Bible Wines: Or, The Laws of Fermentation and the Wines of the Ancients 1883 winner of the gourmand wine books prize for best drinks writing book in the uk a fascinating journey through ancient wine country that reveals the drinking habits of early christians from abraham to jesus wine connoisseur joel butler teamed up with biblical historian randall heskett for a remarkable adventure that travels the biblical wine trail in order to understand what kinds of wines people were drinking 2 000 to 3 500 years ago along the way they discover the origins of wine unpack the myth of shiraz and learn the secrets of how wine infiltrated the biblical world this fascinating narrative is full of astounding facts that any wine lover can take to their next tasting including the myths of the phoenician greek roman and jewish wine gods the emergence of kosher wine as well as the use of wine in sacrifices and other rites it will also take a close a look at contemporary modern wines made with

ancient techniques and guide the reader to experience the wines noah the first wine maker abraham moses and jesus drank

Tirosh Lo Yayin; Or, the Wine Question Considered in an Entirely Novel Wine Bible 2019-04-17 there is only one reason that the american wine enthusiast is now completely enamored with german and austrian wines terry theise this glorious book not only brilliantly showcases one man s love affair with all the beauties that can flow from the bottle it definitively makes the case for the wines that are the most superbly suited to be served with food chef charlie trotter terry theise s humane subtle and engaging book illustrates the superiority of wisdom to mere knowledge read and be richer andrew jefford columnist for decanter and the world of fine wine impassioned insistent and inimitable terry theise is america s foremost wine philosopher lots of writers can explain the what of wine terry uniquely inspires us with the why i devoured reading between the wines it s the single best book i ve ever read on why wine matters karen macneil author of the wine bible if you think you know something about wine try terry theise s reading between the wines because until you do you haven t really started tom stevenson author of sotheby s wine encyclopedia

Scriptural View of the Wine-question 1848 it s finally here the comprehensive authoritative book that does for beer what the wine bible does for wine written by an expert from the west coast where america s craft beer movement got its start the beer bible is the ultimate reader and drinker friendly guide to all the world s beers no other book of this depth and scope approaches the subject of beer in the same way that beer lovers do by style just as a perfect pub menu is organized and gets right to the pleasure of discovery knowledge and connoisseurship divided into four major families ales lagers wheat beers and tart and wild ales there s everything a beer drinker wants to know about the hundreds of different authentic types of brews from bitters bocks and ipas to weisses milk stouts lambics and more each style is a chapter unto itself delving into origins ingredients description and characteristics substyles and tasting notes and ending with a recommended list of the beers to know in each category hip infographics throughout make the explanation of beer s flavors brewing methods ingredients labeling serving and more as immediate as it is lively the book is written for passionate beginners who will love its if you like x try y feature for intermediate beer lovers eager to go deeper and for true geeks who will find new information on every page history romance the art of tasting backstories and anecdotes appropriate glassware bitterness units mouthfeel and more it s all here plus a primer on pairing beer and food using the three cs complement contrast or cut it s the book that every beer lover will read with pleasure and use with even more What Makes a Wine Worth Drinking 2018-11-06 explore my wine bible don t be a fool at the next dinner party and embark on a delightful journey into the world of wine this captivating book unveils the secrets of grapes and their terroirs empowering you to become a wine connoisseur impress your guests with newfound knowledge and elevate your dining experiences whether you re a wine novice or enthusiast this guide promises to enhance your appreciation of wine from grape varieties to their origins savor every sip with confidence cheers to becoming the wine expert at your next dinner party all thanks to my wine bible The Wine Lover's Bible 2015-01-27 for beginner wine lovers and a reference guide for wine waiters whose knowledge of wine is limited to yuk or yum this is the book for you are you timid when the conversation turns to wine every wine term you need is here from acidulation to

