New English Course 1979 an in depth series for students of English as a second or foreign language presents grammatical features of English with communicative function based activities

Algebra One 1962 teachers as course developers is a book about how language teachers themselves rather than curriculum specialists develop and implement their own courses it uses a unique case study approach featuring the stories of six teachers who successfully designed their own courses in different settings in Japan the U.S. and Latin America the book provides a framework for the processes of course development which any teacher can use in developing his or her own courses each chapter highlights a different aspect of the framework based on the particular teacher's approach and examines how the teacher has utilized or departed from the framework in meeting the challenges of a particular situation each narrative is followed by a set of tasks and discussion questions an annotated bibliography is also included

Teachers as Course Developers 1996-02-23 explore 2 is a theme based all in one integrated skills and grammar textbook that features high interest Canadian and international content in total there are 6 units and it is expected that most teachers will complete 4 or 5 units during the 45 hour program this built in flexibility allows teachers to focus on the units they and their students find the most stimulating and provides more variety for teachers who teach the same course successively unstudied units can also become extra testing material explore 2 is aimed at intermediate students who want to improve their English for career purposes the textbook contains two readings per unit writing activities listening activities speaking activities a pronunciation activity an interpreting data activity a revising and editing activity and a watching activity all of which are designed to meet the specific objectives outlined by the Quebec Ministry of Education all themes and content in explore have transferable connections to both technical and pre-university B block programs these connections are further reinforced by field specific activities and projects in each unit that ensure students transfer what they have learned into practical application within their field of study using both input and output skills this innovative textbook addresses the reality that there is rarely a common B block demographic in CEGEPs or in individual classes as a result the book is designed to meet a wide variety of student needs the goal help teachers find common denominators that are meaningful to and manageable for the entire group no matter students level or field of study the explore 2 annotated teacher's edition includes teaching notes and answers for use with the text

Vocabulary Builder, Course 1, Annotated 2004-02-01 this three volume set constitutes selected papers presented during the 17th international conference on computer science and education ICCSE 2022 held in Ningbo China in August 2022 the 168 full papers and 43 short papers presented were thoroughly reviewed and selected from the 510 submissions they focus on a wide range of computer science topics especially AI data science and engineering and technology based education by addressing frontier technical and business issues essential to the applications of data science in both higher education and advancing e society

Annotated Bibliography for Teachers of English as a Foreign Language 1955 what is happening in Kashmir chronicles from Kashmir explores this question through a site adaptive 24 hour theatrical performance developed between 2013 and 2018 by the ensemble Kashmir Theatre Akademi and Nandita Dinesh the play uses a durational promenade format to immerse its audience within a multitude of perspectives on life in Kashmir from a wedding celebration

that is interrupted by curfew to schoolboys divided by policing strategies and soldiers struggling with a toxic mixture of boredom and trauma chronicles from kashmir uses performance installation and collaborative creation to grapple with kashmir's conflicts through the lenses of outsiders insiders and everyone in between due to varying degrees of censorship and suppression the play has not been performed live since 2017 this book is therefore an attempt to keep chronicles from kashmir alive by including filmed scenes a script contextual questions a glossary and illuminating introductions by nandita dinesh and ekta founder bhawani bashir yasir a valuable open access resource for practitioners educators and students of performance and conflict this book is also stimulating reading for anybody who has asked what is happening in kashmir this playscript includes twenty filmed scenes of the play in performance a range of contextual questions to stimulate discussion on staging site adaptive theatre in places of conflict a helpful glossary
