a brilliant beautician is not good enough for your salon to succeed anymore if you want your salon to do more than survive you need to master the art of driving new business into your hair and beauty salon doors this step by step guide to a lifestyle salon teaches you the only 3 ways to grow your salon • get more bums on seats more clients • get bums on seats to visit more often get the clients to return faster using their data base • get bums on seats to spend more the only way of doing that is to up the customer service value • this book is designed to help you with those three elements using cutting edge proprietary strategies and tools using the strategies in this book will make your salon stand out from the rest and give you the rewards that you deserve for all your hard work who here is baffled by email marketing many salons now have some kind of computerised reception system maybe you've got your reception system set up but you don't feel you're using it to its full potential wouldn't it be great to get a little more out of your investment or maybe you just want to make sure every possible marketing pillar is in place and you're maximising the potential of your salon business through my mentoring work i have noticed how much salon owners love to spend money on their reception systems beautiful modern pcs and macs very often accompanied by hefty monthly invoices from their chosen software supplier i'm sorry to say that i didn't see much evidence at all of email marketing and what i did see was pretty uninspiring usually poorly written often bland and uninteresting and very rarely sent with any kind of expectation in mind at all this book is for the salon owner that likes to feel they are getting value for money it's high time that beautiful reception system earned its place on reception the dog groomer's manual is the definitive reference book covering all aspects of the work of the dog groomer this highly illustrated book will help owners students and professional dog groomers develop their skills and knowledge it will enable them to adapt the principles of grooming appropriately based on a systematic approach to understanding requirements of city guilds british dog grooming association and nationally recognized dog grooming qualifications the dog groomer s manual is the perfect companion for dog groomers around the world seeking to attain these internationally recognized awards superbly illustrated with 1000 colour photographs most small businesses start with a laborer with at least some skills in a given area who perceives his skills marketable he looks at his employer s revenue derived from his labor and says i can do that for myself and keep all the money those who work for us need stability and it is our responsibility to ensure it if we desire success we never see what makes it all happen until we are faced with the reality of maintaining a workplace attracting customers continuing our education providing equitable employment for those who help us keeping the necessary market share and a whole host of other things things like your career your name the value of your product the alternatives available a routine for the performance of your job written instructions for every aspect of your business pricing policies control of your inventory understanding every detail of your job the state of federal laws governing your industry and your involvement in your community are all of extreme importance to your sustainable success it has always been my benefit that each generation should hold the next on its shoulders ensuring growth in our field of endeavor giving back is the real measure of accomplishment in our lives rather than amassing great wealth as zig zigar used to say you can have everything in life you want if you ll help enough other people get what they want co menomic is about all of that and more in detail as lived by the author and his associates during the fifty five years in the business how do you fix your troubled adolescent after years of working as an in home therapist and probation officer author william glover grew frustrated with the conventional wisdom that said medication and or therapy offered the only hope for angry defiant unmotivated adhd add oppositional defiant drug involved juvenile court involved and behaviorally handicapped kids based on his work with adolescents and their parents he became convinced that the solution for the majority of troubled kids resided not with the professionals but with the parents of these children with this as a starting point glover began developing the adolescent owner s manual a unique and effective resource designed to provide parents with the practical common sense tools and skills essential to parenting troubled adolescents the code of federal regulations is the codification of the general and permanent rules published in the federal register by the executive departments and
