improvement for asian countries especially the members of asean over the past few years we really look forward to deepening research cooperation between vcci and aci dr vu tien loc chairman and president vietnam chamber of commerce and industry vcci vietnam key features existing global competitiveness rankings such as the world competitiveness yearbook by the imd world competitiveness centre and the world economic forum s global competitiveness report are like beauty contests they merely identify who are doing well and who are facing challenges but stop short of giving more constructive advice on improving the rankings the aci s competitiveness framework goes one step further by tackling the so what question what is the policy implication of a competitiveness ranking result for a particular economy under this overarching framework aci combines leading edge research methodologies with extensive data collection efforts to evaluate and track economic competitiveness for the asean 10 economies since 2000 the book benefits from the insights of mr george yeo former minister for foreign affairs of singapore who provides a thoughtful and timely reflections on the nature of human beings identities and their continued relevance for policy making the shock election of donald trump to the presidency of the united states us and the victory of the leave campaign during the brexit referendum in 2016 have served to underscore the fact that the development of human societies is not only driven by economic but also soci do you remember president barack obama s economic priorities intensive care and emergency medicine annual report on exchange arrangements and exchange restrictions 2020 the department for international development s dfid objectives continue to focus on achievement of the internationally agreed millennium development goals with the overarching aim of poverty reduction this focus remains valid however on current trends most of the goals will not be met by the 2015 deadline the prospects for achieving millennium development goal 2 on universal primary education by 2015 concern the committee to meet the target of all children completing primary education by 2015 universal access to schooling will need to be in place by 2010 the necessary schools will therefore have to be built and teachers trained in less than two years the global economic downturn may exacerbate the risk of failure if development assistance levels are not maintained and donor commitments on aid are allowed to lapse in straitened economic circumstances it is vital that every pound spent achieves the maximum impact not least so that public support for aid expenditure can be maintained the committee is not convinced that dfid s evaluation processes allow it to make an accurate assessment of what its funding is achieving the independent advisory committee on development impact has begun to improve evaluation within dfid this process must continue with the full engagement of the department dfid s ability to deliver its objectives is beginning to be constrained despite its rising budget by the government wide requirement to reduce its administrative budget and therefore the number of staff it employs the government should urgently reassess whether dfid has sufficient staff in place effectively to deliver the objectives which it has assigned to the department under its public service agreements presents forecasts of energy supply demand and prices through 2020 the report begins with an overview the next section legislation and regulations
