jockeying for brownie points against a crew of ruthless fellow reporters who will do literally anything to make the front page sara soon learns the ropes how to climb them and how to use them to strangle the competition but when sara gets tapped to cover the clandestine wedding of tv idol johnny mercer she will have to fight tooth and nail and pen for every scoop and picture if she wants to stay at the top of the bottom versatile westlake delivers another offbeat story about picaresque types in his inimitably satiric irresistible style publishers weekly praise for donald e westlake westlake has no peer in the realm of comic mystery novelists san francisco chronicle no writer can excel donald e westlake los angeles times the road to banjul is the true adventure story of two middle aged men pitting their wits against the desert in a banger on the plymouth banjul challenge 2007 keith pugsley lord mallens of bedfordshire and his side kick graham de meur motor through nine countries and down the west african coast in an ageing cherokee jeep called black betty in a bid to deliver a sewing machine to a budding gent s outfitter in the gambia they are kidnapped duped blown up and nearly capsized and have to suffer the indignities of mauritanian plumbing on the way part one getting ready describes keith s preparations for the trip during the summer and autumn of 2006 it s a blue print for anyone considering this or any similar road borne challenge part two getting there is an account of the trip itself and of the many adventures and characters encountered in this three week race for charity all profit royalties go to the north devon animal ambulance go to northdevonanimalambulance co uk for more on the challenge go to plymouth banjul com when well to do farmer businessman in mississippi delta charlton breck is told that his grandson only grandchild thompson breck has been killed in the wreckage of his automobile a vette the man is devastated as breck continues to live and interact with his grandson s friends and roommate from college word was spread that it was not a simple road mishap as had been reported by the authorities those rumors said that his grandson was dead before the wreck with continued assistance and information from his grandson s best friends from college and his own contacts in the upper levels of state government solving the entire occurrence is uppermost in breck s mind wait till im dead is an eye opening memoir using both poetry and prose for anyone who has ever wondered about their own self identity through the authors journey as a child questioning her mothers love to the loss of a twenty year relationship to the memory and self esteem destroying effects of epilepsy she draws the reader into a world of pain and heartache using poetry to describe the intense emotions of her thoughts and behaviors eva shows how she overcomes that pain and leads readers on a journey to better understanding not only her life but their own from her violent and painful childhood to the sexual abuse she experienced at the hands of a family friend she draws us into her world so that we understand who she is and the struggles she has overcome to get to where she is today raised by a mother who finally accepted who she was as an adult and a father who was not emotionally involved the author poignantly chronicles her life up to the present the poems in wait till im dead are intense and the stories heart wrenching but the way the author surrounds herself with life is amazing readers pull for her every step of the way good sarcastic banter discussions of top comedians and enough food descriptions to make me salivate usa today two down on their luck comedians embark on a road tour and find more than a few good laughs on the way olivia vincent dreams of stand up comedy stardom bustling around a busy manhattan office by day and hustling from club to club by night she can t catch a break work is falling through the cracks and after ditching a major client to make a performance olivia gets the boot determined to pursue her dreams she snags an audition in los angeles for a coveted spot on late night tv but the only way to get there is to join seasoned stand up nick leto on a cross country road tour she agrees on one condition no funny business icky comedy condos tiny

