Statistics 2019-08-02 this guide reads the gospel of mark as a 1st century ce story about jesus  
for his followers and against tyranny or the abusive use of power first the book shows students  
how the gospel uses the form of a traditional laudatory biography a life to reshape the memory of  
the shame ridden trials and suffering of jesus such a biography portrayed jesus descent as a son  
of god his deeds and his heroic death dispelling any notion that the teacher jesus was a  
charlatan or huckster second smith demonstrates how the gospel devotes a great deal of space to  
jesus training of his disciples as he calls commissions and corrects them in preparation for the  
difficult moments of their journey third smith highlights the gospel s special characterizations  
of jesus as a prophetic envoy a man of authority and a philosophical hero contrasting jesus use  
of power with the abusive use of power by rome s representatives herod antipas and pilate
