phil knight opens up about how he went from being a track star at an oregon high school to the founder of nike in this instant and tenacious new york times bestseller nike founder and board chairman phil knight offers a rare and revealing look at the notoriously media shy man behind the swoosh booklist starred review illuminating his company s early days as an intrepid start up and its evolution into one of the world s most iconic game changing and profitable brands bill gates named shoe dog one of his five favorite books of the year and called it an amazing tale a refreshingly honest reminder of what the path to business success really looks like it s a messy perilous and chaotic journey riddled with mistakes endless struggles and sacrifice phil knight opens up in ways few ceos are willing to do fresh out of business school phil knight borrowed fifty dollars from his father and launched a company with one simple mission import high quality low cost running shoes from japan selling the shoes from the trunk of his car in 1963 knight grossed eight thousand dollars that first year today nike s annual sales top 30 billion in this age of start ups knight s nike is the gold standard and its swoosh is one of the few icons instantly recognized in every corner of the world but knight the man behind the swoosh has always been a mystery in shoe dog he tells his story at last at twenty four knight decides that rather than work for a big corporation he will create something all his own new dynamic different he details the many risks he encountered the crushing setbacks the ruthless competitors and hostile bankers as well as his many thrilling triumphs above all he recalls the relationships that formed the heart and soul of nike with his former track coach the irascible and charismatic bill bowerman and with his first employees a ragtag group of misfits and savants who quickly became a band of swoosh crazed brothers together harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports they created a brand and a culture that changed everything to honor our creator by honoring our inner small voice then reveal through my life storyline a memoir for the benefit of my precious grandchildren and also share with the world my perceptions of how our creator gets things done within his universe and the means that he used to create all that is both tangible and visible and all that is both intangible and invisible as well our creator created transmutable energy within our universe or which can transfer from one form to another but never lost electrically natured energy is one form and can be measured but invisible until needed and applied our creator also created his human creation with an internal electrically natured neural circuitry thus then in his image and invisible yet spiritually reachable summarily the very same energy our creator used to create all this is is the very same energy that can return we humans to his spiritual world by simply asking all that is needed is enough positive electrically natured energy in the size of a mustard seed all guaranteed by his son jesus upon the cross and notarized by his created cross upon his servant donkey s back to honor our creator by honoring our inner small voice then reveal through my life storyline a memoir for the benefit of my precious grandchildren and also share with the world my perceptions of how our creator gets things done within his universe and the means that he used to create all that is both tangible and visible and all that is both intangible and invisible as well our

creator created transmutable energy within our universe or which can transfer from one form to another but never lost electrically natured energy is one form and can be measured but invisible until needed and applied our creator also created his human creation with an internal electrically natured neural circuitry thus then in his image and invisible yet spiritually reachable summarily the very same energy our creator used to create all this is is the very same energy that can return we humans to his spiritual world by simply asking all that is needed is enough positive electrically natured energy in the size of a mustard seed all guaranteed by his son jesus upon the cross and notarized by his created cross upon his servant donkey s back author jonathan prawiromaruto has been forced to confront his own mortality all his life as he was born afflicted with kidney failure even so thanks to the faith in christ instilled in him by his loving christian parents jonathan continues to thrive as a living witness to the power of hope and faith his story has been the source of limitless inspiration to many who may have lost sight of their dreams but his ministry has only just begun now at nineteen years old jonathan has risen to a new challenge to produce his autobiographical testament to the power and willingness of god to work miracles in the lives of his children he writes with the belief that each individual is uniquely and especially created by god to fulfill his plan only you can fulfill the task you were created for so never lose hope dont give up on your dreams rise up and make them real the life and vision of the infamous leader of a grassroots land rights group in northern new mexico autobiographical writings have been a major cultural genre from antiquity to the present time general questions of the literary as e g the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc can be studied preeminently in the autobiographical genre yet the tradition of life writing has in the course of literary history developed manifold types and forms especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance by conceiving autobiography in a wide sense that includes memoirs diaries self portraits and autofiction as well as media transformations of the genre this three volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective while autobiography is usually considered to be a european tradition special emphasis is placed on the modes of self representation in non western cultures and on inter and transcultural perspectives of the genre the individual contributions are closely interconnected by a system of cross references the handbook addresses scholars of cultural and literary studies students as well as non academic readers ive been accused of being a rebel but im not really i simply answer the call of the wild that runs deep in my blood i hear it every time i smell the musky scent of game and wet earth i savor it over open fires and far seeing places and i dream of it on my bed at night when rain makes music on the roof and i begin planning the next adventure wild is more than a physical untamed place it is an unrestrained soul soaring on the wings of the wind it is a connection to the heart of creator redeemer a total immersion in a fathers love p from a hospital room to the wilderness set against the backdrop of the terrorist attacks of september 11 2001 and linking those events with the deaths of marin luther king jr and bobby kennedy during the turbulent sixties era wild woman is the journey of reconciling valued relationships and reaching for your dreams it invites readers on a

