Ignorance

2020-12-23

a man and a woman meet by chance while returning to their homeland which they had abandoned twenty years earlier when they chose to become exiles will they manage to pick up the thread of their strange love story interrupted almost as soon as it began and then lost in the tides of history the truth is that after such a long absence their memories no longer match we always believe that our memories coincide with those of the person we loved that we experienced the same thing but this is just an illusion then again what can we expect of our weak memory it records only an insignificant minuscule particle of the past and no one knows why it s this bit and not any other bit we live our lives sunk in a vast forgetting a fact we refuse to recognise only those who return after twenty years like odysseus returning to his native ithaca can be dazzled and astounded by observing the goddess of ignorance first hand milan kundera is the only author today who can take such dizzying concepts as absence memory forgetting and ignorance and transform them into material for a novel masterfully orchestrating them into a polyphonic and moving work

L'Ignorance

2000

milan kundera's novel 'l'ignorance' is a masterpiece of modernist fiction. it explores the themes of memory, identity, and the human condition. the story is set in a world where the past is forgotten, and the present is a constant state of flux. the novel is a profound meditation on the human experience, and it is a work of art that will stand the test of time.

2015-01-14

casting light on the most serious of problems and at the same time saying not one serious sentence being fascinated by the reality of the contemporary world and at the same time completely avoiding realism that is the festival of insignificance readers who know Kundera's earlier books know that the wish to incorporate an element of the unserious in a novel is not at all unexpected of him in *Immortality* Goethe and Hemingway stroll through several chapters together talking and laughing and in *Slowness* Vera the author's wife says to her husband you've often told me you meant to write a book one day that would have not a single serious word in it I warn you watch out your enemies are lying in wait now far from watching out Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work a strange sort of summation strange sort of epilogue strange sort of laughter inspired by our time which is comical because it has lost all sense of humor what more can we say nothing just read

L'impossible ithaque ou L'ignorance de Milan Kundera

2006

a cult figure guardian a dark and brilliant achievement ian mcewan shamelessly clever exhilaratingly subversive and funny independent a modern classic as relevant now as when it was first published john banville a young woman is in love with a successful surgeon a man torn between his love for her and his womanising his mistress a free spirited artist lives her life as a series of betrayals while her other lover stands to lose everything because of his noble qualities in a world where lives are shaped by choices and events and everything occurs but once existence seems to lose its substance and weight and we feel the unbearable lightness of being the unbearable lightness of being encompasses passion and philosophy infidelity and ideas the prague spring and modern america political acts and private desires comedy and tragedy in fact all of human existence what readers are saying some books change your mind some change your heart the very best change your whole world a mighty piece of work

that will shape your life forever one of the best books i ve ever read a book about love and life full of surprises beautiful this book is going to change your life it definitely leaves you with a hangover after you re done reading a must read loved it such beautiful observations on life love and sexuality kundera writes about love as if in a trance so the beauty of it is enchanting and dreamy will stay with you forever a beautiful novel that helps you understand life better loved it one of those rare novels full of depth and insight into the human condition got me reading camus and sartre one of the best books i have ever read an intellectual love story if ever there was one

2005-10

in this entertaining and always stimulating collection of seven essays kundera deftly sketches out his personal view of the history and value of the novel too often he suggests a novel is thought about only within the confines of the nation of its origin when in fact the novel s development has always occurred across borders laurence Sterne learned from Rabelais Henry Fielding from Cervantes Joyce from Flaubert García Márquez from Kafka the real work of a novel is not bound up in the specifics of any one language what makes a novel matter is its ability to reveal some previously unknown aspect of our existence in the curtain Kundera skillfully describes how the best novels do just that

A ignorância

2022-12-12

incites us to reflect on fiction and philosophy knowledge and truth and brilliantly illustrates the art of the essay the new republic every novelist s work contains an implicit vision of the history of the novel an idea of what the novel is i have tried to express the idea of the novel that is inherent in my own novels Milan Kundera Kundera brilliantly examines the evolution construction and essence of the novel as an art form through the lens of his own work and through the work of such important and diverse figures as Rabelais Cervantes Sterne Diderot Flaubert Tolstoy Musil Kafka and perhaps the least known of all the great novelists of our time Hermann Broch Kundera s discussion of his own work includes his views on the role of historical events in fiction the meaning of action and the creation of character in the post psychological novel

The Festival of Insignificance

2020-10-09

sometimes perhaps only for an instant we fail to recognise a companion for a moment their identity ceases to exist and thus we come to doubt our own the effect is at its most acute in a couple where our existence is given meaning by our perception of a lover and theirs of us with his astonishing skill at building on and out from the significant moment Kundera has placed such a situation and the resulting wave of panic at the core of the novel in a narrative as intense as it is brief a moment of confusion sets in motion a complex chain of events which forces the reader to cross and recross the divide between fantasy and reality profound sad and disquieting but above all a love story identity provides further proof of Kundera s astonishing gifts as a novelist

The Curtain

2020-10-09

ignorance is the story of two czechs who meet by chance while traveling back to their homeland after 20 years in exile irena who fled the country in 1968 with her now deceased husband martin returns to prague only to find coldness and indifference on the part of her former friends josef who emigrated after the russian invasion is back in prague to fulfill a wish of his beloved late wife

The Art of the Novel

2023-06-27

milan kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor a gesture that creates a character in the mind of a writer named kundera like flaubert's emma or tolstoy's anna kundera's agnes becomes an object of fascination of indefinable longing from that character springs a novel a gesture of the imagination that both embodies and articulates milan kundera's supreme mastery of the novel and its purpose to explore thoroughly the great themes of existence

Identity

1999

karen von kunes traces milan kundera's creative ideas to a 1950 police report filed in stalinist era czechoslovakia demonstrating how this incident influenced kundera's literary trajectory and ultimately contributed to his acclaim as a writer von kunes interprets his work in a new way

