**The Aging Consumer 2022-06-16**

the aging consumer perspectives from psychology and marketing 2nd edition takes stock of what is known around age and consumer behavior identifies gaps and open questions within the research and outlines an agenda for future research there has been little systematic research done with respect to the most basic questions related to age and consumer behavior such as whether older adults versus young and middle age adults respond to marketing activities including pricing promotions product design and distribution written by experts the aging consumer compiles research on a broad range of topics on consumer marketing from an individual to a societal level of analysis this second edition provides new versions of chapters contained in the 2010 volume that have been updated to reflect the latest psychological and marketing research and thinking included also are ten new chapters which cover exciting new ground such as changes in metacognition in older adults motivated cognition of the aging consumer and a global perspective on aging and the economy across cultures this updated volume is beneficial for researchers and practitioners in marketing consumer behavior and advertising additionally the aging consumer 2nd edition will appeal to professionals in other fields such as psychology decision sciences gerontology

and gerontological social work and those who are concerned with normal human aging and its implications for the everyday behavior of older individuals it will also be of interest to those in fields concerned with the societal implications of an aging population such as economics policy and law

## **The Church's Starfish 2022-09-08**

after a string of commercial disappointments in 1986 Australian rock band The Church were simultaneously dropped by Warner Brothers in the US and EMI in Australasia the future looked bleak seemingly from nowhere their next record Starfish became an unlikely global hit its alluring and pensive lead single Under the Milky Way stood in stark contrast to the synth pop and hair metal dominating the 1980s a high watermark of intelligent rock Starfish musically anticipated alternative revolutions to come yet in making Starfish The Church struggled with their internal contradictions seeking both commercial and artistic success they were seduced by fame and drugs but cynical towards the music industry domiciled in Australia but with a European literary worldview they relocated to Los Angeles to record under strained circumstances in the heart of the West Coast hit machine this book traces the story of Starfish its background composition production and reception to the task Gibson brings an unusual perspective as both a musician and a geographer drawing upon four decades of media coverage as well as fresh interviews between the author and band members this book delves into the mysteries of this mercurial classic tracing both its slippery cultural geography and its sumptuous songcraft situating Starfish in time and space Gibson transports the reader to a key album and moment in popular music history when the structure and politics of the record industry was set to forever change

## ***The Velvet Underground 2018-03-20***

though The Velvet Underground were critically and commercially unsuccessful in their time in ensuing decades they have become a constant touchstone in art rock punk post punk indie avant pop and alternative rock in the 1970s and 80s Lou Reed John Cale and Nico produced a number of works that traveled a path between art and pop in 1993 the original band members of Reed Cale Morrison and Tucker briefly reunited for live appearances and afterwards Reed Cale and briefly Tucker continued to produce music that travelled the idiosyncratic path begun in New York in the mid 1960s the influence of the band and
