emancipation and its stormy aftermath the supposed absence of race relations in whitman s post war texts has recently become a source of curiosity and denunciation however from 1865 to 1876 the congressional workshop was seeking to forge interracial civil rights legislation through surveillance of the implementation of such egalitarianism as manifested in the civil war amendments the enforcement acts of 1870 71 and the civil rights act of 1875 the analysis of the hegemonic shift in whitman s implementation of his democratic poetics constitutes the innovative contribution in these pages by welcoming ex slaves into the union as well as ex rebel states whitman s reconstruction texts enlisted his representations in the federalizing rhetoric of civil rights protection that would lapse for almost a century before recovery in the second reconstruction of the 1950s and 1960s be prepared for exam day with barron s trusted content from ap experts barron s ap french language and
