**Defining Women** 2000-11-09 defining women explores the social and cultural construction of gender and the meanings of woman women and femininity as they were negotiated in the pioneering television series cagney and lacey starring two women as new york city police detectives julie d acci illuminates the tensions between the television industry the series production team the mainstream and feminist press various interest groups and television viewers over competing notions of what women could or could not be not only on television but in society at large cagney and lacey which aired from 1981 to 1988 was widely recognized as an innovative treatment of working women and developed a large and loyal following while researching this book d acci had unprecedented access to the set to production meetings and to the complete production files including correspondence from network executives publicity firms and thousands of viewers she traces the often heated debates surrounding the development of women characters and the representation of feminism on prime time television shows how the series was reconfigured as a woman's program and investigates questions of female spectatorship and feminist readings although she focuses on cagney and lacey d acci discusses many other examples from the history of american television

**Woman, Native, Other** 2009-04-27 methodologically innovative precise and perceptive and conscious text and performance quarterly woman native other is located at the juncture of a number of different fields and disciplines and it genuinely succeeds in pushing the boundaries of these disciplines further it is one of the very few theoretical attempts to grapple with the writings of women of color chandra talpade mohanty the idea of trinh t minh ha is as powerful as her films formidable village voice its very forms invite the reader to participate in the effort to understand how language structures lived possibilities artpaper highly recommended for anyone struggling to understand voices and experiences of those we label other religious studies review audio book narrated by betty miller produced by speechki in 2021

**A Woman's Right to Know** 2024-06-11 the history of pregnancy testing and how it transformed from an esoteric laboratory tool to a commonplace of everyday life pregnancy testing has never been easier waiting on one side or the other of the bathroom door for a positive or negative result has become a modern ritual and rite of passage today the ubiquitous home pregnancy test is implicated in personal decisions and public debates about all aspects of reproduction from miscarriage and abortion to the biological clock and ivf yet only three generations ago women typically waited not minutes but months to find out whether they were pregnant a woman's right to know tells for the first time the story of pregnancy testing one of the most significant and least studied technologies of reproduction focusing on britain from around 1900 to the present day jesse olszynko gryn shows how demand shifted from doctors to women and then goes further to explain the remarkable transformation of pregnancy testing from an obscure laboratory service to an easily accessible though fraught tool for every woman lastly the book reflects on resources the past might contain for the present and future of sexual and reproductive health solidly researched and compellingly argued olszynko gryn demonstrates that the rise of pregnancy testing has had significant and not always expected impact and has led to changes in the ways in which we conceive of pregnancy itself

**The Feminism and Visual Culture Reader** 2003 challenging the notion of feminism as a unified discourse this book assembles writings that address art film architecture popular culture new media and other visual fields from a feminist perspective the book combines classic texts with six newly commissioned pieces articles are grouped into thematic sections each introduced by the editor providing a framework within which to understand the shifts in feminist thinking in visual studies as well as an overview of major feminist theories of the visual this reader also explores how issues of race class nationality and sexuality enter into debates about feminism in the field of the visual book cover

**The Politics of Women's Biology** 1990 in this work the author explores the social and political assumptions of biology and genetics in particular she examines the ways biologists use scientific language use genetics and apply it to human situations especially to women's situations

**O Woman, Great is Your Faith!** 2021-08-26 the concept of faith holds a central position in new testament and early

christian thought yet this concept has not received the careful attention it deserves in the synoptic gospels the present study offers a comprehensive analysis of faith as a key motif in the gospel of matthew where it plays a major role in communicating this gospel's vision for how readers should respond to the person and message of jesus the argument propounded is that matthew's unique narrative portrayal of the canaanite woman's faith 15:21-28 is used for pedagogical purposes namely that by comparing and contrasting her great faith with those characters expressing no faith and little faith matthew uses jesus's quantitative πίστις terms to teach on the nature of true faith she embodies matthew's theological vision of faith even though she is a gentile outsider enemy she comprehends the universal scope and abundant blessings of jesus's mission moreover she acknowledges jesus's messianic identity correctly perceiving him to be both david's royal heir and david's lord finally based on who she perceives jesus to be and the purpose of his mission she demonstrates faith as trust manifested in action

**Critical Theory** 2014-07-15 an anthology of readings and extracts providing a comprehensive introduction to the main schools and positions of critical theory the book is divided into five sections structuralism and poststructuralism psychoanalytical theory marxism feminism and post-foundational ethics and politics it includes a general introduction covering the field of critical theory and identifies founding theorists and movements with a bibliography and notes

**An Ordered Love** 2014-07-01 an ordered love is the first detailed study of sex roles in the utopian communities that proposed alternatives to monogamous marriage the shakers 1779 1890 the mormons 1843 90 and the oneida community 1848 79 the lives of men and women changed substantially when they joined one of the utopian communities louis j kern challenges the commonly held belief that mormon polygamy was uniformly downgrading to women and that oneida pantagamy and shaker celibacy were liberating for them rather kern asserts that changes in sexual behavior and roles for women occurred in ideological environments that assumed women were inferior and needed male guidance an elemental distrust of women denied the victorian belief in their moral superiority attacked the sanctity of the maternal role and institutionalized the dominance of men over women these utopias accepted the revolutionary idea that the pleasure bond was the essence of marriage they provided their members with a highly developed theological and ideological position that helped them cope with the ambiguities and anxieties they felt during a difficult transitional stage in social mores analysis of the theological doctrines of these communities indicates how pervasive sexual questions were in the minds of the utopians and how closely they were related to both reform social perfection and salvation individual perfection these communities saw sex as the point at which the demands of individual selfishness and the social requirements of self sacrifice were in most open conflict they did not offer their members sexual license but rather they established ideals of sexual orderliness and moral stability and sought to provide a refuge from the rampant sexual anxieties of victorian culture kern examines the critical importance of considerations of sexuality and sexual behavior in these communities recognizing their value as indications of larger social and cultural tensions using the insights of history psychology and sociology he investigates the relationships between the individual and society ideology and behavior and thought and action as expressed in the sexual life of these three communities previously unused manuscript sources on the oneida community and shaker journals and daybooks reveal interesting and sometimes startling information on sexual behavior and attitudes