smoking nightclubs and nick's incessant classic rock radio are a far cry from life on the upper east side. Reality sets in and Olivia wonders if she can hack it in showbiz or if she's just a hack as Nick helps Olivia improve her act. Along the way sparks begin to fly and ignite what they thought was an impossible flame. Maybe being stuck with Nick in a Jeep isn't so bad as long as it doesn't get in the way of Olivia's actual funny business. Midnight Louie, that loveable and feisty feline sleuth, returns once again to delight his legions of fans in Carole Nelson Douglas's *Cat in a Leopard Spot*. This time not only does Louie have to bail out his favorite investigative partner, public relations woman Temple Barr, but he has to save a fellow feline from a charge of murder. One all of Louie's and Temple's allies and enemies converge on the case when a big game hunter is found dead with only a leopard for company and the fun really begins when the unofficial investigators learn that the leopard is Osiris, a performing big cat who was kidnapped from his magician owner only days before the murder. Add to the mix a woman who's been surgically altered to resemble a big cat, a group of Las Vegas high rollers who've been paying big bucks to illegally hunt big game at the victim's ranch, and a cadre of ardent animal rights protesters secretly staking out the premises determined to stop the illegal killing at any price, even their own lives. At the publisher's request, this title is being sold without digital rights management software. DRM applied. The definitive, fully illustrated celebration of an auto manufacturer that paved its own way by going off road is now updated to celebrate Jeep's 80th anniversary. Few American vehicles or vehicles made anywhere else in the world for that matter are as universally iconic as the Jeep. From olive drab WWII military relics to the beloved Wrangler with its rear-mounted spare tire, open air design, and telltale roll cage, the Jeep is a true classic. In *Jeep: Eight Decades from Willys to Wrangler*, automotive writer Patrick R. Foster chronicles Jeep vehicle design and production from the beginning of World War II to present, beginning with the Jeep as a crucial component of the American war fleet. Foster expertly recounts the corporate shifts, financial struggles, and successes, close calls, and above all, the enduring machines that have carried Jeep from the early 1940s to its triumphant role as a modern-day embodiment of American perseverance. More than 200 color and black and white historical photos and period advertisements complement his expertly written narrative of Jeep's entire history, now updated to include five years of new model editions and prototypes, its return to the pickup market, and recent stunning marketplace successes. The resulting book reminds us that sometimes the road less traveled was just waiting for the right truck. First in a trilogy that crosses the boundaries of erotic fiction, from the bestselling author of *Megan's Mark*, too weak to resist young Kelly Benton's attempts at seduction, Rowdy Mackay left home eight years ago. Duty as a U.S. Marine put a safe distance between temptation and the nubile Kentucky vixen. Now he's back home and ready to engage in the kind of erotic games that have earned him and his two cousins a nauti boy reputation in three counties. Once it was Kelly's dream, too, to feel the heat of the boy she desired, but an attack from a stalker still on the prowl has left Kelly terrified of a man's touch. Now as fear and desire converge, Rowdy fights to save her from the deadly threats of a stranger, to rid her of her demons, and to satisfy a hunger more powerful than either can imagine. Tom Grayson returns home from a quick errand to discover that his family and guests have all mysteriously disappeared. Prior to this chilling discovery, he has been tormented with guilt by a secret that only he and a former lover share. The two have witnessed a brutal crime that Tom has refused to report. He knows that alerting the authorities would jeopardize all that he holds dear in life: his family and career. In a desperate search to find his missing family, Tom embarks on a journey that can only be described as nightmarish and surreal. When it becomes increasingly clear that Tom may lose something even more precious

