war violence and the disruption of social orders are critical areas of focus in mimetic theory and a mimetic perspective applied to the study of politics illuminates social processes and phenomena over and beyond typical explanations offered by mainstream political science

matthew packer mimetic politics dyadic patterns in global Jan 29 2023

mimetic politics dyadic patterns in global politics by roberto farneti book review matthew packer the bulletin of the colloquium on violence and religion 63 29 31 2020

beyond red vs blue the political typology pew research center Dec 28 2022

while partisanship remains the dominant factor in politics we sought to identify the fissures within both partisan coalitions we did this by creating a political typology which classifies the public into nine distinct groups based on their political values and attitudes

how the political typology groups view major issues pew Nov 26 2022

on nearly every issue including the economy role of government voting and elections race and immigration policy there are differences in opinions among the nine groups in the political typology

mimetic politics dyadic patterns in global politics studies Oct 26 2022

war violence and the disruption of social orders are critical areas of focus in mimetic theory and a mimetic perspective applied to the study of politics illuminates social processes and phenomena over and beyond typical explanations offered by mainstream political science
