build a better brew by mastering 10 manual methods from french press to chemex with this comprehensive guide imbibe magazine named a top food drink book of 2017 by food network wired sprudge and booklist this comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home unlike other coffee books this one focuses exclusively on coffee not espresso and explores multiple pour over immersion and cold brew techniques on 10 different devices thanks to a small but growing number of dedicated farmers importers roasters and baristas coffee quality is at an all time high but for nonprofessionals achieving café quality at home can seem out of reach with dozens of equipment options conflicting information on how to use that equipment and an industry language that at times doesn't seem made for the rest of us it can be difficult to know where to begin craft coffee a manual written by a coffee enthusiast for coffee enthusiasts provides all the information readers need to discover what they like in a cup of specialty coffee and how to replicate the perfect cup day after day from the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags craft coffee focuses on the issues cost time taste and accessibility that home coffee brewers negotiate and shows that no matter where you are in your coffee journey you can make a great cup at home engaging and fun i really can't recommend craft coffee a manual enough if you're even mildly curious about brewing coffee at home it's absolutely worth a read buzzfeed bea's of bloomsbury has been offering mouth watering teatime treats in the heart of london since 2008 every day the layer cakes meringues and tiers of cupcakes in the shop window
