(Read Only)

the disintegration of pakistan and the emergence of bangladesh in 1971 is the story of the pakistan army generals misconception about their role as guardians of national interests and the dubious role played by the two leading politicians of the day zulfikar ali bhutto and mujibur rahman this book examines the rise of religious extremism in pakistan particularly since 1947 and analyzes its connections to the pakistani army's corporate interests and u s pakistan relations it includes profiles of leading pakistani militant groups with details of their origins development and capabilities the author begins with an historical overview of the introduction of islam to the indian sub continent in 712 ad and brings the story up to the present by describing president musharraf's handling of the war on terror he provides a detailed account of the political developments in pakistan since 1947 with a focus on the influence of religious and military forces he also discusses regional politics pakistan's attempt to gain nuclear power status and u s pakistan relations and offers predictions for pakistan's domestic and regional prospects pakistan between mosque and military provides unprecedented insight into the fascinating political history of this alliance its origins and explores pakistan's quest for identity and security in this provocative history carnegie scholar husain haqqani reveals the depth of links between the pakistani military and islamists while detailing the risks of this unholy alliance for the united states tracing how the military has sought u s support by making itself useful for concerns of the moment while continuing to strengthen the mosque military alliance within pakistan the book offers an alternative view of political developments in pakistan since independence in 1947 this book explores the ideological rivalry which is fuelling political instability in muslim polities discussing this in relation to pakistan it argues that the principal

dilemma for muslim polities is how to reconcile modernity and tradition it discusses existing scholarship on the subject outlines how muslim political thought and political culture have developed over time and then relates all this to pakistan s political evolution present political culture and growing instability the book concludes that traditionalist and secularist approaches to reconciling modernity and tradition have not succeeded and have in fact led to instability and that a revivalist approach is more likely to be successful table of contents this volume addresses the idea of origins how things are formed and how they relate to their present and future in terms of constitution making which is a continuous process in south asian states it examines the drafting nature core values and roles of the first modern constitutions during the founding of the eight modern nation states in south asia the book looks at the constitutions of afghanistan bangladesh bhutan india maldives nepal pakistan and sri lanka it provides an explanatory description of the process and substantive inputs in the making of the first constitutions of these nations it sets out to analyse the internal and external including intra regional forces surrounding the making of these constitutions and it sets out theoretical constructions of models to conceptualise the nature and role of the first constitutions including constituent documents in the founding of the modern nation states and their subsequent impact on state building in the region this book studies the wars pakistan has fought over the years with india as well as other non state actors focusing on the first kashmir war 1947 48 the wars of 1965 and 1971 and the 1999 kargil war it analyses the elite decision making which leads to these conflicts and tries to understand how pakistan got involved in the first place the author applies the gambling model to provide insights into the dysfunctional world view risk taking behaviour and other behavioural patterns of the decision makers which precipitate these wars and highlight their effects on india pakistan relations for the future the book also brings to the fore the experience of widows children common soldiers displaced civilians and villagers living near borders in the form of interviews to understand the subaltern perspective a nuanced and accessible military history of pakistan this book will be indispensable to scholars and researchers of military history defence and strategic studies international relations political studies war and conflict studies and south asian

