**When Churchill Slaughtered Sheep and Stalin Robbed a Bank** 2016-11-01 more addictive and mind blowing true tales from history told by giles milton one of today s most entertaining and accessible yet always intelligent and illuminating historians in when churchill slaughtered sheep and stalin robbed a bank the second installment in his outrageously entertaining series history s unknown chapters giles milton shows his customary historical flair as he delves into the little known stories from history like when stalin was actually assassinated with poison by one of his inner circle the russian scientist dubbed the red frankenstein who attempted to produce a human ape hybrid through ethically dubious means the family who survived thirty eight days at sea with almost no water or supplies after their ship was destroyed by a killer whale or the plot that served as a template for 9 11 in which four algerian terrorists attempted to hijack a plane and fly it into the eiffel tower

Churchill's Ministry of Ungentlemanly Warfare 2017-02-07 six gentlemen one goal the destruction of hitler s war machine in the spring of 1939 a top secret organization was founded in london its purpose was to plot the destruction of hitler s war machine through spectacular acts of sabotage the guerrilla campaign that followed was every bit as extraordinary as the six men who directed it one of them cecil clarke was a maverick engineer who had spent the 1930s inventing futuristic caravans now his talents were put to more devious use he built the dirty bomb used to assassinate hitler s favorite reinhard heydrich another william fairbairn was a portly pensioner with an unusual passion he was the world s leading expert in silent killing hired to train the guerrillas being parachuted behind enemy lines led by dapper scotsman colin gubbins these men along with three others formed a secret inner circle that aided by a group of formidable ladies single handedly changed the course second world war a cohort hand picked by winston churchill whom he called his ministry of ungentlemanly warfare giles milton s churchill s ministry of ungentlemanly warfare is a gripping and vivid narrative of adventure and derring do that is also perhaps the last great untold story of the second world war

Checkmate in Berlin 2021-07-13 from a master of popular history the lively immersive story of the race to seize berlin in the aftermath of world war ii as it s never been told before berlin s fate was sealed at the 1945 yalta conference the city along with the rest of germany was to be carved up among the victorious powers the united states britain france and the soviet union on paper it seemed a pragmatic solution in reality once the four powers were no longer united by the common purpose of defeating germany they wasted little time reverting to their prewar hostility toward and suspicion of one another the veneer of civility between the western allies and the soviets was to break down in spectacular fashion in berlin rival systems rival ideologies and rival personalities ensured that the german capital became an explosive battleground the warring leaders who ran berlin s four sectors were charismatic mercurial men and giles milton brings them all to rich and thrilling life here we meet unforgettable individuals like america s explosive frank howlin mad howley a brusque sharp tongued colonel with a relish for mischief and a loathing for all russians appointed commandant of the city s american sector howley fought an intensely personal battle against his wily nemesis general alexander kotikov commandant of the soviet sector kotikov oozed charm as he proposed vodka toasts at his alcohol fueled parties but howley correctly suspected his soviet rival was stalin s agent appointed to evict the western allies from berlin and ultimately from germany as well throughout checkmate in berlin recounts the first battle of the cold war as we ve never before seen it an exhilarating tale of intense rivalry and raw power it is above all a story of flawed individuals who were determined to win and milton does a masterful job of weaving between all the key players motivations and thinking at every turn a story of unprecedented human drama it s one that had a profound and often underestimated shaping force on the modern world one that s still felt today