than his comfortable existence his priorities in life shift dramatically as he becomes an unwitting detective with a mission but will it be too late for him to set the record straight p a depaul is a bold new voice in romantic suspense julie ann walker new york times and usa today bestselling author steamy exciting and suspenseful library journal faking her death was easy living with her past is harder but nothing is more dangerous than falling in love sandra walsh was a deadly sniper for the sweet briar group a covert agency with assassins for hire until her last mission went horribly wrong accidentally killing an innocent girl knowing she s a danger to her team sandra goes off the grid becoming a shade an agent declared dead but secretly hiding among the living she intends to honor her vow never to pull another trigger or have contact with the spy world again until she meets casper grady grady is a former marine with a troubled past and a debt to pay his life mission has gone from protecting the nation to helping local children and their families the moment he meets sandra he knows there s more to her than meets the eye but he can t help but be drawn to the mysterious femme fatale and when sandra s past suddenly catches up to her grady is determined to protect her at all costs no matter how dark and dangerous her secrets are as the danger increases so does their intense attraction but when they re forced to choose between each other and the people they ve sworn to protect their growing love might not be enough to keep them together or alive exchange of fire is a steamy exciting and suspenseful opening offering in the new sbg series if you enjoy military action suspense steamy romance and a little danger this is the series for you library journal a pulse pounding thrill ride from start to finish that will leave you clamoring for more elle kennedy author of the killer instincts series this book was everything i love about romantic suspense smitten with reading lots of action drama and suspense and the emotions of the characters were highly intense if you love sexy hot romance with a lot of action then this is a book you should definitely read cocktails and books i really enjoyed reading this book it was action packed and a love story all in one night owl reviews top pick p a depaul is a multi genre romance author including paranormal fantasy and romantic suspense she originally hails from carroll county and baltimore county maryland but also lived in macon and warner robins georgia she currently resides in a beautiful community just outside philadelphia exchange of fire is her first novel in the sbg series i m free and i don t know how to act bud baker says after he s rousted from his prison cell and seated on a bus in the middle of the night he aims to make his way to alaska where he has a cabin and childhood memories but he lingers in a sleepy oregon town after falling for the beautiful jo jo summers she tells him the tragic story of an addict whose baby was stolen at birth when she asks bud to return the boy to his birth mother he refuses until she reveals that the woman is her sister bud risks his newfound freedom by reverting to his criminal ways expecting a manhunt but he s already being hunted by demons from his past from mystery writers of america grand master donald e westlake comes the eagerly anticipated return of unlucky master crook john dortmunder dortmunder doesn t like manual labor so when andy kelp relays the offer of a grand to help dig up a grave in a far flung cemetery he balks until he begins to wonder just why fitzroy guildenpost criminal mastermind wants to pull a switcheroo of two 70 years dead indians central to the plan is little feather redcorn the ex vegas showgirl and great granddaughter of the newly switched stiff she will pose as the last remaining member of the pottaknobbee tribe one third owners of the largest casino in the east when the remains of the last known pottaknobbee are dug up down there in queens the dna will prove that it s her ancestor but when the scam goes into play it s dortmunder and his band who must step in to make sure everything runs smoothly popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy

Trust Me on This 2014-03-24 when well to do farmer businessman in mississippi delta charlton breck is told that his grandson only grandchild thompson breck has been killed in the wreckage of his automobile a vette the man is devastated as breck continues to live and interact with his grandson s friends and roommate from college word was spread that it was not a simple road mishap as had been reported by the authorities those rumors said that his grandson was dead before the wreck with continued assistance and information from his grandson s best friends from college and his own contacts in the upper levels of state government solving the entire occurrence is uppermost in breck s mind

The Road To Banjul 2022-07-12 wait till im dead is an eye opening memoir using both poetry and prose for anyone who has ever wondered about their own self identity through the authors journey as a child questioning her mothers love to the loss of a twenty year relationship to the memory and self esteem destroying effects of epilepsy she draws the reader into a world of pain and heartache using poetry to describe the intense emotions of her thoughts and behaviors eva shows how she overcomes that pain and leads readers on a journey to better understanding not only her life but their own from her violent and painful childhood to the sexual abuse she experienced at the hands of a family friend she draws us into her world so that we understand who she is and the struggles she has overcome to get to where she is today raised by a mother who finally accepted who she was as an adult and a father who was not emotionally involved the author poignantly chronicles her life up to the present the poems in wait till im dead are intense and the stories heart wrenching but the way the author surrounds herself with life is amazing readers pull for her every step of the way

Shadows of a Full Moon 2001-04-07 good sarcastic banter discussions of top comedians and enough food descriptions to make me salivate usa today two down on their luck comedians embark on a road tour and find

more than a few good laughs on the way olivia vincent dreams of stand up comedy stardom bustling around a busy manhattan office by day and hustling from club to club by night she can't catch a break work is falling through the cracks and after ditching a major client to make a performance olivia gets the boot determined to pursue her dreams she snags an audition in los angeles for a coveted spot on late night tv but the only way to get there is to join seasoned stand up nick leto on a cross country road tour she agrees on one condition no funny business icky comedy condos tiny smoking nightclubs and nick's incessant classic rock radio are a far cry from life on the upper east side reality sets in and olivia wonders if she can hack it in showbiz or if she's just a hack as nick helps olivia improve her act along the way sparks begin to fly and ignite what they thought was an impossible flame maybe being stuck with nick in a jeep isn't so bad as long as it doesn't get in the way of olivia's actual funny business

