problems and perspectives is a truly contemporary ll property
text this book is distinguished by its extraordinarily clear
and engaging writing and by the degree to which the authors
make material accessible to students in this foundational
course anderson and bogart s text is a joy to read for both
student and teacher the authors embrace the task of training
lawyers and as a result their text regularly asks students to
answer questions and solve problems from the perspective of
attorneys the authors delve fully into legal doctrine and
address profound policy issues in a direct and understandable
manner the casebook draws upon an outstanding range of case
opinions including those from seminal cases as well as recent
and provocative disputes the text uses a two color design and

includes a wonderful selection of photographic images each chapter begins with an introduction that captures themes and issues that run throughout and ends with a bulleted summary of the law property law practice problems and perspectives is nextgen bar ready the text covers all of the substantive topics covered on the new bar exam moreover the problems and exercises train students to think of real world applications of the material just like the nextgen format new preparing for practice exercises develop the skills tested on the nextgen bar the book s unique online simulation resource features practice ready materials and professionally produced author scripted videos that illuminate property law issues and disputes the text regularly references documents used in practice these documents are available to students in the simulation new to the 3rd edition nextgen bar ready the authors have carefully curated the substance of the book to ensure that it covers the topics tested on the new bar exam in addition the preparing for practice exercises throughout the book should help develop the practice oriented thought processes and skills necessary to succeed in the new exam format revised and updated case opinions and textual discussion for example the section addressing the fair housing act now includes additional discussion of disparate impact litigation after *texas dept of housing and community affairs v inclusive communities project inc* similarly the authors updated the chapter devoted to takings law to include the latest cases such as *cedar point nursery the ip* chapter includes the 2023 supreme court decision on trademark protection involving *jack daniel s* and dog toys enjoyable new problems drawn from the most recent reported case opinions new problems include the application of the takings clause to taxi licenses in the wake of uber lyft covenants against short term rentals like vrbo and airbnb easements involving proposed carbon capture pipelines the application of the fair housing act to eviction based on the use of a service dog in violation of the lease the use of part performance by a son to enforce a contract breached by his parents professors and students will benefit from a blend of property doctrine and real world practice a stimulating challenging presentation that is also transparent the book retains the subtlety of the classic texts but comments explicitly on the overlapping elements to ensure that students can see all the connections

among legal doctrines numerous examples that richly illustrate the introduction of new material a unique interactive element that teaches students how to read a land survey the authors present this element during the discussion of the importance of the description of real property in deeds and contracts this exercise helps students understand the issues presented by the text in case opinions and problems the transactional perspective adopted by the authors in chapters where that is especially relevant such as real estate transactions and landlord tenant law a unique border along the edge of the text in the chapter on the real property transaction allowing students to place key concepts and doctrinal material in the context of phases of the transaction a robust electronic version of the casebook along with online videos and practice ready materials a book that is the ideal text for a four unit course but includes ample coverage permitting a professor to construct a five or six unit course revealing and sometimes startling images such as a subdivision marketing poster from san diego in 1915 reflecting racially restrictive covenants a frightening visual example of pervasive discriminatory housing practices that existed prior to the fair housing act