mental trip back through their own lives and challenges them to take a closer look at creation while offering an open door to fall into the arms of the one who created it wild answers to wild questions you were afraid to ask john wiuff counselor and creator of the lightbox method reproduction of the original the publishing house megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision courtesan and criminal thief and trollop warrior and wanderer the picara embodies the continuing archetypal pattern of a woman s autonomy she is the sly sharpster in defoe s heroines such as roxana and moll flanders with an ancestress like becky sharp the picara evolves into scarlett o hara before finding a comfortable niche as the female hero in fantasy written by women the picara traces the development of this character from an autonomous woman in a harsh patriarchal society to the female hero of the modern fantasy novel after the successful and innovative first two editions now in a new restructured 3rd edition this remains the most authoritative introduction for studying comic books and graphic novels covering their place in contemporary culture the manifestations and techniques of the art form the evolution of the medium and how to analyze and write about them the new edition includes a completely reworked introduction explores the comics community in the us and globally its history and the role of different communities in advancing the medium and its study chapters reframed to get students thinking about themselves as consumers and makers of comics reorganized chapters on form help to unpack encapsulation composition and layout completely new chapters on comics and how they can be used to report document and persuade as well as a new preface by karen green illustrated throughout with discussion questions and activities for every chapter and an extensive glossary of key terms the power of comics and graphic novels also includes further updated resources available online including additional essays weblinks and sample syllabi gardner s memoir places his work on multiple intelligences within the arc of his academic career and presents a defense of the scholarly and public value of powerful works of synthesis though history and autobiography both claim to tell true stories about the past historians have traditionally rejected first person accounts as subjective and therefore unreliable what then asks jeremy d popkin in history historians and autobiography are we to make of the ever increasing number of professional historians who are publishing stories of their own lives and how is this recent development changing the nature of history writing the historical profession and the genre of autobiography drawing on the theoretical work of contemporary critics of autobiography and the philosophy of paul ricoeur popkin reads the autobiographical classics of edward gibbon and henry adams and the memoirs of contemporary historians such as emmanuel le roy ladurie peter gay jill ker conway and many others he reveals the contributions historians life stories make to our understanding of the human experience historians autobiographies he shows reveal how scholars arrive at their vocations the difficulties of writing about modern professional life and the ways in which personal stories can add to our understanding of historical events such as war political movements and the traumas of the holocaust an engrossing overview of the way historians view themselves and their profession this work will be of interest to readers concerned with the ways in which we understand the past as well as anyone interested in the art of life writing the fascinating autobiography from the creator of dad s army and it ain t half hot mum very funny and illustrated with over a hundred photographs this highly entertaining autobiography is full of the people stories and experiences from jimmy perry s