zinfandel don t feel alone the wine lover s vocabulary bible will make every neophyte imbiber comfortable at social or company events where colleagues are marveling or complaining about the wine being served here is the beginning point of what can be a lifetime of enjoying fine wine here you will learn the vocabulary of fine wine to serve as a basis for all further knowledge the wine lover s vocabulary bible aims to convert a diffident emerging wine lover into an enlightened and passionate consumer one who delights in talking about wine with words that can be shared one who is able to talk about where the wine came from comfortable enough to find words that describe the sensory experience and to be familiar with the typicity of those wines you love most don t throw your hands up and say that knowing wine is beyond reach never say heaven forfend that you don t have a palate unless this condition has been medically diagnosed you do have a palate you just need to practice like the marathon runner you need to get much mileage behind you what an enjoyable task there is much to be learned but the basics in this irreverent and unapologetically opinionated bible will make it possible to grow big time into a savvy relationship with the post fermentation grape your friends may be astonished at your quick conversion to a nouveau aficionado with informed opinions of your very own how does a white burgundy differ from a sonoma chardonnay how is a cabernet sauvignon based wine from bordeaux different from a napa valley cabernet sauvignon why does a marlborough new zealand sauvignon blanc taste like it has a grapefruit blended in it does not and how can one understand italy with its extraordinary plantings of two thousand different grape varieties and one million vineyards do the french have a lock on quality that no other growing region can challenge what about the new world wines are they destined for the supermarket shelves only or are they challenging wine history they are The Wine Bible 2015-10-13 the italian wine lover s bible aims to soothe

those humble and skittish beginner wine aficionados wanting to understand italian wine how does one comprehend a land growing 2 000 varietal wines in one million vineyards the first rule for those on bended knee with a wish to know why they adore the wines of italy is italy is a country of red wines much white is made but it is rarely important italy the roman empire really is responsible for the dissemination of the great varietals throughout the modern world rome as it created empire brought cuttings from the greeks the greeks had brought cuttings from mesopotamia the wine drinkers of the world are the beneficiaries today italy is the greatest volume producer of wine in the world from vintage to vintage france can be number one cheap and dear outrageous in complex beauties or simple pleasures the wines of italy are exported everywhere this book aims to elucidate for ardent emerging oenophiles literally lovers of wine the regions responsible for the greatest italian reds and the producers who year after year display artistic devotion to the grapes of their vineyards the international wine world accords bordeaux cabernet sauvignon based wines as the highest expression that grapes can attain i will argue that this is wrong that this is an opinion foisted on us by the brits who were the great importers and subsequently the exporters of what they call claret the reds of the bordeaux region google and amazon are shining examples of first in their field take over the field so too did bordeaux wines seize the high ground in greatness the five premier cru classé first growths today attain the highest prices vintage after vintage i will argue that several red varietals from several regions share the lofty title best in the world cabernet sauvignon blended with petit verdot merlot cabernet franc and malbec the classic bordeaux blend will forever

share the pantheon of great reds but so too will sangiovese nebbiolo corvina and aglianico of italy and pinot noir from burgundy and wherever and syrah and grenache these wines all mature into elegant brilliant wines the proof of which is the best this is the task of oenophiles everywhere to sort out through tastings of all the various vintages with friends and family a wonderful change that quickly rocked the wine world began in tuscany in the early 1970s the marchese piero antinori blended cabernet sauvignon with sangiovese the ubiquitous grape of tuscany this inroad into greatness happened at about the same time that napa valley was shocking wine lovers in the usa antinori began to produce tignanello 80 sangiovese with 20 cabernet sauvignon and solaia 80 cabernet sauvignon with 20 sangiovese antinori s work marked the ascension of italian wine from cheap and ubiquitous to great and ubiquitous the italian wine lover s bible starts its story from the early 1970s and explores italy s path to greatness the great regions and producers are explored and so too are the varietals both those native to italy and those non native varietals latterly introduced and yes italy learned from france and new world winemakers modern viticultural planting techniques and vinification inroads italy also began importing 55 gallon oak barrels for aging a star was being born