studies the american journal of islamic social sciences ajiss established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the international institute of islamic thought iiit and distributed worldwide the journal showcases a wide variety of scholarly research on all facets of islam and the muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional islam for over 40 years the united states has vacillated between interventionism and withdrawal while struggling to formulate a coherent policy toward south asia the author has written an analysis of how washington determines its south asia policy situating case studies of us policy in four major south asian crises in the broader context of washington the book attempts to study the congress forum for socialist action as a pressure group within the congress party between mid 1962 and early 1973 it has also touched upon the revival of the cfsa in 1977 and 1987 explaining how non implementation of party policies and programmes authoritative attitude of the party elite towards the rank and file and the emergence of ideological differences among them led to the formation of the pressure group the structure process and functions of the pressure group have also been analysed the forum reiterated its faith in defining the concept of socialism its basic objective being to emphasize the establishment of socialistic society in the country the forum achieved a good success as far as controlling monopolistic tendencies and expansion of public enterprise were concerned this research undertaken from a comparative perspective with a view to identifying any patterns followed by islamic countries in making declarations and reservations to the main international human rights treaties measures and analyzes to what extent sharia affects the ratification and implementation of human rights norms by muslim states an analysis of the various roles of sharia reveals different approaches in the use of islamic considerations by muslim states at an international level sharia has always been used upon the ratification of international human rights treaties to limit the scope of the state s engagement internally however some recent examples of legislative amendments and judicial activities demonstrate that sharia is and can be used to achieve a better translation of human rights norms into domestic practice constitutionalism in islamic countries between upheaval and continuity

examines the question of whether something similar to an islamic constitutionalism has emerged out of the political and constitutional upheaval witnessed in many parts of north africa the middle east and central and southern asia in order to identify its defining features and to assess the challenges that islamic constitutionalism poses to established concepts of constitutionalism this book offers an integrated analysis of the complex frameworks in islamic countries drawing on the methods and insights of comparative constitutional law islamic law international law and legal history european and north american experiences are used as points of reference against which the peculiar challenges and the specific answers given to those challenges in the countries surveyed can be assessed the book also examines ways in which the key concepts of constitutionalism including fundamental rights separation of powers democracy and rule of law may be adapted to an islamic context thus providing valuable new insights on the prospects for a genuine renaissance of constitutionalism in the islamic world in the wake of the arab spring an enquiry into the causes of the bangladesh war china s quest the result of over a decade of research writing and analysis is both sweeping in breadth and encyclopedic in detail also available in paperback please see page 00 for a full description founding moments are landmark events that break ties with the ancien régime and lay the foundation for the establishment of a new constitutional order they are often radically disruptive episodes in the life of a state they reshape national law reset political relationships establish future power structures and influence happenings in neighbouring countries this edited collection brings together leading and emerging scholars to theorise the phenomenon of a founding moment what is a founding moment when does the founding process begin and when does it end is a founding moment possible without yielding a new constitution can a founding moment lead to a partial or incomplete transformation and should the state be guided by the intentions of those who orchestrated these momentous breaks from the past drawing from constitutions around the world the authors ask these and other fundamental questions about making and remaking constitutions crawford explains the political dynamics of pivotal deterrence and the conditions under which it is likely to succeed while examining some of its most impressive feats and failures german chancellor otto von bismarck s agile

approach to the 1870s eastern crisis which prevented war between russia and austria hungary is contrasted with britain's ambiguous and ill fated maneuvers to deter germany and france in july 1914 shifting to the 1960s cold war crawford explores the successes and setbacks in u s efforts to prevent nato allies greece and turkey from fighting over cyprus and to defuse the kashmir conflict between india and pakistan book jacket examines the safety of democracy in israel and reveals the inner workings of israel's political process a selection of essays about the constitutional crises throughout the commonwealth since the second world war from australia ceylon pakistan nigeria fiji india grenada malaysia and canada which examines in particular the role and involvement of the governor general provides an up to date overview of the course of pakistan's foreign policy there is growing interest in pakistan due to the instability in the region jihadism is a hot topic moral constraints on war offers a principle by principle presentation of the transcultural roots of the ethics of war in an age defined by the increasingly international nature of military intervention parts one and two trace the evolution of just war theory analyzing the principles of jus ad bellum and jus in bello the principles that determine under what conditions a war may be started and then conducted each chapter provides the historical background of the principle under discussion an explanation of the principle and numerous historical examples of its application in part three case studies apply the theories discussed to the gulf war the 1994 russian intervention in chechnya nato's humanitarian mission in kosovo and the u s military's actions in afghanistan in the wake of the world trade center attacks bringing together an international coterie of philosophers and political scientists this accessible and practical guide offers students of military ethics international law and social conflict rich up to the minute insight into the pluralistic character of just war theory the war of 1971 that created bangladesh was the most significant geopolitical event in the indian subcontinent since partition in 1947 it tilted the balance of power between india and pakistan steeply in favor of india srinath raghavan contends that the crisis and its cast of characters can be understood only in a wider international context ever since the two ancient nations of india and china established modern states in the mid 20th century they have been locked in a complex rivalry ranging across the south asian

