Teaching a Dark Chapter 2024-07-15

teaching a dark chapter explores how textbook narratives about the fascist nazi past in italy east germany and west germany followed relatively calm undisturbed paths of little change until isolated flashpoints catalyzed the educational infrastructure into periods of rapid transformation though these flashpoints varied among italy and the germanys they all roughly conformed to a chronological scheme and permanently changed how each dark past was represented historians have often neglected textbooks as sources in their engagement with the reconstruction of postfascist states and the development of postwar memory culture but as teaching a dark chapter demonstrates textbooks yield new insights and suggest a new chronology of the changes in postwar memory culture that other sources overlook employing a methodological and temporal rethinking of the narratives surrounding the development of european holocaust memory daniela r p weiner reveals how long before 1968 textbooks in these three countries served as important tools to influence public memory about nazi fascist atrocities as fascism had been spread through education then education must play a key role in undoing the damage thus to repair and shape postwar societies textbooks became an avenue to inculcate youths with desirable democratic and socialist values teaching a dark chapter weds the historical study of public memory with the educational study of textbooks to ask how and why the textbooks were created what they said and how they affected the society around them

1200 Quiz per medicina in lingua inglese 2013

national linguistic ideology has been at the base of most historical processes that whether they are complete or not have brought us to the current reality a world of languages that represent with greater or lesser exactitude the diversity and convergences of human groups various of today s thinkers have predicted the decline or even the end of national ideologies in the area of language postmodernism would make the linguistic affiliation of the community individuals irrelevant de ideologise language use and extend plurilingualism and language alternation in association with a new distribution of physical or functional spaces of linguistic practice but is this true everywhere are languages now nowhere the core of collective identity or are we witnessing a distinction between languages that because of their magnitude status strategic position etc can continue to exercise the function of national languages and languages that have to renounce this function has national linguistic ideology really ceased to make sense what other strategies should the historic language of a given geographic area employ if it wants to continue forming part of the life of the community that is set up there what kinds of languages are desired by politicians intellectuals and philologists this book aims to bring some thoughts about these questions

A Dictionary of Proper Names and Notable Matters in the Works of Dante 1898

the italian fascist party in power was first published in 1959 minnesota archive editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original university of minnesota press editions although much significant material on the italian fascist party became available when the regime collapsed scholars have not made extensive use of it until now in this study which is based on all the available sources professor germino describes the functions of the party explains how it was organized to perform tasks and discusses conflicts between the party and other power elements in the dictatorship he reaches a conclusion contrary to that of most other scholars that fascist italy was a full fledged totalitarian state resembling nazi germany and soviet russia in political structure and ideological content professor carl j riedrich of harvard university writes i consider this a major contribution to our knowledge of totalitarian dictatorship there is nothing in the existing literature that can be compared to it either in terms of depth or analysis range of documentation or breadth of treatment professor taylor cole of duke university comments professor germino has presented an excellent case study of the italian fascist party he has made use of more materials on the party than any previous writer in english and has marshalled them effectively to support his contention that the fascist party did not differ in kind from the nazi and soviet communist parties on the eve of world war ii his conclusion that on most though not all basic counts the italian fascist system was to be classified as totalitarian is controversial but it merits the careful attention of all students who are interested in the italian fascist period and in totalitarianism

The Lost Wave 2014

medieval italian communes are known for their violence feuds and vendettas yet beneath this tumult was a society preoccupied with peace peace and penance in late medieval italy is the first book to examine how civic peacemaking in the age of dante was

forged in the crucible of penitential religious practice focusing on florence in the thirteenth and fourteenth centuries an era known for violence and civil discord katherine ludwig jansen brilliantly illuminates how religious and political leaders used peace agreements for everything from bringing an end to neighborhood quarrels to restoring full citizenship to judicial exiles she brings to light a treasure trove of unpublished evidence from notarial archives and supports it with sermons hagiography political treatises and chronicle accounts she paints a vivid picture of life in an italian commune a socially and politically unstable world that strove to achieve peace jansen also assembles a wealth of visual material from the period illustrating for the first time how the kiss of peace a ritual gesture borrowed from the catholic mass was incorporated into the settlement of secular disputes breaking new ground in the study of peacemaking in the middle ages peace and penance in late medieval italy adds an entirely new dimension to our understanding of italian culture in this turbulent age by showing how peace was conceived memorialized and occasionally achieved

Integrated Crop Protection 2020-09-23

this book explores the relationships between ancient witchcraft and its modern incarnation and by doing so fills an important gap in the historiography it is often noted that stories of witchcraft circulated in greek and latin classical texts and that

treatises dealing with witch beliefs referenced them still the role of humanistic culture and classical revival in the developing of the witch hunts has not yet been fully researched marina montesano examines greek and latin literature revealing how particular features of ancient striges were carried into the late middle ages through the renaissance and into the fifteenth century when early italian trials recall the myth of the strix common in ancient latin sources and in popular memory the final chapter also serves as a conclusion to show how in renaissance italy and beyond classical accounts of witchcraft ceased to be just stories as they had formerly been and were instead used to attest to the reality of witches powers

Current Catalog 2011

make learning italian fun and easy with this bilingual visual dictionary whether you are learning the language for pleasure or for work this comprehensive dictionary is the ideal partner for you italian english bilingual visual dictionary comes with more than 10 000 illustrated terms that are arranged by themes and situations making learning easy whether you are out grocery shopping or find yourself in the middle of an official meeting this handy guide will always be at your side the book is accompanied by a free audio app that can be downloaded from the app store and google play so you can learn the correct pronunciation of everyday words and phrases updated to reflect recent changes in technology and clothing the italian english bilingual visual dictionary is the perfect companion for your next trip

After the European landscape convention 2010-10-06

even before the official christening of the cssy design program in 2009 fiu and unige had been working together to develop unique educational opportunities for their students with the first exchange taking place in the summer of 2008 fiu interior architecture hosted the nautical design students from unige for a week a test with positive results that would help promoting the advantages of further developing this international initiative after more than a year of logistics and hard work the exchange happened once more in 2010 this time the american students got the opportunity of traveling abroad to la spezia where for a week they worked along the italian students in the development of a small case study project since then the transatlantic exchanges have kept a faithful dynamic making of 2018 the closing year of a prosperous and wonderful decade of international relationship anche prima del battesimo ufficiale del cssy design program fiu e unige hanno lavorato insieme per sviluppare opportunità educative uniche per i loro studenti con il primo scambio che ha avuto luogo nell estate del 2008 fiu interior architecture ha ospitato il gruppo di design navale e nautico di unige per una settimana un test con risultati positivi che avrebbe contribuito a promuovere i vantaggi di sviluppare ulteriormente questa iniziativa internazionale dopo più di un anno di logistica e duro lavoro lo scambio si è rinnovato nel 2010 e questa volta il gruppo americano ha avuto l opportunità di viaggiare all estero a la spezia dove per una settimana ha lavorato assieme agli studenti italiani nello sviluppo di un piccolo

progetto da allora gli scambi internazionali hanno mantenuto una solida continuità facendo sì che il 2018 coronasse un prospero e meraviglioso decennio di relazioni internazionali

lloyd s register has published the rules and regulations for the classification of ships to which all lloyd s register classed
ships must conform since 1834 between 1834 and 1870 the rules were bound within the lloyd s register of ships since 1870 they
have been published separately today the lloyd s register rules and regulations are still recognised as one of the most
comprehensive and respected sets of standards in the maritime industry they are still regularly updated to reflect the advances

in technology and changes in regulatory requirements and still function as a trusted companion to surveyors shipowners shipyards and regulatory bodies around the world
