New Daughters of Africa 2019-03-22

showcasing the work of more than 200 women writers of african descent this major international collection celebrates their contributions to literature and international culture twenty five years ago margaret busby s groundbreaking anthology daughters of africa illuminated the silent forgotten underrated voices of black women washington post published to international acclaim it was hailed as an extraordinary body of achievement a vital document of lost history sunday times new daughters of africa continues that mission for a new generation bringing together a selection of overlooked artists of the past with fresh and vibrant voices that have emerged from

across the globe in the past two decades from antigua to zimbabwe and angola to the usa key figures join popular contemporaries in paying tribute to the heritage that unites them each of the pieces in this remarkable collection demonstrates an uplifting sense of sisterhood honours the strong links that endure from generation to generation and addresses the common obstacles women writers of colour face as they negotiate issues of race gender and class and confront vital matters of independence freedom and oppression custom tradition friendships sisterhood romance sexuality intersectional feminism the politics of gender race and identity all and more are explored in this glorious collection of work from over 200 writers new daughters of africa spans a wealth of genres autobiography memoir oral history letters diaries short stories novels poetry drama humour politics journalism essays and speeches to demonstrate the diversity and remarkable literary achievements of black women who remain under represented and whose works continue to be under rated in world culture today featuring women across the diaspora new daughters of africa illuminates the richness and cultural history of this original continent and its enduring influence while reflecting our own lives and issues today bold and insightful brilliant in its intimacy and universality this essential volume honours the talents of african daughters and the inspiring legacy that connects them and all of us

Collective Amnesia 2017-04-13

this highly anticipated debut collection from one of the country's most acclaimed young voices marks a massive shift in south african poetry kola

putuma's exploration of blackness, womanhood and history in collective amnesia is fearless and unwavering. Her incendiary poems demand justice, insist on visibility and offer healing. In them, Putuma explodes the idea of authority in various spaces – academia, religion, politics, relationships – to ask what has been learnt and what must be unlearned through grief and memory, pain and joy, sex and self-care. Collective amnesia is a powerful appraisal, reminder and revelation of all that has been forgotten and ignored both in South African society and within ourselves.

New Daughters of Africa 2022-08-25

Nearly three decades after her pioneering anthology *Daughters of Africa*, Margaret Busby curates an extraordinary collection of contemporary writing by 200 women writers of African descent, including Zadie Smith, Bernardine Evaristo and Chimamanda Ngozi Adichie. A glorious portrayal of the richness and range of African women's voices, this major international book brings together their achievements across a wealth of genres, from Antigua to Zimbabwe and Angola to the USA. Overlooked artists of the past join key figures, popular contemporaries and emerging writers in paying tribute to the heritage that unites them, the strong links that endure from generation to generation and their common obstacles around issues of race, gender and class. Bold and insightful, brilliant in its intimacy and universality, this landmark anthology honours the talents of African daughters and the inspiring legacy that connects them and all of us.

National Journal 2008-07-21

chicago s reputation for corruption is the basis of local and national folklore and humor grafters and goo goos corruption and reform in chicago 1833 2003 unfolds the city s notorious history of corruption and the countervailing reform struggles that largely failed to clean it up more than a regional history of crime in politics this wide ranging account of governmental malfeasances traces ongoing public corruption and reform to its nineteenth century democratic roots former chicago journalist james l merriner reveals the battles between corrupt politicians and ardent reformers to be expressions of conflicting class ethnic and religious values from chicago s earliest years in the 1830s the city welcomed dollar chasing businessmen and politicians swiftly followed by reformers who strived to clean up the attendant corruption reformers in chicago were called goo goos a derisive epithet short for good government types grafters and goo goos contends a certain synergy defined the relationship between corruption and reform politicians and reformers often behaved similarly their separate ambitions merging into a conjoined politics of interdependency wherein the line between heroes and villains grew increasingly faint the real story asserts merriner has less to do with right against wrong than it does with the ways the cultural backgrounds of politicians and reformers steered their own agendas animating and defining each other by their opposition drawing on original and archival research merriner identifies constants in the struggle between corruption and reform amid a welter of changing social circumstances and customs decades of alternating war and peace hardships and prosperity

three areas of reform and resistance are identified structural reform of the political system to promote honesty and efficiency social reform to provide justice to the lower classes and moral reform to combat vice in the matter of corruption and reform the constants might be stronger than the variables writes merriner in the preface the players rules and scorekeepers change but not the essential game complemented by eighteen illustrations grafters and goo goos is rife with shocking and amusing anecdotes and peppered with the personalities of famous muckrakers bootleggers mayors and mobsters while other studies have profiled infamous chicago corruption cases and figures such as al capone and richard j daley this is the first to provide an overview appropriate for historians and general readers alike in examining chicago s notorious saga of corruption and reform against a backdrop of social history merriner calls attention to our constant problems of both civic and national corruption and contributes to larger discussions about the american experiment of democratic self government

Grafters and Goo Goos 1984

bowman s eminently readable account discovers a rara avis in illinois state politics a woman of character who lost neither her genteel yet unpretentious demeanor nor her passion for the progressive politics she shared with her early mentor governor adlai e stevenson from book jacket
