independent schools council s associations hmc gsa the society of heads iaps isa and cobis

**Forward with Classics** 2018-08-09 despite their removal from england s national curriculum in 1988 and claims of elitism latin and greek are increasingly re entering the mainstream educational arena since 2012 there have been more students in state maintained schools in england studying classical subjects than in independent schools and the number of schools offering classics continues to rise in the state maintained sector the teaching and learning of latin and greek is not however confined to the classroom community based learning for adults and children is facilitated in newly established regional classics hubs in evenings and at weekends in universities as part of outreach and even in parks and in prisons this book investigates the motivations of teachers and learners behind the rise of classics in the classroom and in communities and explores ways in which knowledge of classical languages is considered valuable for diverse learners in the 21st century the role of classical languages within the english educational policy landscape is examined as new possibilities exist for introducing latin and greek into school curricula the state of classics education internationally is also investigated with case studies presenting the status quo in policy and practice from australasia north america the rest of europe and worldwide the priorities for the future of classics education in these diverse locations are compared and contrasted by the editors who conjecture what strategies are conducive to success

**Teaching Latin: Contexts, Theories, Practices** 2022-03-10 building on and updating some of the issues addressed in starting to teach latin steven hunt provides a guide for novice and more experienced teachers of latin in schools and colleges who work with adapted and original latin prose texts from beginners to advanced levels it draws extensively on up to date theories of second language development and on multiple examples of the practices of real teachers and students hunt starts with a detailed look at deductive inductive and active teaching methods which support teachers in making the best choices for their students needs and for their own personal preferences but goes on to organise the book around the principles of listening reading speaking and writing latin it is designed to be informative experimental and occasionally provocative the book closes with two chapters of particular contemporary interest access diversity and inclusion investigates how the subject community is meeting the challenge of teaching latin more equitably in today s schools and the future offers some thoughts on lessons that have been learnt from the experiences of online teaching practices during the covid 19 lockdowns practical examples extensive references and a companion website at [stevenhuntclassics.co.uk](http://stevenhuntclassics.co.uk) teachers of latin will find this book an invaluable tool inside and outside of the

Oxford International AQA Examinations: International GCSE Geography  
2018-08-23 the only textbook that fully supports the oxford aqa international gcse

geography specification 9230 for first teaching from september 2018 it will fully engage students with physical and human topics make learning relevant with current international case studies

*Teaching Classics with Technology* 2019-06-13 the impact of ict on the teaching of classical languages literature and culture has not until now been extensively described and evaluated nevertheless educational technology has made a huge difference to the ways in which classics is taught at junior senior and college level the book brings together twenty major approaches to the use of technology in the classroom and presents them for a wide international audience it thus forms a record of current and developing practice promotes further discussion and use among practitioners teachers learners and trainers and offers suggestions for changes in pedagogical practices in the teaching of classics for the better the many examples of practice from both uk and us perspectives are applicable to countries throughout the world where classics is being taught the more traditional curricula of high school education in the uk and europe are drawing more and more on edutech whereas educational jurisdictions in the us are increasingly expecting high school students to use ict in all lessons with some actively dissuading schools from using traditional printed textbooks this book presents school teachers with a vital resource as they adapt to this use of educational technology in classics teaching this is no less pertinent at university level in the uk and us where pedagogy tends to follow traditionalist paradigms this book offers lecturers frameworks for understanding and assimilating the models of teaching and learning which are prevalent in schools and experienced by their students

**Educational Assessment in Latin America** 2019-07-23 this collection presents educational assessment research from latin america adding to a relatively small but growing body of research considering educational assessment and evaluation issues in this large region the predominance of chile reflects its early highly centralized education system and the fact that it adopted national testing before other latin american countries it was also an early participant in international assessment programmes other countries have followed the trend of implementing national testing and to a lesser extent participating in international surveys the complementary development of technical expertise in quantitative research methods has enabled extensive analysis of the large data sets generated by these testing and assessment programmes taken together the evidence reported provides a means not only of reviewing educational quality issues in latin america but also of facilitating comparisons to the contexts specificity of equivalent research conducted in western developed countries which considered the chapters in this book were originally published in *Journal of Assessment in Education* principles policy and practice shoes ties vests blazers sweaters and sports coats
