getting in from the ground floor to the attic the incredible growth of the real estate market over the past few years has more and more people looking to change jobs and get in on the action fully revised and updated and written by a highly regarded real estate broker author and lawyer this book covers everything from whether or not real estate sales is the right career move to how to master the skills necessary to be successful includes a consideration of the pros and cons of a career in real estate sales as well as hints for taking the exam and getting licensed updated information on websites technology and newly popular discounted fee structure provides easy to follow customizable business metrics you re no idiot of course you know you can t throw a corporate function together overnight especially if you want to impress clients shareholders and upper management whether you re prepared to tackle the task yourself or you re considering hiring a professional you want your event to be a stellar occasion to remember the complete idiot s guide to meeting and event planning second edition will show you how to organize any company gathering on time and on budget whether you re hosting 10 or 10 000 in this revised and updated complete idiot s guide you get up to date information on planning and budgeting software phone and data lines audio and video and satellite bookings expanded coverage on international conferences via remote abroad or by international components ideas for smoothly dealing with last minute glitches and crises about the book 2020 has been a year shaped up by coronavirus covid 19 this pandemic has resulted in widespread economic uncertainty and disruption of businesses across the world there have been far reaching implications on financial reporting and this may continue for next couple of years these circumstances potentially present entities with several challenges when preparing their financial statements for year ended 31 march 2021 and subsequent financial results this book covers some of the key financial reporting implications that companies need to consider and also possible approaches that they may consider to dealing with the same keeping in view the business objectives financial covenants and the accounting standards key consideration under covid 19 for financial reporting consist of asset impairment inventory valuations and write downs revenue recognition debt covenants and debt servicing lease rental concessions foreign exchange accounting and losses gains due to extreme volatility litigation resulting from contractual defaults invocation of force majeure clauses and potential exposure insurance claims for losses during shutdown period or loss of lives and going concern the companies shall ensure that they provide sufficient disclosures in the notes to the financial statements with information about the entity that s useful to existing and potential investors creditors lenders and other stakeholders this book highlights the existing financial reporting requirements under companies indian accounting standards rules 2015 and companies accounting standards rules 2006 that should be considered when addressing the financial effects of covid 19 when preparing annual financial statements and possible audit approaches that can be considered relevant the role of auditors at this stage would be under increased scrutiny as the auditors have responsibility to complete the audit work in accordance with professional standards and ethics requirements under the current circumstances auditors must recognize that the manner in which they conducted the audits in the past may need significant modification to address the challenges and uncertainties arising out of the impact of covid 19 additionally irrespective of the challenges and uncertainties there should not be any dilution in the reporting or non compliance with the auditing standards in carrying out the audits this book is an attempt to cover the requirements of the accounting standards and auditing standards with illustrative examples and covid 19 related extracts from published financial statements of companies the readers would find this book very useful key features covering key accounting impact with real life examples and illustrations under ind as and as due to covid 19 key covid 19 considerations under auditing standards with real life examples of kam eom qualifications in audit reports real life practical examples and extracts from companies financial statements results simple and concise summaries of accounting and auditing literature acsm s complete guide to fitness health second edition offers the most current exercise and nutrition guidelines along with assessments exercises activities and
