William Eggleston: Polaroid SX-70 2019-03 this book is a facsimile of an album of eggleston s polaroids assembled by the photographer himself and containing the only photos he made in this medium consisting of 56 images taken with the polaroid sx 70 the now cult camera produced between 1972 and 1981 and handmounted in a black leather album also produced by the company polaroid sx 70 is the first publication of eggleston s polaroids the gloriously mundane subjects of these photos a mississippi street sign a telephone book stacked crates of empty soda bottles are familiar eggleston territory but fascinatingly all of these polaroids were taken outdoors they are rare records of eggleston s strolls or drives in and around mississippi complement the majority of his work made with color negative film or color slides and show his ironic flair for photo sequencing in book form something new always slowly changes right in front of your eyes it just happens william eggleston

Familiar Subjects 1978 instant cameras mean instant fun and no one understands this better than polaroid global icon and pioneer of instant photography for over 75 years rediscover the magic of analogue photography with this friendly and accessible guide packed with everything you need to know to start taking and sharing your own unique instant photos getting to grips with the basic skills creative projects and simple diy effects inspirational mood boards and styling ideas inventive ways to display your photos finding the right polaroid camera for you from vintage classics to the new generation
