Secrets and Lies 2013-02-21

family secrets lies by dj everette local author discovers murder mystery and achievement in family tree before bonnie clyde in 1934 35 there was grandma glenn during prohibition from 1928 31 grandma also called the blonde menace the gungirl and iron irene stole autos in ohio robbed fuel stations in west virginia indiana and illinois stuck up banks in texas missouri and arkansas and stole from retail stores and individuals across the west kidnapping and murdering in states stretching as far as arizona it was said in 1929 a police officer was killed and his partner badly wounded in a gun battle when grandma and her gang were confronted for robbing a grocery store in butler pa irenes four year old son the author s father was in the car and observed the thefts murder and getaway he proudly announced to his family when his mother dropped him off for safe keeping the police and reporters i saw my mom kill a cop and mama is the brains of the outfit after fleeing with her lover glenn across the usa and being front page news in a year long highly sensationalized trial grandma was the first woman to be executed in the state of pa in spite of insurmountable odds and difficult challenges grammas little son grew up to be a hero in the korean conflict and nasa the author meets her dad before he dies and he fills in all the answers to her lifelong questions take this unbelievable journey with the author as she starts her paternal genealogy and journals the events in order to handle the trauma of what was being discovered discover facts found 80 years later that uncover an entirely different story than the media at the time produced and uncover the surprise ending

Secrets, Lies - and Seduction 2000

what can americans concerned about the environment learn about a campaign to promote clearcutting in new zealand this book offers a playbook for a pr effort that could take place anywhere and demonstrates the lengths logging firms and governments will go to get what they want it s a blueprint for an end run around democracy in new zealand in europe in the united states most of us have no way of knowing what goes on behind the news what isn t true what we are not being told and who is pulling the strings this book changes that using the example of environmental controversy in this case logging of west coast native forests by the new zealand state owned timberlands west coast nicky hager and bob burton have produced a remarkable expose of how governments and business interests can use public relations to manipulate political debate the story that emerges of unscrupulous pr tactics by the international pr firm shandwick and a casual policy of telling the public what is useful rather than what is true serves as a warning and an example of the same forces at work in the united states using hundreds of pages of internal pr documents that were leaked by insiders offended at what they saw happening secrets and lies provides a unique window on how pr muscle can steamroll public opinion we see timberlands systematically attacking critics arranging the creation of an independent pro logging community group cultivating allies in academia government and environmental groups compromising the independence of politicians and journalists and much more all for the unworthy cause of keeping native forest logging going after most new zealanders believed it should end
