s relevant for journalists even though media law and media ethics are closely linked together in daily journalistic practice they are usually covered in separate volumes mathewson brings them together in a clear and colourful way that practicing journalists will find more useful everything a journalist needs to know about legal protections limitations and risks inherent in workaday reporting is illustrated with highlights from major court opinions mathewson advises journalists who must often make ethical decisions on the spot with no time for the elaborate multi faceted analysis the book assigns to journalists the hard decisions on ethical questions such as whether to go undercover or otherwise misrepresent themselves in order to get a big story the ethics chapter precedes the law chapters because ethical standards should underlie a journalist s work at all times there may be occasions when ethics and law are not parallel thus calling for the journalist to make a personal judgment law and ethics for today s journalist is user friendly written in clear direct understandable language on issues that really matter to a working journalist supplementary reading of the actual court cases is recommended and links to most cases are provided in the text the text includes a fine but purposely not exhaustive bibliography listing important and useful legal cases including instructive appellate and trial court opinions state as well as federal

military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience they enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry throughout a chaplain s career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military however chaplains are challenged with the rigorous multitasked environment of this ministry multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier this book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout second the leader s practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve third practicing historic christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith

waiting for today is a life affirming novel about human suffering what it means to be human waiting for today charts the life of jacob a young man who loses what he loves most plunged into the depths of suffering jacob must come to terms with his faith or lack thereof and the nature of the human condition jacob is already a wounded man when he meets faith wary of the terms of life s happiness he relents to the soaring spirit that she brings to him and allows himself to finally accept the wonder and joy life has to offer but when his dreams of bliss are shattered jacob must somehow find the courage to live and love again despite the inherent disillusionment of an impermanent world waiting for today evokes universal questions about mankind s existence and offers inspiration about the beauty of each soul s journey set largely in modern day washington d c it is a tale of faith and promise that reveals insight into the meaning behind human suffering each day of the week brings a new food until on sunday all the world s children can come and eat it up contents ti jean and his brothers an echo in the bone and man better man vols 13 62 include abridged annual reports and proceedings of the annual meetings of the american missionary association 1869 1908 v 38 62 include abridged annual reports of the society s executive committee 1883 84 1907 1908 the package isbn 978 0 415 73036 5 contains the second edition of theory for today s musician isbn 978 0 415 66332 8 and the theory for today s musician workbook isbn 978 0 415 66333 5 the package is available for print books only ebook users should purchase the textbook and workbook separately this workbook accompanies the second edition of theory for today s musician and is full of exercises to help students practice and master the concepts presented in each chapter audio files are included
