who left her for camilla then a man called dundas hill arrives could the widower and single father be the mysterious d in camilla s daily calendar or is it dalton thorpe with whom camilla may have eloped now alice is the target as a cunning killer leads her to her doom div div set against the grimness of the lives of mill workers in bingley west yorkshire the second book in the hudson and lawes trilogy opens in 1839 almost exactly a year after the affair at seddon workhouse in suffolk where the two men first met characters now familiar from the first in the trilogy on the house reappear and play integral roles in the story increasingly recognised as a successful investigative journalist ambrose hudson is canvassed by an overseer in a woollen mill to follow up his suspicions of illegal child labour in the north east the man is also concerned that the heinous practice of baby farming is operating in the same area a four handed investigation is needed and ambrose persuades his friend edgar lawes to accompany him to bingley where the two men are quickly embroiled in undercover work and surveillance of the perpetrators of both crimes the farming of babies for hard cash is something new to both men and the viciousness of the criminals involved is shocking during the investigation the friends meet an old adversary and ambrose sets out on the beginnings of a tragic love affair reasons to leave the slaughter speaks of a rural landscape this farm life will lure you in draw you down to the pond for afternoons of fishing picking mulberries and climbing trees it is also a place of broken limbs animals dying every season storms raging down on the flimsy shell called home reasons to leave the slaughter speaks of the balance between our desperate human need to own land to have a place a home and to control it with fences and property lines this book also calls upon nature s constant battling back crushing plans and hopes with an infestation of one pest or another a tornado crumpling new buildings into dust an animal s death this book revels in the discoveries of youth the hopes and despairs of growing old without seeming purpose and the ever present balance of beauty within brutality ben clark s poems understand the weirdness of living of loving and being loved of grit and breath and what bangs around in our everyday bodies made of asphalt and sweat and farm dirt these are honest important poems i love their singing marty mcconnell author clark s voice welds tension to narrative so seamlessly we can scarcely tell sometimes where the literal ends and the wonder begins his is an armageddon of tension holding together taut strands of unbelievable beauty and charismatic curiosity roger bonair agard tarnish and masquerade reading templeton has become somewhat of
