Ferguson TE 20 Series Tractor Parts Manual

2010

the little grey fergie is britain s best loved tractor the light user friendly machine that finally replaced the horse on farms this highly illustrated account covers the full history of harry ferguson s tractor products from his pioneering work before the 1930s to the merger with massey in 1957 the author has had access to fresh archive material and has interviewed many of the surviving men who were associated with ferguson the appeal of the fergie lay in its lightness and utility and also in the system of mechanized farming of which it was a part throughout the book reference is made to the implements which lay at the heart of the system stuart gibbard has won tractor and machinery magazine s award for the best british tractor book five years running
