2018-08-23 note for ebook customers the design and layout of this book

play a key role in conveying the author s message when creating the

ebooks we ve tried to keep the look and feel of the print edition but

this means that not all e reading devices will support the files the

epub format is optimized for ipad the mobi files are optimized for

kindle fire tablets and phones and for kindle reading apps imagine you

re in a game with one objective a bestselling product or service the

rules no marketing budget no pr stunts and it must be sustainably

successful no short term fads this is not a game of chance it is a game of

skill and strategy and it begins with a single question given

competing products of equal pricing promotion and perceived quality

why does one outsell the others the answer doesn t live in the

sustainably successful products or services the answer lives in those

who use them our goal is to craft a strategy for creating successful

users and that strategy is full of surprising counter intuitive and

astonishingly simple techniques that don t depend on a massive

marketing or development budget techniques typically overlooked by even the most well funded well staffed product teams every role is a key player in this game product development engineering marketing user experience support everyone on the team even if that team is a start up of one armed with a surprisingly overlooked science and a unique pov we can reduce the role of luck we can build sustainably successful products and services that rely not on unethical persuasive marketing tricks but on helping our users have deeper richer experiences not just in the moments while they re using our product but more importantly in the moments when they aren t
