lan s beginning book a fascinating tour of windsor s pub scene charting the town s taverns alehouses and watering holes from past centuries to more recent times kiki and her friends get caught up in a code war to try and meet a narwhal in this sparkling mermaid tales adventure all the merkids are super excited two famous narwhal scientists are visiting trident city with their daughter nadine best of all someone is going to get to show nadine around the city while her parents are in meetings but who all the merkids want to be the one so how are they going to decide who gets to do it mrs karp their teacher decides to organize a code breaking contest but with the competition getting fierce it is more like a code war even kiki echo and shelly are fighting is there a way that everyone can win echo is thrilled to find a human object in this mermaid tales adventure but will sibling rivalry keep her from appreciating her prize echo is dogfish tired of having to share everything with her bossy big sister crystal so she s extra excited when she stumbles upon a shiny human object near her shell finally something of her very own echo is obsessed with people so she s very curious as to what her fin tastic human find might be could it be something totally wavy like a music making machine what if it s something that could allow her to actually talk to humans before she can find out crystal swipes the object claiming she found it first echo is steaming mad after the mergirls duke it out in a messy tug of war their mother takes the object away you II get this back when you can learn to get along she tells them but that s easier said than done how far is echo willing to go to get her precious human object back a young mermaid s friends turn her small birthday party sleepover into a big extravaganza complete with a scavenger hunt scary stories crafts a makeup session and glow in the dark shell wars echo s third grade class visit the titanic and figure out a way of including their new classmate anita who is confined to a wheeled chair with the help of her fintastic friends echo investigates whether or not fairies really do exist in this sparkling mermaid tales adventure echo is excited when her aunt crabella and uncle leopold visit especially since aunt crabella always has amazing stories about all of her many ocean travels but when aunt crabella tells echo about the hairy fairy a fairy that visits mermaids while they sleep and purposely tangles their hair echo is all set to catch the fairy in the act shelly and kiki tell echo that fairies aren t real but aunt crabella says she believes they are and what s the harm in believing when echo can t seem to catch the hairy fairy she becomes determined to figure out if fairies really do exist she teams up with shelly and kiki and makes fairy juice via a recipe from rocky ridge in order to go on a fairy hunt on trident city s majestic sperm whale mountain but what will they find on their fairy hunt will all of echo s magical fairy dreams come true a missing necklace a murder and an extra helping of plum pie the magical moria pearls are hidden somewhere in devon and miss elinor avely and the tiny vampire miss zooth are on the case but a certain washed up selkie prince is determined to find the powerful necklace before they do pearls aren t diamonds curse it so elinor s secret gift for divining jewels cannot help this time and the bossy lord beresford would rather she stay out of trouble his lordship s opinion holds some weight given elinor is hoping he might kiss her again when a selkie s murder disrupts the devonwide hunt however elinor is backed into a troubling corner she might be able to find both the moria pearls and the killer but everyone still believes that miss zooth is the jewel diviner somehow elinor and her vampiric chaperone must maintain the façade extend elinor s divining gift and find the pearls before the murderer does or risk forfeiting their lives who poisoned the selkie where are the pearls and just why does that plum jam taste so good rosalie oaks serves up the second novel in the lady diviner series full of magic manners and romance in 1950s norfolk teenage cousins francis and gordon jones earn their reputation as the boy detectives in the first of a series of extraordinary adventures adrian wright s delightful spoof of boys stories of the 1950s comes with a strong dash of retro and a sharp jab of adult perspective with an eclectic mix of characters mrs jones francis corset making mother the reverend challis who always takes a keen interest in the boys progress lady darting the domineering village grandee bunty rogers the striptease artiste francis and gordon unravel six perplexing mysteries the voice of doom is francis and gordon s first foray into the art of mystery solving taking on cases from the strange happenings at st mildred s school for the advancement of derserving girls to the affair of the pearl of thalia the local constabulary might be scratching their heads but francis and gordon are on the case inspired by the norman and henry bones stories of anthony wilson the voice of doom combines mystery with a sharp comic edge resulting in a rare treat for fans of comical novels the only life maisie fauna knows is one of poverty and tragedy years of war killed off her friends and neighbors one by one so when the crown s soldiers arrive to take their pick of able bodied mer it s no surprise that the captain of the royal guard takes an interest in her only it s not so she can fight the princess of thalassar is missing and to save the kingdom they II need a lookalike they II need maisie and to help the poor forgotten mer of thalassar she II do whatever it takes she didn t take into account that she dipering the scrutiny of her guard the attractions of a crown prince the temptations of the kingdom s most wanted criminal or the various attempts on her life the kingdom s secrets are deadlier than she could have ever imagined and maisie soon discovers that the reason the princess disappeared was because she knew too much and someone wanted her dead royal secrets contains all books in the series secrets among the tides whispers beneath the deep caresses between the sand and death beyond the waves a saga of a young girl s struggle for survival on the island of jersey during the nazi second world war occupation after the death of rochelle dubois s parents she is adopted by their employer charles laurient and together she and charles work to rear his treasured rare orchids but when war breaks out rochelle is left to do her best for herself and her precious seedlings for charles is taken away by the germans the arrival of his son laurie from america could be her salvation in a series of intriguing routes through the english countryside professor robert cooper notes those attractions that the casual tourist might unknowingly pass by such as the house where dickens wrote a tale of two cities or the windswept quay where john fowles s french lieutenant s woman walked maps and information about restaurants and accommodations give the traveler the opportunity of having pints of half and half where jane austen dined or visiting the pub where blake s scuffle led to his trial for treason this newly revised and updated edition of robert cooper's acclaimed handbook combines the utility of current travel information with the appeal of literary history biography and anecdote in a leisurely and flavorful guide to the broad sweep of southern england outside of london a rich and reliable guide to the landscape that fostered one of our most cherished cultures the literary guide and companion to southern england is an indispensable resource for those who wish to experience literature firsthand superb and almost unbearably charming her majesty s royal coven expertly launches an exciting new trilogy the new york times book review talk about a gut punch of a novel a provocative exploration of intersectional feminism loyalty gender and transphobia that invites readers into an intricately woven web of magic friendship and power the nerd daily a discovery of witches meets the craft in this epic fantasy about a group of childhood friends who are also witches if you look hard enough at old photographs we re there in the background healers in the trenches suffragettes bletchley park oracles land girls and resistance fighters why is it we help in times of crisis we have a gift we are stronger than mundanes plain and simple at the dawn of their adolescence on the eve of the summer solstice four young girls helena leonie niamh and elle took the oath to join her majesty s royal coven established by queen elizabeth i as a covert government department now decades later the witch community is still reeling from a civil war and helena is the reigning high priestess of the organization yet helena is the only one of her friend group still enmeshed in the stale bureaucracy of hmrc elle is trying to pretend she s a normal housewife and niamh has become a country vet using her powers to heal sick animals in what helena perceives as the deepest betrayal leonie has defected to start her own more inclusive and intersectional coven diaspora and now helena has a bigger problem a

young warlock of extraordinary capabilities has been captured by authorities and seems to threaten the very existence of hmrc with conflicting beliefs over the best course of action the four friends must decide where their loyalties lie with preserving tradition or doing what is right juno dawson explores gender and the corrupting nature of power in a delightful and provocative story of magic and matriarchy friendship and feminism dealing with all the aspects of contemporary womanhood as well as being phenomenally powerful witches niamh helena leonie and elle may have grown apart but they will always be bound by the sisterhood of the coven