Personnel Literature 1974 a large proportion and in many jurisdictions the majority of incarcerated women are mothers popular attention is often paid to challenges faced by children of incarcerated mothers while incarcerated women themselves often do not count as mothers in mainstream discourse this is the first anthology on incarcerated mothers experiences that is primarily based on and reflects the canadian context it is also trans national in scope as it covers related issues from other countries around the world these essays examine connections between mothering and incarceration from analysis of the justice system and policies criminalization of motherhood to understanding experiences of mothers in prisons as presented in their own voices they highlight structures and processes which shape and ascribe incarcerated woman s identity as a mother juxtaposing it with scripted and imposed mainstream norms of a good or real mother moreover these essays identify and track emergence of mothers resistance and agency within and in spite of the confines of their circumstances

**Incarcerated Mothers: Oppression and Resistance** 2013-05-01 this practical book leads us into a spirituality of passion that leads to compassion coming to our senses in every meaning of the phrase

Whee! We, Wee All the Way Home 1980-06-01 the second volume of this comprehensive anthology covers the twentieth and early twenty first centuries the anthology is broad ranging both in its selection of material by figures traditionally acknowledged as being of central importance and in the material it presents by a range of other figures the material in this volume is presented in three sections the first power and the state includes selections by such figures as goldman lenin weber schmitt and hayek among those included in the race gender and colonialism section are de beauvoir gandhi fanon and young the third and by far the longest section rights based liberalism and its critics focuses on the many interrelated directions that social and political philosophy has taken since the publication of john rawls s ground breaking a

theory of justice in 1971 in order to better meet the needs of today's students the editors have made every effort to include accurate and accessible translations of the readings additionally every selection has been painstakingly annotated and each figure is given a substantial introduction highlighting her or his major contributions within the tradition for figures of central importance the editors have included extended introductions that place the figure in the context of intellectual history as well as of political thought in order to ensure the highest standards of accuracy and accessibility the editors have consulted dozens of leading academics during the course of the volume's development many of whom have contributed introductory material as well as advice the result is an anthology with unparalleled pedagogical benefits the broadview anthology of social and political thought sets the new standard for social and political philosophy instruction

*Campbell-Walsh Urology* 2011-09-28 designed to give women a head start as they enter college and to be a resource guide throughout the college years

The Complete Handbook for College Women 1994-07 the present study aims at examining the portrayal of women in Charlotte Brontë's *Shirley*. The study is divided into four chapters in addition to a conclusion chapter. One casts light on Charlotte Brontë as one of the most prominent female novelists in the nineteenth century. It also traces Charlotte Brontë as a subjective novelist who is concerned to convey a subjective impression. Chapter two provides a historical and critical background of her age in which she matured and originated the main literary tendencies which affected and swayed her and decided the expression and manner of her writings. Chapter three traces Charlotte Brontë's contribution, reputation, and influence. Moreover, Charlotte Brontë's writing is a powerful agent in her effect. Chapter four is devoted to the portrayal of women in Charlotte Brontë's *Shirley* in which Charlotte Brontë sets up moral, spiritual, and social problems such as the position of women but evades a solution to the complications by dropping the problem and substituting the conventional solution of marriage.

**The Portrayal of Women in Charlotte Brontë's Shirley** 2015-02-27 a synthetic reconstruction of women's religious engagement and experiences in preexilic Israel. This monumental book examines a wealth of data from the Bible, archaeology, and ancient Near Eastern texts and iconography to provide a clear, comprehensive, and compelling analysis of women's religious lives in preexilic times. Carol Meyers, Duke University, throughout the biblical narrative, ancient Israelite religious life is dominated by male actors. When women appear, they are often seen only on the periphery as tangential, accidental, or passive participants. However, despite their absence from the written record, they were often deeply involved in religious practice and ritual observance. In this new volume, Susan Ackerman presents a comprehensive account of ancient Israelite women's religious lives and experiences. She examines the various sites of their practice, including household shrines, regional sanctuaries, and national temples. The calendar of religious rituals that women observed on a weekly, monthly, and yearly basis and their special roles in religious settings, drawing on texts, archaeology, and material culture, and documenting the distinctions between Israelite women's experiences and those of their male counterparts. Ackerman reconstructs an essential picture of women's lived religion in ancient Israelite culture.

**Women and the Religion of Ancient Israel** 2022-01-01 this book is the first to present current scholarship on gender and in regional and sectarian versions of the *rāmāyaṇa*. Contributors explore in what ways the versions relate to other *rāmāyaṇa* texts as they deal with the female persona and the cultural values implicit in them. Using a wide variety of approaches, both analytical and descriptive, the authors discover common ground between narrative variants even as their diversity is recognized. It offers an analysis in the shaping of the heterogeneous *rāma* tradition through time as it can be viewed from the perspective of narrating women's lives through the analysis of the representation and treatment of female characters. Narrative inventions, structural design, textual variants, and the idiom of composition and technique in art and sculpture are revealed, and it is shown what and in which way these alternative versions are unique. A sophisticated exploration of the *rāmāyaṇa*, this book is of great interest to academics in the fields of South Asian studies, Asian religion, Asian gender, and cultural studies.

The Other Ramayana Women 2016-05-20 with new and updated questions based on Campbell Walsh Wein *Urology* 12th edition content.
