May 13 2024

engine won t turn or even budge an inch and want to get injectors out and put a penetrative product in the cylinders and hopefully unlock it it has a 290dp which also appears to be locked up in the top its a process of elimination at the moment and hope i can get some opinions to work with cheers alldodge moderator staff member joined

## **ad41a dp 1990 en volvo penta**

Apr 12 2024

direct injection gives lower thermal stresses it reduces fuel consumption and increases engine service life simultaneously a noteworthy characteristic of the engine is good fuel economy as a consequence of the excellent volumetric efficiency