childhood in london his time in the home guard as a gunner in burma as a member of the royal artillery concert party entertaining the troops in india and much more these are the stories that inspired many of the characters and scenes from his much loved comedies by piecing the lives of selected individuals into a grand mosaic pulitzer prize winning historian daniel j boorstin explores the development of artistic innovation over 3 000 years a hugely ambitious chronicle of the arts that boorstin delivers with the scope that made his discoverers a national bestseller even as he tells the stories of such individual creators as homer joyce giotto picasso handel wagner and virginia woolf boorstin assembles them into a grand mosaic of aesthetic and intellectual invention in the process he tells us not only how great art and great architecture and philosophy is created but where it comes from and how it has shaped and mirrored societies from vedic india to the twentieth century united states how do we come to terms with what can t be forgotten how do we bear witness to extreme experiences that challenge the limits of language this remarkable volume explores the emotional political and aesthetic dimensions of testimonies to trauma as they translate private anguish into public space nancy k miller and jason tougaw have assembled a collection of essays that trace the legacy of the holocaust and subsequent events that have shaped twentieth century history and still haunt contemporary culture extremities combines personal and scholarly approaches to a wide range of texts that bear witness to shocking and moving accounts of individual trauma toni morrison s beloved sylvia plath s daddy and lady lazarus kathryn harrison s the kiss tatana kellner s holocaust art ruth klüger s powerful memoir still alive and binjamin wilkomirski s controversial narrative of concentration camp suffering fragments the book grapples with the cultural and social effects of historical crises including the montreal massacre the warsaw ghetto uprising and the medical catastrophes of hiv aids and breast cancer developing insights from autobiography psychoanalysis feminist theory and gender studies the authors demonstrate that testimonies of troubling and taboo subjects do more than just add to the culture of confession they transform identities and help reimagine the boundaries of community extremities offers an original and timely interpretive guide to the growing field of trauma studies the volume includes essays by ross chambers sandra m gilbert susan gubar marianne hirsch wayne koestenbaum eve kosofsky sedgwick and others in this comprehensive textbook editors matthew j brown randy duncan and matthew j smith offer students a deeper understanding of the artistic and cultural significance of comic books and graphic novels by introducing key theories and critical methods for analyzing comics each chapter explains and then demonstrates a critical method or approach which students can then apply to interrogate and critique the meanings and forms of comic books graphic novels and other sequential art contributors introduce a wide range of critical perspectives on comics including disability studies parasocial relationships scientific humanities queer theory linguistics critical geography philosophical aesthetics historiography and much more as a companion to the acclaimed critical approaches to comics theories and methods this second volume features 19 fresh perspectives and serves as a stand alone textbook in its own right more critical approaches to comics is a compelling classroom or research text for students and scholars interested in comics studies critical theory the humanities and beyond covering genres from adventure and fantasy to horror science fiction and superheroes this guide maps the vast terrain of graphic novels describing and organizing titles to help librarians balance their graphic novel collections and

direct patrons to read alike new subgenres new authors new artists and new titles appear daily in the comic book and manga world joining thousands of existing titles some of which are very popular and well known to the enthusiastic readers of books in this genre how do you determine which graphic novels to purchase and which to recommend to teen and adult readers this updated guide is intended to help you start update or maintain a graphic novel collection and advise readers about the genre containing mostly new information as compared to the previous edition the book covers iconic super hero comics and other classic and contemporary crime fighter based comics action and adventure comics including prehistoric heroic explorer and far east adventure as well as western adventure science fiction titles that encompass space opera fantasy aliens post apocalyptic themes and comics with storylines revolving around computers robots and artificial intelligence there are also chapters dedicated to fantasy titles horror titles such as comics about vampires werewolves monsters ghosts and the occult crime and mystery titles regarding detectives police officers junior sleuths and true crime comics on contemporary life covering romance coming of age stories sports and social and political issues humorous titles and various nonfiction graphic novels a complete guide to the history form and contexts of the genre autobiographical comics helps readers explore the increasingly popular genre of graphic life writing in an accessible and easy to navigate format the book covers such topics as the history and rise of autobiographical comics cultural contexts key texts including maus robert crumb persepolis fun home and american splendor important theoretical and critical approaches to autobiographical comics autobiographical comics includes a glossary of crucial critical terms annotated guides to further reading and online resources and discussion questions to help students and readers develop their understanding of the genre and pursue independent study early modern autobiographies and diaries provide a unique insight into women s lives and how they remembered interpreted and represented their experiences sharon seelig analyzes the writings of six seventeenth century women diaries by margaret hoby and anne clifford more extended narratives by lucy hutchinson ann fanshawe and anne halkett and the extraordinarily varied and self dramatizing publications of margaret cavendish combining an original account of the development of autobiography with analysis of the texts seelig explores the relation between the writers choices of genre and form and the stories they chose to tell a high quality comprehensive and practical resource for the study of literature in the senior years including a handbook of literary terms in tables includes a summary of the main genres identifies key features and main conventions for the novel short story drama poetry memoir and film this highly relevant resource for literary studies is booklisted and classlisted nationally unique in its coverage of contemporary american children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations the autobiography of an androgyne is the first autobiography of earl lind writer and activist for the rights of people who didn t conform to gender and sexual norms the goal in writing this book was to help create an accepting environment for young adults who don t conform to gender and sexual norms because that was what he would have wanted for himself and he wanted to prevent youth from committing suicide the author wrote of feeling like a combination of male and female and of his practice of alternating between these two gender expressions the question of the