Wait Till I'M Dead 2020-03-10 midnight louie that loveable and feisty feline sleuth returns once again to delight his legions of fans in carole nelson douglas's cat in a leopard spot this time not only does louie have to bail out his favorite investigative partner public relations woman temple barr but he has to save a fellow feline from a charge of murder one all of louie's and temple's allies and enemies converge on the case when a big game hunter is found dead with only a leopard for company and the fun really begins when the unofficial investigators learn that the leopard is osiris a performing big cat who was kidnapped from his magician owner only days before the murder add to the mix a woman who's been surgically altered to resemble a big cat a group of las vegas high rollers who've been paying big bucks to illegally hunt big game at the victim's ranch and a cadre of ardent animal rights protesters secretly staking out the premises determined to stop the illegal killing at any price even their own lives at the publisher's request this title is being sold without digital rights management software drm applied

No Funny Business 1997 the definitive fully illustrated celebration of an auto manufacturer that paved its own way by going off road is now updated to celebrate jeep's 80th anniversary few american vehicles or vehicles made anywhere else in the world for that matter are as universally iconic as the jeep from olive drab wwii military relics to the beloved wrangler with its rear mounted spare tire open air design and telltale roll cage the jeep is a true classic in jeep eight decades from willys to wrangler automotive writer patrick r foster chronicles jeep vehicle design and production from the beginning of world war ii to present beginning with the jeep as a crucial component of the american war fleet foster expertly recounts the corporate shifts financial struggles and successes close calls and above all the enduring machines that have carried jeep from the early 1940s to its triumphant role as a modern day embodiment of american perseverance more than 200 color and black and white historical photos and period advertisements complement his expertly written narrative of jeep's entire history now updated to include five years of new model editions and prototypes its return to the pickup market and recent stunning marketplace successes the resulting book reminds us that sometimes the road less traveled was just waiting for the right truck

Cat in a Leopard Spot 2007-03-06 first in a trilogy that crosses the boundaries of erotic fiction from the bestselling author of megan's mark too weak to resist young kelly benton's attempts at seduction rowdy mackay left home eight years ago duty as a u.s. marine put a safe distance between temptation and the nubile kentucky vixen now he's back home and ready to engage in the kind of erotic games that have earned him and his two cousins a nauti boy reputation in three counties once it was kelly's dream too to feel the heat of the boy she desired but an attack from a stalker still on the prowl has left kelly terrified of a man's touch now as fear and desire converge rowdy fights to save her from the deadly threats of a stranger to rid

her of her demons and to satisfy a hunger more powerful than either can imagine
Jeep 2008-11-26 tom grayson returns home from a quick errand to discover that his family and guests have all mysteriously disappeared prior to this chilling discovery he has been tormented with guilt by a secret that only he and a former lover share the two have witnessed a brutal crime that tom has refused to report he knows that alerting the authorities would jeopardize all that he holds dear in life his family and career in a desperate search to find his missing family tom embarks on a journey that can only be described as nightmarish and surreal when it becomes increasingly clear that tom may lose something even more precious than his comfortable existence his priorities in life shift dramatically as he becomes an unwitting detective with a mission but will it be too late for him to set the record straight

