Stories of Robin Hood (ESL/EFL) 1790 million word reading project mwrp esl efl 1500 201500 2015 3500 82 54 19099 1029 5 39 3 19 52 162 robin hood is a hero of english folk tales he is believed to have lived in nottinghamshire about 700 years ago he lost his home and ran away into the sherwood forest there he gathered together a band of merry men they robbed the rich to help the poor robin hood appears in songs plays games novels musicals films and tv series this book is rewritten from stories of robin hood told to the children by h e marshall 1867 1941 english author of children s historical stories

Robin Hood's garland. Being a complete history of all the notable and merry exploits performed by him and his men, on divers occasions. To which is added a preface, giving a particular account of his birth, life, &c., adorned with twenty-seven neat and curious cuts, etc 1999 the legends of robin hood are very familiar but scholarship and criticism dealing with the long and varied tradition of the famous outlaw is as elusive as the identity of robin himself and is scattered in a wide range of sources many difficult of access this book is the first to bring together major studies of aspects of the tradition the thirty one studies take a variety of approaches from archival exploration in quest of a real robin hood to a political angle seeking the social meaning of the texts across time to literary scholars concerned with origin structures and generic variation or moral and social significance also included are considerations of theatre and film studies and folklore and children s literature overall the collection provides a valuable basis for further study stephen knight is professor of english literature at the university of wales cardiff he is well known as an authority on the robin hood tradition and has edited the recently discovered robin hood forrester's manuscript