relation between the visual and the textual in literature is at the heart of an increasing number of scholarly projects and in turn the investigation of evolving visual verbal dynamics is becoming an independent discipline this volume explores these profound literary shifts through the work of twelve talented and in some cases emerging scholars who study text and image relations in diverse forms and contexts the inter medial conjunctures investigated in this book play with and against the traditional roles of the visual and the verbal the future of text and image presents explorations of the incorporation of visual elements into works of literature of visual writing modes and of the textuality and literariness of images it focuses on the special potential literature offers for the combination of these two functions alongside examinations of major forms and genres such as memoirs novels and poetry this volume expands the discussion of text and image relations into more marginal forms for instance collage books the postsecret collections of anonymous postcards and digital poetry in other words while exploring the destiny of text and image as an independent discipline this volume simultaneously looks at the very literal future of text and image forms in an ever changing technological reality the essays in this book will help to define the emergent practices and politics of this growing field of study and at the same time reflect the tremendous significance of the visual in today s image culture a user friendly guide to reading writing and theorizing autobiographical texts and practices for students scholars and practitioners of life narrative the boom in autobiographical narratives continues apace it now encompasses a global spectrum of texts and practices in such media as graphic memoir auto photography performance and plastic arts film and video and online platforms reading autobiography now offers both a critical engagement with life narrative in historical perspective and a theoretical framework for interpreting texts and practices in this wide ranging field hailed upon its initial publication as the whole earth catalog of autobiography studies this essential book has been updated reorganized and expanded in scope to serve as an accessible and contemporary guide for scholars students and practitioners sidonie smith and julia watson explore definitions of life narrative probe issues of subjectivity and outline salient features of autobiographical acts and practices in this updated edition they address emergent topics such as autotheory autofiction and autoethnography expand the discussions of identity relationality and agency and introduce new material on autobiographical archives and the profusion of i s in contemporary works smith and watson also provide a helpful toolkit of strategies for reading life narrative and an extensive glossary of mini essays analyzing key theoretical concepts and dozens of autobiographical genres an indispensable exploration of this expansive transnational multimedia field reading autobiography now meticulously unpacks the heterogeneous modes of life narratives through which people tell their stories from traditional memoirs and trauma narratives to collaborative life narrative and autobiographical comics this ebook edition has been formatted to the highest digital standards and adjusted for readability on all devices excerpt in this account i propose to set out the little good that was in my life at the same time not withholding in any way the bad with the hope of setting right before the world a family name once honored but which has suffered disgrace by being charged with more evil deeds than were ever its rightful share there are few books that explore the complex relations between famous parents and their children i knew claudio and his nobel laureate father emilio segrè in this honest angry loving memoir i hear their voices again speaking across the

gulf that all families struggle to bridge richard rhodes author of dark sun the making of the hydrogen bomb this is a warm and openhearted book claudio segrè shows that all the traditional tensions between fathers and sons can still exist even in the extraordinary milieu he grew up in he evokes that experience with grace and a fine eye for the telling details adam hochschild author of half the way home it s a wonderful book a coming of age story in the atomic era the struggle of a son for the love and respect of a famous father it is also a perceptive insight into the pursuit of science the price of fame and how families bridge differences between generations and cultures to find age old connections and ultimately love and understanding james kunetka author of city of fire los alamos and the atomic age and oppenheimer the years of risk the nobel prize winning physicist emilio segrè gave an account of his own life in the posthumously published a mind always in motion in the present book segrè s only son now himself deceased gives an account of his growing up with such a father the experience as he describes it was not an easy one transported in infancy from italy to the united states claudio was required to negotiate his way between his family s persistent conviction of european cultural superiority and the danger of being perceived as not one of us by his new compatriots admiring his father he was conscious of himself as son of superman alternatively feeling eclipsed by and relishing the position academically he was beset by a joyless desire to achieve and only seldom gained the praise or sympathy he longed for from his exacting and often sarcastic father but he discovered the delights of hot dogs comic books and baseball and forged ahead on his own by choosing the reputedly red reed college over his family s preferred berkeley after graduation in search of work to which he could be as devoted as my father was to physics he spent some years as a journalist before ultimately making a creditable academic career as a historian along the way establishing an apparently satisfactory family life of his own the book ends with an account of his relations with his father as an adult including a disappointing attempt at a therapeutic confrontation katherine livingston science how does a son emerge from his father s shadow when it is the size of a mushroom cloud such was the plight of claudio g segrè whose father emilio won the nobel prize in physics in 1959 and helped to create the atomic bomb he recounts his lifelong quest to establish an independent identity he also tells of his hope that his own success would earn him the respect and acceptance of his difficult father segrè alternately describes his father as superman a mighty king and a basilisk a mythical reptile whose very look is fatal nevertheless his father emerges as a good caring man unsure how to handle the fame that separates him from his son it is tragic therefore that no true reconciliation occurs and that segrè s only moment of catharsis takes place when it is already too late in 1989 when he delivers his father s eulogy douglas a sylvia the new york times in this heartfelt counterpart to his father s autobiography a mind always in motion journalist and professor claudio segrè attempts to shed some thawing light on the cold peace between father and son that lasted until emilio segrè s death in 1989 despite the affectionate nose rubbings of the title publishers weekly the son of a nobel laureate and manhattan project collaborator meditates on the inspirations and disappointments of a difficult relationship in 1959 the author s father shared the nobel prize for his work on antimatter but fatherhood isn t as precise a science as physics and young claudio mixed pride in his father s superman achievements with frustration and rage at the impossible standards and criticisms that so outweighed the occasional moment of affection between them segrè s memoir of an immigrant childhood is often

