Licensing Guide for Developing Countries (Japanese version) 2015-03-09

this guide identifies the legal questions which typically arise in the negotiation and preparation of such licenses and agreements points out alternative approaches to those questions draws special attention to those features which may be detrimental to the interests of institutions and enterprises in developing countries and suggests the solutions which are most likely to serve their interests

Augustine: A Guide for the Perplexed 2010-04-09

this is a student s guide to the life and work of augustine a notoriously challenging thinker widely read in philosophy and christian theology the book provides a concise and coherent overview of augustine introducing all the key concepts and themes and is ideal for undergraduates who require more than just a simple introduction to his work and thought

The Trinity: A Guide for the Perplexed 2008-10-19

although the doctrine of the trinity is a core christian belief it remains contested in terms of how it is conceptualized and expressed this essential guide expounds different conceptual models and the technical language used to express these models providing a complete overview as well as new insights into the area the trinity a guide for the perplexed is an essential read for students of christian theology

T. S. Eliot: A Guide for the Perplexed 2009-06-25

t s eliot is one of the most celebrated twentieth century poets and one whose work is practically synonymous with perplexity eliot is perceived

as extremely challenging due to the multi lingual references and fragmentation we find in his poetry and his recurring literary allusions to writers including dante shakespeare marvell baudelaire and conrad there is an additional difficulty for today s readers that eliot probably didn t envisage the widespread unfamiliarity with the christianity that his work is steeped in steve ellis introduces eliot s work by using his extensive prose writings to illuminate the poetry as a major critic as well as poet eliot was highly conscious of the challenges his poetry set of its relation to and difference from the work of previous poets and of the ways in which the activity of reading was problematized by his work

Political Theology: A Guide for the Perplexed 2012-06-07

there is an increasingly intense interest in political theology amongst contemporary scholars and students yet while there are many authors engaging in political theology there are very few resources about political theology which aim to orient students and other recent new comers to the field this is a concise and accessible advanced introduction which distinguishes various approaches to political theology and which explores several of the central issues addressed in political theologies theological students will be able to approach courses and readings in political theology with a renewed confidence with this overview in hand
