Common Core State Standards Initiative

Jun 14 2023

On 2018-5-22, the Common Core State Standards Initiative (CCSS) released the Common Core State Standards for Mathematics and English Language Arts (ELA). These standards are designed to ensure that all students, regardless of their background or where they live, have the opportunity to learn the same high-quality academic standards.

### ***about the standards common core state standards initiative***

May 13 2023

The common core is a set of high quality academic standards in mathematics and english language arts literacy ela these learning goals outline what a student should know and be able to do at the end of each grade
