RIDERS CLUB 1981 No.42 2020-11-20

james taylor remembers very well the disappointment among his petrol head friends when the xj s was announced in 1975 it was not a replacement for the legendary e type its colours were uninspired and its interior was drab all credit then to those people at jaguar who truly believed in the car and over a period of nearly 20 years turned the ugly duckling into a swan from the moment the xj s he arrived in 1981 there seemed to be renewed hope and from then on the car went from strength to strength to become the much admired grand tourer it always should have been the book contains a timeline of the key events in the history of the xj s and an overview of the evolution of the xj s from the xj27 prototype packed with details it gives uk showroom prices through the year and sales in the us by year of great interest to all motoring and jaguar enthusiasts it is superbly illustrated with 192 colour and black white photos james taylor has been writing professionally about road transport since the late 1970s his primary interest is in those models that made the british motor industry great

BiCYCLE CLUB 2016 No.377 2020-06-23

the jaguar e type was the outstanding british sports car of the post war years introduced in 1961 it was jaguar s most numerically successful sports car until production ceased in 1974 contents include complete history of the e type in all its forms special feature panels throughout information on buying and maintaining an e type and full specifications and road tests illustrated with specially commissioned colour and black white photographs
