Code of Federal Regulations

1989

includes private and local laws

Public Health Service Grants and Awards by the National Institutes of Health

1967

many enterprises are moving their applications and it services to the cloud better risk management results in fewer operational surprises and failures greater stakeholder confidence and reduced regulatory concerns proactive risk management maximizes the likelihood that an enterprise s objectives will be achieved thereby enabling organizational success this work methodically considers the risks and opportunities that an enterprise taking their applications or services onto the cloud must consider to obtain the cost reductions and service velocity improvements they desire without suffering the consequences of unacceptable user service quality

The Whole World Oil Directory

1986

report of the dominion fishery commission on the fisheries of the province of ontario 1893 issued as vol 26 no 7 supplement

H.O. Pub

1943

ho chunk powwows are the oldest powwows in the midwest and among the oldest in the nation beginning in 1902 outside black river falls in west central wisconsin grant arndt examines wisconsin ho chunk powwow traditions and the meanings of cultural performances and rituals in the wake of north american settler colonialism as early as 1908 the ho chunk people began to experiment with the commercial potential of the powwows by charging white spectators an admission fee during the 1940s the ho chunk people decided to de commercialize their powwows and rededicate dancing culture to honor their soldiers and veterans powwows today exist within on the one hand a wider commercialization of and conflict between intertribal dance contests and on the other efforts to emphasize traditional powwow culture through a focus on community values such as veteran recognition warrior songs and gift exchange in ho chunk powwows and the politics of tradition arndt shows that over the past two centuries the dynamism of powwows within ho chunk life has changed greatly as has the balance of tradition and modernity within community life his book is a groundbreaking study of powwow culture that investigates how the ho chunk people create cultural value through their public ceremonial performances the significance that dance culture provides for the acquisition of power and recognition inside and outside their communities and how the ho chunk people generate concepts of the self and their society through dancing

Current Business Reports

1968

this independent and critical study in economic and social history is based on free access to the records of w d h o willis dr alford traces the history of the firm from its origin to its transformation into a constituent part of a larger company having played such a leading role in the development of the uk tobacco industry willis book is more than the history of a single firm it also provides an important study of a leading consumer goods industry drawing on aspects of economic theory the author examines the firm s development in the light of general aspects of business history this major study was first published in 1973

Laws of the State of New York

1981

includes guide section official reference of the air traffic conference of america varies slightly

House Documents, Otherwise Publ. as Executive Documents

1994

this insightful encyclopedia examines the most influential commanders who have shaped military history and the course of world events from ancient times to the present from alexander the great and attila the hun to ho chi minh and colin powell 500 great military leaders provides readers with insight into the most innovative and prominent individuals who have led armies to victory on battlefields all over the world the broad coverage ranges from military leaders from the ancient world to the present day including political figures who directed war efforts and those who were responsible for major technological improvements this encyclopedia goes beyond providing factual information about each individual s life to delve into the greater historical context and impact on their contemporaries as well as on future military history the presentation of information is designed to enable readers to both observe the gradual evolution of warfare over time and clearly perceive the differences in tactics used by generals with varying military resources at their disposal the entries include not only information on the individual s life and work but a summary statement that assesses successes and failures across each leader s career and summarizes the overall impact each entry also provides several references for further reading about that individual the accessible writing style of this resource and in depth information and analyses make it appropriate for high school and undergraduate level students as well as scholars of military history and individuals who simply enjoy reading about military history
