national book award winner national bestseller the first volume in the border trilogy from the bestselling author of the passenger and the pulitzer prize winning novel the road all the pretty horses is the tale of john grady cole who at sixteen finds himself at the end of a long line of texas ranchers cut off from the only life he has ever imagined for himself with two companions he sets off for mexico on a sometimes idyllic sometimes comic journey to a place where dreams are paid for in blood look for cormac mccarthy s latest novels the passenger and stella maris

All the Pretty Horses

2010-08-11

cut off from the life of ranching he has come to love by his grandfather s death john grady cole flees to mexico where he and his two companions embark on a rugged and cruelly idyllic adventure

All the Pretty Horses

1993-06-29

the horses in all the pretty horses are ubiquitous but rarely the center of attention their depiction is surprisingly authentic and without anthropomorphization this book illustrates how an equicentric reading offers new insights into the novel s spaces characters and relationships it features comparisons with popular horse narratives and an equicentric analysis of the novel s gender relations how does horsemanship redefine masculinity what is the inherent connection between femininity and the equine this book answers these questions from an equicentric perspective while taking into account patterns of anthropocentrism and misogyny in addition the focus is on the narratees and on how the degree of equine experience they bring to the narrative may enhance the horses figurative significance