region garver offers a scrupulous examination of the two countries actions and policy decisions over the past fifty years he has interviewed many of the key figures who have shaped their diplomatic history and has combed through the public and private statements made by officials as well as the extensive record of government documents and media reports he presents a thorough and compelling account of the rivalry between these powerful neighbors and its influence on the region and the larger world this book is the first comprehensive study of pakistan s inter services intelligence directorate isi the rise of pakistan backed religious extremist groups in afghanistan india and central asia has focused international attention on pakistan s premier intelligence organization and covert action advocate the inter services intelligence directorate or isi while isi is regarded as one of the most powerful government agencies in pakistan today surprisingly little has been written about it from an academic perspective this book addresses critical gaps in our understanding of this agency including its domestic security mission covert backing of the afghan taliban and its links to al qa ida using primary source materials including declassified intelligence and diplomatic reporting press reports and memoirs this book explores how isi was transformed from a small negligible counter intelligence outfit of the late 1940s into the national security behemoth of today with extensive responsibilities in domestic security political interference and covert action this study concludes that reforming or even eliminating isi will be fundamental if pakistan is to successfully transition from an army run national security state to a stable democratic society that enjoys peaceful relations with its neighbours this book will be of interest to students of intelligence studies south asian politics foreign policy and international security in general this pioneering book now thoroughly updated to incorporate important research explains the causes of war through a sustained combination of theoretical insights and detailed case studies cashman and robinson find that while all wars have multiple causes certain factors typically combine in identifiable dangerous patterns through their examination of world war i world war ii in the pacific the six day war the indo pakistani war of 1971 the iran iraq war and the us invasion of iraq the authors lay out the complex multilevel processes by which disputes between countries erupt into bloody conflicts ideal for a range of courses in international

relations at both the undergraduate and graduate levels this focused text clearly explains theory and applies it to concrete case study examples in a way that allows students to fully understand the origins of war this book the first historical sociology of its kind concerning bangladesh examines the country s what went wrong syndrome during the first fifty years of its existence 1971 2021 the work is an exception to the traditional studies on modern and contemporary bangladesh the study is also a post history of united pakistan busting several myths it sheds light on many known and unknown facts about the history politics society and culture of the country besides being a twice born country liberated twice from the british in 1947 and from west pakistanis in 1971 it is also an artificial entity suffering from acute crises of culture development governance and identity hashmi attributes the culture and identity crises to the demographic byproducts of bad governance in addition to being overpopulated bangladesh is also resource poor and has one of the most unskilled populations largely lumpen elements and peasants according to marx these people represent the unchanging remnants of the past the second round of independence empowered these lumpen classes who suffer from an identity crisis and never learn the art of governance the proliferation of pseudo history about liberation has further divided the polity between the two warring tribes who only glorify their respective idols mujib and zia pre political and pre capitalist peasants lumpen elements lack of mutual trust and respect have further plagued bangladesh turning it into one of the least governable corrupt and inefficient countries it is essential to replace the pre capitalist order of the country run by multiple lumpen classes with capitalist and inclusive institutions this book provides a detailed examination of the compound crisis between india and pakistan that brought the region to the brink of a nuclear war in 1990 placing the crisis in the context of concurrent international events such as the fall of the soviet union the authors draw out the lesson for present day south asian affairs the book also makes a significant contribution to the debates on the role of nuclear weapons confidence and security building strategies and the place of ethnicity in contemporary international relations
