1968

a history of the literature of the u s south provides scholars with a dynamic and heterogeneous examination of southern writing from john smith to natasha trethewey eschewing a master narrative limited to predictable authors and titles the anthology adopts a variegated approach that emphasizes the cultural and political tensions crucial to the making of this regional literature certain chapters focus on major white writers e g thomas jefferson william faulkner the agrarians cormac mccarthy but a substantial portion of the work foregrounds the achievements of african american writers like frederick douglass zora neale hurston and sarah wright to address the multiracial and transnational dimensions of this literary formation theoretically informed and historically aware the volume s contributors collectively demonstrate how southern literature constitutes an aesthetic cultural and political field that richly repays examination from a variety of critical perspectives

## ***West Coast Gasoline Prices***

2003

in 1973 henry kissinger shared the nobel peace prize for the secret negotiations that led to the agreement on ending the war and restoring peace in vietnam nixon famously declared the 1973 agreement to be peace with honor america was disengaging yet south vietnam still stood to fight its own war kissinger promptly moved to seal up his personal records of the negotiations arguing that they are private not government records and that he will only allow them to be unsealed after his death no peace no honor deploys extraordinary documentary bombshells including a complete north vietnamese account of the secret talks to blow the lid off the true story of the peace process neither nixon and kissinger's critics nor their defenders have guessed at the full truth the entire peace negotiation was a sham nixon did not plan to exit vietnam but he knew that in order to continue bombing without a congressional cutoff he would need a fig leaf kissinger negotiated a deal that he and nixon expected the north to violate ironically their long maintained spin on what happened next is partially true only watergate stopped america from sending the bombers back in this revelatory book has many other surprises berman produces new evidence that finally proves a long suspected connection between candidate

nixon in 1968 and the south vietnamese government he tells the full story of operation duck hook a large scale offensive planned by nixon as early as 1969 that would have widened the war even to the point of bombing civilian food supplies he reveals transcripts of candidate george mcgovern s attempts to negotiate his own october surprise for 1972 and a seriocomic plan by the cia to overthrow south vietnam s president thieu even as late as 1975 throughout with page turning dialogue provided by official transcriptions and notes berman reveals the step by step betrayal of south vietnam that started with a short circuited negotiations loop and ended with double talk false promises and outright abandonment berman draws on hundreds of declassified documents including the notes of kissinger s aides phone taps of the nixon campaign in 1968 and mcgovern s own transcripts of his negotiations with north vietnam he has been able to double and triple check north vietnamese accounts against american notes of meetings as well as previously released bits of the record he has interviewed many key players including high level south vietnamese officials this definitive account forever and completely rewrites the final chapter of the vietnam war henry kissinger s nobel prize was won at the cost of america s honor

2002

why cook at home when you can order in only 50 years ago pure methamphetamine was legally prescribed in new zealand to anyone looking for a boost but it wasn t long before p was rebranded as the most dangerous and destructive drug in the world and new zealanders cemented as among its biggest users with dry wit and biting insight journalist benedict collins takes us inside the evolution of meth in new zealand from ram raids for pseudoephedrine to our own cooks and gangs breaking bad a visit to the golden triangle of meth production in south east asia multimillion dollar busts and a moral panic that seeded a meth testing scandal all set

the stage for unthinkable crimes and drug fuelled mania but also serviced a hidden world of white collar users and cemented new zealand s reputation as among the biggest meth consumers in the world how did tough on crime become dumb on drugs and what does a solution to pure addiction look like a terrific gripping read that challenges us to think differently about one of new zealand s biggest problems jarrod gilbert bestselling author of patched the history of gangs in new zealand engrossing and written with flair benedict collins tells the story of how demonising drugs and drug users causes more harm than good the upside is there is a better way professor michael baker co author of minimising the harms from methamphetamine nz drug foundation helen clark foundation

how the immigration policies and popular culture of the 1980 s fused to shape modern views on democracy in the 1980s amid increasing immigration from latin america the caribbean and asia the circle of who was considered american seemed to broaden reflecting the democratic gains made by racial minorities and women although this expanded circle was increasingly visible in the daily lives of americans through tv shows films and popular news media these gains were circumscribed by the discourse that certain immigrants for instance single and working mothers were feared censured or welcomed exclusively as laborers in the cultural politics of u s

immigration Leah Perry argues that 1980s immigration discourse in law and popular media was a crucial ingredient in the cohesion of the neoliberal idea of democracy blending critical legal analysis with a feminist media studies methodology over a range of sources including legal documents congressional debates and popular media such as *Golden Girls* who's the boss *Scarface* and *Mi Vida Loca* Perry shows how even while multicultural immigrants were embraced they were at the same time disciplined through gendered discourses of respectability examining the relationship between law and culture this book weaves questions of legal status and gender into existing discussions about race and ethnicity to revise our understanding of both neoliberalism and immigration

Volume of the United States Tax Court Reports containing case abstracts and opinions of the court regarding cases between July 1 2013 December 31 2013 cases in each volume are listed in the prefatory table the United States Tax Court is a federal trial court of record established by Congress under Article I of the U.S. Constitution section 8 providing in part that Congress has the power to constitute tribunals inferior to the Supreme Court the Tax Court specializes in adjudicating disputes over federal income tax generally prior to the time at which formal tax assessments are made by the Internal Revenue Service though taxpayers may choose to litigate tax matters in a variety of legal settings outside of bankruptcy the Tax Court is the only forum in which taxpayers may do so without having first paid the disputed tax in full parties who contest the imposition of a tax may also bring an action in any United States district court or in the United States Court of Federal Claims however these venues require

that the tax be paid first and that the party then file a lawsuit to recover the contested amount paid the full payment rule contents 8 findings of fact 8 background 8 john hancock s history9 investment process and review10 leasing10 lilo and silo transactions 10 basic structure 15 history 17 due diligence 18 the hoosier transaction 19 the lilo test transactions 20 obb lilo20 lease and sublease23 end of sublease term25 sncb 2 and sncb 5 lot 1 lilo transactions25 lease and sublease28 end of sublease term 28 the silo test transactions 29 tiwag29 lease and sublease33 end of sublease term35 two dortmund transactions35 lease and sublease38 end of sublease39 sncb silo39 grant and subgrant42 end of subgrant term 43 tax returns notices of deficiency and trial 43 procedural history48 trial 53 opinion 53 burden of proof53 principal place of business54 leveraged lease transactions54 frank lyon58 lilo and silo litigation 77 the test transactions 78 economic substance79 objective inquiry88 subjective inquiry89 substance over form91 obb and sncb lilo transactions110 silo test transactions 145 interest deductions 147 original issue discount 149 transaction expenses 149 conclusion note no further discounts for already reduced sale items keywords tax court reports reports of the united states tax court u s tax court reports united states tax court reports united states tax court u s tax court tax court