poignant at bottom a thoughtful account of life with a father who found the behavior of atomic particles far easier to comprehend than the emotional life of his son kirkus reviews

Shoe Dog 2017

phil knight opens up about how he went from being a track star at an oregon high school to the founder of nike

Shoe Dog 2016-04-26

in this instant and tenacious new york times bestseller nike founder and board chairman phil knight offers a rare and revealing look at the notoriously media shy man behind the swoosh booklist starred review illuminating his company s early days as an intrepid start up and its evolution into one of the world s most iconic game changing and profitable brands bill gates named shoe dog one of his five favorite books of the year and called it an amazing tale a refreshingly honest reminder of what the path to business success really looks like it s a messy perilous and chaotic journey riddled with mistakes endless struggles and sacrifice phil knight opens up in ways few ceos are willing to do fresh out of business school phil knight borrowed fifty dollars from his father and launched a company with one simple mission import high quality low cost running shoes from japan selling the shoes from the trunk of his car in 1963 knight grossed eight thousand dollars that first year today nike s annual sales top 30 billion in this age of start ups knight s nike is the gold standard and its swoosh is one of the few icons instantly recognized in every corner of the world but knight the man behind the swoosh has always been a mystery in shoe dog he tells his story at last at twenty four knight decides that rather than work for a big corporation he will create something all his own new dynamic different he details the many risks he encountered the crushing setbacks the ruthless competitors and hostile bankers as well as his many thrilling triumphs above all he recalls the relationships that formed the heart and soul of nike with his former track coach the irascible and charismatic bill bowerman and with his first employees a ragtag group of misfits and savants who quickly became a band of swoosh crazed brothers together harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports they created a brand and a culture that changed everything

Honoring Our Creator 2021-05-06

to honor our creator by honoring our inner small voice then reveal through my life storyline a memoir for the benefit of my precious grandchildren and also share with the world my perceptions of how our creator gets things done within his universe and the means that he used to create all that is both tangible and visible and all that is both intangible and invisible as well our creator created transmutable energy within our universe or which can transfer from one form to another but never lost electrically natured energy is one form and can be measured but invisible until needed and applied our creator also created his human creation with an internal electrically natured neural circuitry thus then in his image and invisible yet spiritually

reachable summarily the very same energy our creator used to create all this is is the very same energy that can return we humans to his spiritual world by simply asking all that is needed is enough positive electrically natured energy in the size of a mustard seed all guaranteed by his son jesus upon the cross and notarized by his created cross upon his servant donkey s back

Autobiography. Memoir. The Christian ministry 1842

to honor our creator by honoring our inner small voice then reveal through my life storyline a memoir for the benefit of my precious grandchildren and also share with the world my perceptions of how our creator gets things done within his universe and the means that he used to create all that is both tangible and visible and all that is both intangible and invisible as well our creator created transmutable energy within our universe or which can transfer from one form to another but never lost electrically natured energy is one form and can be measured but invisible until needed and applied our creator also created his human creation with an internal electrically natured neural circuitry thus then in his image and invisible yet spiritually reachable summarily the very same energy our creator used to create all this is is the very same energy that can return we humans to his spiritual world by simply asking all that is needed is enough positive electrically natured energy in the size of a mustard seed all guaranteed by his son jesus upon the cross and notarized by his created cross upon his servant donkey s back

