Shooter's Bible Guide to Cartridges 2011-10-21 no scare tactics here we all know bad things can happen and don t need to be scared into wanting to protect our loved ones up to speed a prepper s guide is just a discussion about what steps and in what order to take them in order to be ready for disasters manmade or otherwise it s good information with some humor thrown in for flavor the book has been carefully broken up into levels of importance it begins by addressing a survival mindset it then goes on to discuss ways we can set ourselves up for success when it to comes to reuniting with loved ones having a home to come home to and finally what we should consider as we step out of our homes in order to keep our families safe up to speed tries to take the daunting task of protecting what is truly important to us and break it down into small manageable pieces this is not a survivalist book this is just a discussion and shouldn t be considered the end all in preppers manuals in it you will find references to many other books that will supplement your preparedness library

Getting Started In Reloading. 1974-07 reloading guide

Field & Stream 2015-11-17 would you like to learn a new hobby that will save you

money while ensuring that you always have enough of the right ammunition for your shooting needs due to a continuing increase in sales of rifles and handguns there is a definite shortage of ammunition of all types as a result more and more people are beginning to reload their own ammunition this guide offers you an opportunity to follow an experienced handloader as he takes you through the reloading process explaining the relationships of the various components and using real world examples to explain what works and what doesn't learn all about bullets primers cases and powder while gaining valuable insight on what equipment and materials you will need to produce accurate cartridges in a cost effective way in addition you'll learn how to inspect record test and track the results of your efforts if you are new to reloading or wish to grasp the basics more firmly this guide will enable you to take the lessons discussed here and put them into action

Handgun Buyer's Guide 1974-03 the aim of this book is to help the average hunter and sport shooter who uses a bolt action rifle to accurise his or her shooting system and to be able shoot more competitively and with more self confidence this aim led to the title of the manual the accurate chain the accuracy chain consists of three main links the rifle the ammunition and the human factor these are joined together with many smaller links if just one of the links is broken you don't have a chain if you work through this manual attentively you will find out

how to accurise your rifle correctly and how to choose and use the correct equipment and tools for accurate reloading and load development for your rifle
Field & Stream 1974-11 the handloading ammunition log sheets for reloaders to log track reloading ammo this log book is one of the most critical elements of the reloading process it will help keep your reloads correct and clean one of the most important things a reloader should do is keep a list of all their reloading operations it helps to arrange a number of variations of bullet case powder and primer it makes you know what charge you ve been using in a load you haven t used for a while it can also help to remind you that a certain mixture of components has showed signs of undue strain

Field & Stream 1975 field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

Soldiers 2016-04-05 the complete guide for everything you need to reload rifle shotgun and handgun cartridges this book profiles the newest reloading equipment and accessories available for handloaders hundreds of products currently available on the market are listed by category each product listing includes a photo specifications and prices find out where to buy all the products listed in the special appendix devoted to manufacturers and retailers what s inside bullets rifle and

handgun cases rifle and handgun powder primers presses metallic and shotshell case prep tools bullet prep tools casting tools and accessories powder handling tools primer handling tools