Bad News 2011-06-15 alaska wildlife trooper will trippet partnered with his old schoolmate gordy ponset a u s fish and wildlife officer to patrol mystery creek road on alaska's kenai peninsula to check bear baiting stations while investigating tracks of an all terrain vehicle they discover a poached moose the poacher lay dead at the scene killed by a brown bear this grisly scene ignites an investigation that took a year to complete the poacher came from a family making a living taking illegal fish and game poacher's paradise gives a glimpse into duties and perils of the adventurous dangerous routine of alaska wildlife troopers included in poacher's paradise is a true account of an early alaska fish and wildlife officer al bear bait thompson written by al's wife joyce thompson who was with him during the entire ordeal it gives details of the attack and mauling as well as the dramatic and heroic 17 mile trek to the nearest road for rescue al was one of the early officers who made alaska fish and wildlife division what it is today i am pleased to

relate that my wife betty walden worked with al for many years until retiring

Daily Graphic 2013-08-03 stella patchouli an aristocrat s daughter is forced to live in perpetual exile at age 13 she runs away leaving behind her family s swiss chalet in search of life without boundaries adventures lived lessons learned she is finally set free as an american citizen in the year 2000

Popular Mechanics 2002-08 frank has been plagued by nightmares throughout his life he is 21 years old going to college and just trying to have fun with his friends it s always been a little different for him because his parents died in a plane crash when he was just a baby if that was not enough he has been able to predict various different tidbits of the future since his 13th birthday frank s nightmarish visions about the future begin to get worse as the planetary alignment of the solar system approaches unfortunately his life is about to swirl completely out of control only one woman can keep him safe in the future but he has to save her life first mandy murdock is a patrol officer of the webster police department she is very ethical and very new to the department she will soon learn that others in her department don t share her sentiment about upholding the law rex is one of frank s closest friends and has pissed off the mistress the oldest living witch in the united states she pre dates back to when the usa was just the 13 colonies of course nobody knows who she is or that she exists at all until her precious house cat foofy gets ran over by one drunken 20 year old named rex the mistress orders her powerful werewolf mr wolf to exact retribution on rex and all his friends what s even worse is that local drug manufactures wind up blaming one of rex s friends for a ton of missing marijuana they decide to employ a professional assassin from the city of new york stevie is just an average cute ten year old boy that gets picked on by neighborhood bullies he is unaware that he possesses the perfect genetic composition that could enable the survival of one of the most powerful demons xmanithon strikes a bargain with the child in a desperate attempt to survive the physical perils of the new world that he has stumbled across stevie might become more powerful than he could ever imagine but the power could come with the ultimate price

Access 2007 Bible 2010-08-13 conversations with gary beard solidified all the subjects in between cars and brown pathologies captain beard birthed latitude hook and button gwinnet hall and walton concepts from book one k brown was born right in a cubicle near johns creek georgia pathologies is her anthology johnnie edwards already wrote a book about engine oil tim chea sits in a cubicle one row over from me he is a fighter from the philippines he used to wake up 3 30 am every morning to train we talked about mixed martial arts a lot morphologies and pathologies touch on homelessness a pandemic to the usa scriptural background for homelessness and the path toward it comes from mathew 19 12 no mackenzie art in book two maybe next time for whats not included in books one and two you can still find on google i had one article named the pedestrian but i did not post it due to prior work from ray bradbury now that would have been presumptuous

Poacher's Paradise 2012-03-21 contemporary editing offers journalism students a forward looking introduction to news editing providing instruction on traditional newsroom conventions along with a focus on emerging news platforms this comprehensive text provides students with a strong understanding of everything an editor does addressing essential copy editing fundamentals such as grammar and style editorial decision making photo editing information graphics and page design and new media approaches to storytelling throughout the book focuses on how the editor s attitude a keen awareness of news values ethics and audience comes into play in all facets of news editing this new edition offers expanded coverage of web publishing and mobile media giving students solid editing skills for today s evolving media and news

forums features of the third edition editing 2 0 boxes discuss the impact of digital technology and social media on editing coverage of grammar problems and a new chapter on working with numbers provide students with a strong grasp of math and grammar which are the underpinnings for all writing and editing an emphasis on editing for brevity prepares students to write and edit clearly and briefly for print and for the web a chapter on the art of headline writing guides students through one of the editor s most important tasks and introduces the task of search engine optimization examples of ethics and legal situations show students how issues arise in even the most basic stories and how to address them online exercises present additional practice for students without needing to purchase a workbook