Honoring Our Creator 2023-03-30

author jonathan prawiromaruto has been forced to confront his own mortality all his life as he was born afflicted with kidney failure even so thanks to the faith in christ instilled in him by his loving christian parents jonathan continues to thrive as a living witness to the power of hope and faith his story has been the source of limitless inspiration to many who may have lost sight of their dreams but his ministry has only just begun now at nineteen years old jonathan has risen to a new challenge to produce his autobiographical testament to the power and willingness of god to work miracles in the lives of his children he writes with the belief that each individual is uniquely and especially created by god to fulfill his plan only you can fulfill the task you were created for so never lose hope dont give up on your dreams rise up and make them real

Creator'S Dream Thesis 2011-12-05

the life and vision of the infamous leader of a grassroots land rights group in northern new mexico

King Tiger 2005

autobiographical writings have been a major cultural genre from antiquity to the present time general questions of the literary as e g the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc can be studied preeminently in the autobiographical genre yet the tradition of life writing has in the course of literary history developed manifold types and forms especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance by conceiving autobiography in a wide sense that includes memoirs diaries self portraits and autofiction as well as media transformations of the genre this three volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective while autobiography is usually considered to be a european tradition special emphasis is placed on the modes of self representation in non western cultures and on inter and transcultural perspectives of the genre the individual contributions are closely interconnected by a system of cross references the handbook addresses scholars of cultural and literary studies students as well as non academic readers

Chorley: Autobiography, Memoir, and Letters 1873

ive been accused of being a rebel but im not really i simply answer the call of the wild that runs deep in my blood i hear it every time i smell the musky scent of game and wet earth i savor it over open fires and far seeing places and i dream of it on my bed at night when rain makes music on the roof and i begin planning the next adventure wild is more than a physical untamed place it is an unrestrained soul soaring on the wings of the wind it is a connection to the heart of creator redeemer a total immersion in a fathers love p from a hospital room to the wilderness set against the backdrop of the terrorist attacks of september 11 2001 and linking those events with the deaths of marin luther king jr and bobby kennedy during the turbulent sixties era wild woman is the journey of reconciling valued relationships and reaching for your dreams it invites readers on a mental trip back through their own lives and challenges them to take a closer look at creation while offering an open door to fall into the arms of the one who created it wild answers to wild questions you were afraid to ask john wiuff counselor and creator of the lightbox method

Memoir, of W. R. Fales, the Portsmouth Cripple; [an autobiography with memoranda and

Letters. Edited by S. H. L.] 1851

reproduction of the original the publishing house megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision

A Memoir of the Rev. Henry Budd ... Comprising an Autobiography; Letters, Papers, & Remains &c. &c. Published Under the Direction of His Executors. [With a Portrait.]. 1855

courtesan and criminal thief and trollop warrior and wanderer the picara embodies the continuing archetypal pattern of a woman's autonomy she is the sly sharpster in defoe's heroines such as roxana and moll flanders with an ancestress like becky sharp the picara evolves into scarlett o'hara before finding a comfortable niche as the female hero in fantasy written by women the picara traces the development of this character from an autonomous woman in a harsh patriarchal society to the female hero of the modern fantasy novel

Autobiography of Thomas Guthrie, D. D. and Memoir 1875

A Synthesizing Mind 2020

the autobiography of an androgyne is the first autobiography of earl lind writer and activist for the rights of people who didn't conform to gender and sexual norms the goal in writing this book was to help create an accepting environment for young adults who don't conform to gender and sexual norms because that was what he would have wanted for himself and he wanted to prevent youth from committing suicide the author wrote of feeling like a combination of male and female and of his practice of alternating between these two gender expressions

