Moschella and Hurley's Dermatology 1989

with over 500 million users worldwide microsoft s powerpoint software has become the ubiquitous tool for nearly all forms of public presentation in schools government agencies the military and of course offices everywhere in this revealing and powerfully argued book author franck frommer shows us that powerpoint s celebrated ease and efficiency actually mask a profoundly disturbing but little understood transformation in human communication using fascinating examples including the most famous powerpoint presentation of all colin powell s indictment of iraq before the united nations frommer systematically deconstructs the slides bulleted lists and flashy graphics we all now take for granted he shows how powerpoint has promoted a new slippery grammar where faulty causality sloppy logic decontextualized data and seductive showmanship have replaced the traditional tools of persuasion and argument how powerpoint makes you stupid includes a fascinating mini history of powerpoint s emergence as well as a sobering and surprising account of its reach into the most unsuspecting nooks of work life and education for anyone concerned with the corruption of language the dumbing down of society or the unchecked expansion of efficiency in our culture here is a book that will become a rallying cry for turning the tide

Technologies for reducing dioxin in the manufacture of bleached wood pulp. 2024-01-02

we all know the feeling of attending a lack lustre dreary and formulaic presentation where dense lumps of text are read verbatim from the screen it is beyond tedious and it is unsurprising that the phrase death by powerpoint has entered the language but it need not be that way with a little time and effort you can add power to your presentations and do so simply the powerpoint detox is a straightforward practical guide that will help you to prepare and use slides that will fit with your message and support it add power to your presenting style enhance your presentation with a visual element in a way that makes explanation easier and clearer be more likely to be understood make your message memorable and assist retention it is designed to appeal to anyone who needs to use powerpoint new presenters and those with some experience those who have had some training or read a book or two and those who have not with sample slides and plenty of examples reproduced in powerpoint style the powerpoint detox is a clear how to book that will help you to add explanatory power style and professionalism to your presentations

Learning Chemistry 6 Solution Book (Year 2023-24) 2023-05-20

think about the most powerful speech you've ever heard a leader give what made that speech and that speaker memorable was likely a mix of authenticity stage presence masterful delivery and above all an inspirational message nobody ever walked out of a great speech saying i loved the way she used powerpoint yet all too often speakers rely on tools like it to carry them through a presentation real leaders speak to make a difference to promote a vision to change the way people think and feel and act their ability to lead goes hand in hand with their ability to get their message across no matter what size audience they're addressing drawing on his years of experience in coaching executives christopher witt shows not just how to make a speech but why and when you should make one his practical advice on how to take your game to the next level includes you are the message who you are your character experience values shapes the message your listeners hear content is king delivery is important but it is only the helpful or unhelpful servant of your message so build each speech around one and only one big idea a confused mind always says no when you want your listeners to say yes you've got to make them understand what you want them to do and why they should care dare to do the unexpected leaders know the rules and they know when why and how to break them in chapters that can be read in five minutes or less and in a book that can be gone through in one sitting witt shows you how to become more confident more commanding more compelling speakers but this isn't just a book about speaking it's about leadership and about how people ceos and pta presidents small business owners and sales reps middle managers and techno geeks can present themselves and their ideas with greater impact