\_\_\_\_\_\_2002-07-25 this compelling study challenges the notion that the use of alcohol is condoned by the bible whitmore argues that the two wine theory which suggests that the wine mentioned in the bible was less potent than modern alcoholic beverages is flawed drawing on historical and theological evidence the author presents a convincing case for temperance based on biblical principles this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant <u>Divine Vintage</u> 2012-11-13 the concept of terroir is one of the most celebrated and controversial subjects in wine today most will agree that well made wine has the capacity to express somewhereness a set of consistent aromatics flavors or textures that amount to a signature expression of place but for every advocate there is a skeptic and for every writer singing praises related to terroir there is a study or a detractor seeking to debunk terroir as a myth wine and place examines terroir using a multitude of voices and multiple points of view from science to literature from winemakers to wine critics seeking not to prove its veracity but to explore its pros its cons and its other aspects this comprehensive anthology lets the reader come to one s own conclusion about terroir

because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

The Beer Bible 2015-08-11 unique astonishingly comprehensive and with over 8 000 french wines selected from 28 000 tasted blind this ultimate guide offers irresistibly tempting suggestions each entry includes 20 separate pieces of information many given in compact symbols and found in this book alone and there are four indexes so you can look up a wine by its name producer appellation or commune for every winemaking region in france you ll get the latest news on the past year s vintage My Wine Bible 2023-11-04 diffident to express your wine tasting vocabulary other than yuk or yum read on beginning wine lovers need to know french wine because it is the quality standard against which all other wines are measured in the french wine lover s bible you will learn basic knowledge such as that white burgundy can only be made with chardonnay and red burgundy is made 100 with pinot noir by law that the difference between grand cru classé bordeaux and the neighboring communes of pomerol and st emilion is weather and the varietals planted in the vineyards it s cooler in inland pomerol st emilion and warmer where bordeaux reaches into the atlantic and is warmed by the gulf stream and the north atlantic drift you may forever remember that st emilion pomerol glory in early ripening varietals such as cabernet franc and merlot while their warmer neighbors pauillac ste estephe st julien and margaux can ripen cabernet sauvignon of fantastic quality when bordeaux has a fantastic vintage which only happens 3 years out of 10 the reader will learn of the sauvignon blanc wines grown on both sides of the loire river and too learn of the fantastic syrah grape grown in the northern reaches of the rhone valley south of burgundy and expressed regally in the côte rôtie hermitage st joseph and cornas the new wine lover will learn too of the white wines of macon just south of the côte d or that river of those chardonnays known already too many newbies as st veran and pouilly fuissé and of champagne chablis alsace and the loire river valley with its sauvignon blancs and muscadet and the picnic wines of beaujolais and finally learn of provence rosé and languedoc rousillon the great source of bulk wine destined to become cheap supermarket wine the french were the first and justifiably so to proclaim their wines the greatest the image took and this quality image continues to shine brightly and deservedly outward from the legendary and historic vineyards of france competition from italy spain and the new world is fierce when it comes to quality wines but french wine remains the standard of comparison allons mes amis

The Wine Lover's Vocabulary Bible 2016-06-01 a two part book that will greatly appeal to theologians and historians alike part one a lay thesis on bible wines part two history the question fermentation laws of warm climate and sweet fruits palestine a hot climate sweet is the natural taste fruits preserved fermentation prevented authorities methods used by the ancients boiling or inspissating filtration subsidence fumigation ancients called these wine wines mixed with water the scriptures generic words other hewbrew words greek latin and english generic words classification of texts bad wine good wine the wine of egypt new wine and old bottles christ eating and drinking the lord s supper texts in mark and luke examined wedding wine at cana pentecost scene acts ii 13 stumbling blocks rom xiv 13 expediency temperance lord s supper at corinth various texts examined charge to timothy not given to wine paul s permission to timothy to use a little wine charge to deacons fermented wine not a creature of god various texts examined testimonies professor

george bush doctor e nott professor moses stuart and albert barnes this book contains classic material dating back to the 1900s and before the content has been carefully selected for its interest and relevance to a modern audience

The Wine Question Settled ... in Accordance with the Inductions of Science, and the Facts of History 1841 engages a careful lexical exegetical and theological examination of the bible on the question of the christian use of alcoholic beverages it demonstrates that the wine was alcoholic and that the bible allows a moderate circumspect use of alcoholic beverages