Torrid Zone 2013-10-15 it s 2025 tyrone o shaughnessy tierwater is eking out a bleak living in southern california managing a pop star s private menagerie holding some of the last surviving animals in the world global warming is a reality in his youth ty had been so serious about environmental issues that as an ecoterrorist committed to earth forever he had endangered the lives of both his daughter sierra and his wife andrea now when the past seems far behind him and he is just trying to survive in a world cursed by storm and drought andrea returns to his life frightening funny surreal and gripping in a friend of the earth t c boyle gives us a story that is both a modern morality tale and a provocative vision of the future

Webster's Grove 2011-08-01 a lifelong odyssey toward earthmanship his word for the process of cooperating with nature in order to achieve his goals of happiness and a healthy and sustainable earth book cover

Johnnie's Cars Beard Morphologies Brown Pathologies 2014-02-28 dr joe bryce a dedicated physician has spent the last three years in war torn africa having left his millionaire fiancée at the altar the con man continued his string of taking advantage of rich women to fund his living the high life on his yacht the dragonfly in nimrod s chapel ga he meets the hottest selling american romance author abby abelard a blindingly beautiful and wealthy woman but one paralyzed after a hit and run accident her uncle dr luke and his wife charlene a substance abuser like joe have secrets of their own a number of other mysterious characters add to the intrigue and suspenseful storyline abby s life has turned upside down friends are proving to be brutal enemies and enemies terrifying friends

Contemporary Editing 1995 from the 1 bestselling author of heat travel team and million dollar throw comes a story of every football kid s dream come true 12 year old charlie is a fantasy football guru he may be just a bench warmer for his school s football team but when it comes to knowing and loving the game he s first string he even becomes a celebrity when his podcast gets noticed by a sports radio host who plays charlie s fantasy picks for all of los angeles to hear soon charlie befriends the elderly owner of the l a bulldogs a fictional nfl team and convinces him to take a chance on an aging quarterback after that watch out it s press conferences and national fame as charlie becomes a media curiosity and source of conflict for the bulldogs general manager whose job charlie seems to have taken it s all a bit much for a kid just trying to stay on top of his grades and maintain his friendship with his verbal sparring partner anna like the best disney film in book form like moneyball for kids fantasy league is every football kid s dream scenario praise for fantasy league this moneyball story with kids is on the money booklist starred review the feel good book of the year voya readers will be alternately cheering and reaching for a tissue during the final playoff deciding game for the bulldogs this will be devoured by young football fans school library journal

A Friend of the Earth 2014-09-16 since the industrial revolution humans have transformed the earth s atmosphere committing our planet to more extreme weather rising sea levels melting polar ice caps and mass

extinction this period of observable human impact on the earth's ecosystems has been called the anthropocene age the anthropogenic climate change that has impacted the earth has also affected our literature but criticism of the contemporary novel has not adequately recognized the literary response to this level of environmental crisis ecocriticism's theories of place and planet meanwhile are troubled by a climate that is neither natural nor under human control anthropocene fictions is the first systematic examination of the hundreds of novels that have been written about anthropogenic climate change drawing on climatology the sociology and philosophy of science geography and environmental economics adam trexler argues that the novel has become an essential tool to construct meaning in an age of climate change the novel expands the reach of climate science beyond the laboratory or model turning abstract predictions into subjectively tangible experiences of place identity and culture political and economic organizations are also being transformed by their struggle for sustainability in turn the novel has been forced to adapt to new boundaries between truth and fabrication nature and economies and individual choice and larger systems of natural phenomena anthropocene fictions argues that new modes of inhabiting climate are of the utmost critical and political importance when unprecedented scientific consensus has failed to lead to action under the sign of nature explorations in ecocriticism