History, Historians, and Autobiography 2005-05-09

the question of the relation between the visual and the textual in literature is at the heart of an increasing number of scholarly projects and in turn the investigation of evolving visual verbal dynamics is becoming an independent discipline this volume explores these profound literary shifts through the work of twelve talented and in some cases emerging scholars who study text and image relations in diverse forms and contexts the inter medial conjunctures investigated in this book play with and against the traditional roles of the visual and the verbal the future of text and image presents explorations of the incorporation of visual elements into works of literature of visual writing modes and of the textuality and literariness of images it focuses on the special potential literature offers for the combination of these two functions alongside examinations of major forms and genres such as memoirs novels and poetry this volume expands the discussion of text and image relations into more marginal forms for instance collage books the postsecret collections of anonymous postcards and digital poetry in other words while exploring the destiny of text and image as an independent discipline this volume simultaneously looks at the very literal future of text and image forms in an ever changing technological reality the essays in this book will help to define the emergent practices and politics of this growing field of study and at the same time reflect the tremendous significance of the visual in today s image culture

A Stupid Boy 2002

narrative and autobiographical comics

The Creators 2012-04-11

this ebook edition has been formatted to the highest digital standards and adjusted for readability on all devices except in this account i propose to set out the little good that was in my life at the same time not withholding in any way the bad with the hope of setting right before the world a family name once honored but which has suffered disgrace by being charged with more evil deeds than were ever its rightful share

Extremities 2002

there are few books that explore the complex relations between famous parents and their children i knew claudio and his nobel laureate father emilio segrè in this honest angry loving memoir i hear their voices again speaking across the gulf that all families struggle to bridge richard rhodes author of dark sun the making of the hydrogen bomb this is a warm and openhearted book claudio segrè shows that all the traditional tensions between fathers and sons can still exist even in the extraordinary milieu he grew up in he evokes that experience with grace and a fine eye for the telling details adam hochschild author of half the way home it s a wonderful book a coming of age story in the atomic era the struggle of a son for the love and respect of a famous father it is also a perceptive insight into the pursuit of science the price of fame and how families bridge differences between generations and cultures to find age old connections and ultimately love and understanding james kunetka author of city of fire los alamos and the atomic age and oppenheimer the years of risk the nobel prize winning physicist emilio segrè gave an account of his own life in the posthumously published a mind always in motion in the present book segrè s only son now himself deceased gives an account of his growing up with such a father the experience as he describes it was not an easy one transported in infancy from italy to the united states claudio was required to negotiate his way between his family s persistent conviction of european cultural superiority and the danger of being perceived as not one of us by his new compatriots admiring his father he was conscious of himself as son of superman alternatively feeling eclipsed by and relishing the position academically he was beset by a joyless desire to achieve and only seldom gained the praise or sympathy he longed for from his exacting and often sarcastic father but he discovered the delights of hot dogs comic hooks and baseball and forged ahead on his own by choosing the reputedly red reed college over his family s preferred berkeley after graduation in search of work to which he could be as devoted as my father was to physics he spent some years as a journalist before ultimately making a creditable academic career as a historian along the way establishing an apparently satisfactory family life of his own the book ends with an account of his relations with his father as an adult including a disappointing attempt at a therapeutic confrontation katherine livingston science how does a son emerge from his father s shadow when it is the size of a mushroom

cloud such was the plight of claudio g segrè whose father emilio won the nobel prize in physics in 1959 and helped to create the atomic bomb he recounts his lifelong quest to establish an independent identity he also tells of his hope that his own success would earn him the respect and acceptance of his difficult father segrè alternately describes his father as superman a mighty king and a basilisk a mythical reptile whose very look is fatal nevertheless his father emerges as a good caring man unsure how to handle the fame that separates him from his son it is tragic therefore that no true reconciliation occurs and that segrè s only moment of catharsis takes place when it is already too late in 1989 when he delivers his father s eulogy douglas a sylvia the new york times in this heartfelt counterpart to his father s autobiography a mind always in motion journalist and professor claudio segrè attempts to shed some thawing light on the cold peace between father and son that lasted until emilio segrè s death in 1989 despite the affectionate nose rubbings of the title publishers weekly the son of a nobel laureate and manhattan project collaborator meditates on the inspirations and disappointments of a difficult relationship in 1959 the author s father shared the nobel prize for his work on antimatter but fatherhood isn t as precise a science as physics and young claudio mixed pride in his father s superman achievements with frustration and rage at the impossible standards and criticisms that so outweighed the occasional moment of affection between them segrè s memoir of an immigrant childhood is often poignant at bottom a thoughtful account of life with a father who found the behavior of atomic particles far easier to comprehend than the emotional life of his son kirkus reviews
