#### bobcat 763 fuel shut off solenoid problem

#### skidsteer forum

Dec 05 2022

there are a few different possibilities for your problem here 1 the pull coil is defective 2 the pull timer is defective 3 there is a break somewhere in the pull circuit wiring any of these can be diagnosed with a multi meter by probing the connector to the fuel shut off solenoid

### is there any tire repair that works skidsteer forum

Nov 04 2022

you can try to repair it but it will only cause you a continually leaking tire or flat tires you need to air up before every use tubes to fix tires are in my opinon useless these machines are called skid steers for a reason and eventually the tube spins inside your tire ripping the valve stem with it