Earth Sweet Earth: My Life Inside Nature 2011-11-09 showcases articles written by a variety of journalists judged as finalists or winners in a contest sponsored by the american society of magazine editors and addresses topics ranging from reporting to feature writing

Dragonfly 2015-04-20 the alligator gar belongs to a family of fish that has remained fundamentally unchanged since the cretaceous over 100 million years ago its intimidating size and plethora of teeth have made it demonized throughout its range in north america resulting in needless killing massive oil spills in its breeding range have not helped its population either interspersing science folklore history and action packed fishing narratives spitzer's empathy for and fascination with this air breathing armored fish provides for an entertaining odyssey that examines management efforts to preserve and propagate the alligator gar in the united states spitzer also travels to central america thailand and mexico to assess the global gar situation he reflects on what is and isn't working in compromised environments then makes a case for conservation based on personal experience and a love for wildness for its own sake this colorful portrait of the alligator gar can serve as a metaphor and measurement for the future of our biodiversity during a time of planetary crisis

Fantasy League 2006 for readers of linda lael miller and susan mallery comes new york times bestselling author joan johnston's sizzling contemporary western romance where power money and rivalries rule and love is the best revenge while he seeks a haven she searches for a place to call home after a tragic accident leaves delta sergeant connor flynn a widower he faces the toughest fight of his life battling his in laws for custody of his two young children to win he'll need a make believe bride to take care of the kids while he runs his wyoming ranch who better than a woman he already knows and likes his late wife's best friend ruthlessly forced from her home by her powerful father king grayhawk eve needs somewhere to go and so does the herd of wild mustangs she's rescued connor's offer sounds like the answer to a prayer but eve has a guilty secret she's guarded for years she's always been in love with connor now forced to live under the same roof as her heart's desire eve must hide the love that has never died while connor vows to resist his growing need for a woman who was forbidden fruit during his marriage can two lonely people set adrift by fate and haunted by guilt find redemption in the healing embrace of love praise for sinful romance steams

up in this strong contemporary trilogy opener joan johnston s effortless storytelling propels the novel forward with plenty of emotional struggle and sizzling sex publishers weekly smart sexy and satisfying a tense sensual and conflicted love story set against an epic family drama kirkus reviews johnston does a wonderful job of tugging on some emotional heartstrings while simultaneously developing a fiery passion connor and eve are lovable characters who fight hard for their happily ever after rt book reviews johnston captivates with sinful there are plenty of subplots family dysfunction the feud rescue horses a ranch for vets single parenthood i could go on and on but the emotion rules them all contemporary western at its best bodice rippers femme fatales and fantasy the passionate westerns in joan johnston s bitter creek series can be enjoyed together or separately in any order texas bride wyoming bride montana bride sinful shameless blackthorne s bride sullivan s promise

The Lucky Boy 2015-03-15 fisherman mark spitzer takes readers on an action packed investigation of the most fierce and fearsome freshwater grotesques of the american west ever to inspire both hatred and fascination through the lenses of history folklore biology ecology and politics beautifully grotesque fish of the american west depicts the environmental destruction plaguing the most maligned creatures in our midst while subtly interweaving spitzer s experiences of personal tragedy and self discovery join spitzer as he noodles for flathead catfish in oklahoma snags paddlefish in missouri trotline and electro fishes american eels in arkansas studies razorback suckers in arizona bounty hunts for pikeminnows in washington state attends a burbot festival in utah stirs up asian carp in kansas and breaks the state record for the largest yellow bullhead ever caught in nebraska by examining freakish links in a vital chain and working with specialists in the field spitzer portrays a planet in environmental crisis and dispels the illusion that our actions don t result in long term toxic consequences spitzer offers models for fisheries and provides other sources of hope in this informative epic of redemption that ultimately celebrates the wild and resilient beauty and remaining possibilities of the american west watch a book trailer visit the where in the west is mark spitzer blog series for additional reading and a look at more photographs not included in the book