Life Is Elsewhere

2000-07-25

making knowledge presents the work of leading anthropologists who promote pioneering approaches to understanding the nature and social constitution of human knowledge the book offers a progressive interdisciplinary approach to the subject and covers a rich and diverse ethnography presents cutting edge research and theory in anthropology includes many beautiful illustrations throughout the contributions cover a rich and diverse ethnography offers a progressive interdisciplinary approach to the eternal questions concerning human knowledge contributions by leading scholars in the field who explore a wide range of disciplines through an anthropological perspective

1999-10

milan kundera is a master of graceful illusion and illuminating surprise in one of these stories a young man and his girlfriend pretend that she is a stranger he picked up on the road only to become strangers to each other in reality as their game proceeds in another a teacher fakes piety in order to seduce a devout girl then jilts her and yearns for god in yet another girls wait in bars on beaches and on station platforms for the same lover a middle aged don juan who has gone home to his wife games fantasies and schemes abound in all the stories while different characters react in varying ways to the sudden release of erotic impulses

Neznanje

2000

milan kundera's brilliant new collection of essays is a passionate defense of art in an era that he argues no longer values art or beauty with the same dazzling mix of emotion and ideas that characterizes his bestselling novels the internationally acclaimed author revisits the artists whose works help us better understand what it means to be human elegant startlingly original and provocative encounter combines many of the author's signature themes with personal reflections and stories

Immortality

1999-10-20

musical receptions of greek antiquity from the romantic era to modernism is a rich contribution to a topic of increasing scholarly interest namely the impact of greek antiquity on modern culture with a particular focus on music of the nineteenth and twentieth centuries this collection of essays offers a more comprehensive interdisciplinary examination of music s interaction with greek antiquity since the nineteenth century than has been attempted so far analysing its connotations and repercussions the volume sheds light on a number of hitherto underexplored case studies and revisits and reassesses some well known instances through scrutiny of a wide range of cases that extend from the romantic era to experimentations of the second half of the twentieth century the collection illuminates how the engagement with and interpretation of elements of ancient greek culture in and

through music reflect the specific historical cultural and social contexts in which they took place in analysing the multiple ways in which greek antiquity inspired western art music since the nineteenth century the volume takes advantage of current interdisciplinary developments in musicology as well as research on reception across various fields including musicology slavic studies modern greek studies classics and film studies by encompassing a wide variety of case studies on repertoires at the margins of the western european art music tradition while not excluding some central european ones this volume broadens the focus of an increasingly rich field of research in significant ways

Milan Kundera's Fiction

2019-05-20

from one of the most distinguished writers of modern times comes a libertine fantasy which is also a profound meditation on contemporary life ruminating on how the pleasures of slowness have disappeared in today's fast paced future shocked world kundera explores the secret bond between slowness and memory and the connection between our era's desire to forget and the ways in which we have given ourselves over to the demon of speed

□□□□□□

2013-11-25

the end of communism in europe has tended to be discussed mainly in the context of political science and history this book in contrast assesses the cultural consequences for europe of the disappearance of the soviet bloc adopting a multi disciplinary approach the book examines the new narratives about national individual and european identities that have emerged in literature theatre and other cultural media investigates the impact of the reunification of the continent on the mental landscape of western europe as well as eastern europe and russia and explores the new borders in the form of divisive nationalism that have reappeared since the disappearance of the iron curtain

Making Knowledge

2011-05-16

john lloyd and john mitchinson have proven themselves to be masters at digging up obscure facts abstruse information and amusing anecdotes and presenting them effortlessly somewhat slyly with either great wit or at least a little bit of tongue in cheek their gifts are on full display in quote interesting a lively wonderfully enjoyable anthology of hundreds of quotes you probably have never heard before arranged thematically from a to z from laugh out loud funny bon mots to some real headscratchers lloyd and mitchinson have gathered a universe of star studded blurbs like the beatles are dying in the wrong order victor lewis smith when you forget to eat you know you're alive henry james i think people would be alive today if there were a death penalty nancy reagan you know that look women get when they want sex me neither steve martin

Laughable Loves

1999-08-25

until recently discussion of creativity in exile has focussed almost exclusively on a few european male writers from dante to joseph brodsky who sought refuge abroad from political oppression this volume with accompanying 100 minute dvd ranges much more widely to examine the extraordinary creative endeavours in a range of media of men and women in almost every part of the world who for a host of different reasons have experienced displacement from their homelands it brings together papers by academics many of whom have experienced exile themselves on topics as diverse as the visual arts in colombia fiction by displaced indigenous peoples convicts and slaves as exiles

Encounter

Slowness

this book recovers a sense of the high stakes of shakespearean comedy arguing that the comedies no less than the tragedies serve to dramatize responses to the condition of being human responses that invite scholarly investigation and explanation taking its cue from stanley cavell's influential readings of othello and lear the book argues that exposure or vulnerability to others is the source of both human happiness and human misery while the tragedies showcase attempts at the evasion of such vulnerability through the self-defeating pursuit of epistemological certainty the comedies present the drama and the difficulty of turning away from an epistemological register in order to productively respond to the fact of our humanity where shakespeare's tragedies might be viewed in cavellian terms as the drama of skepticism shakespeare's comedies then exemplify the drama of acknowledgement as a parallel and a preamble gottlieb suggests that the field of literary studies is itself a site of such revealing responses where competing research methods strive to foreclose upon or alternatively rejoice in epistemological uncertainty such commitments bespeak an urge to avoid or circumvent the human in the practice of scholarship reading shakespeare's comedies in tandem with a defactoist view of teaching and learning points in the direction of a new humanism one that eschews both the relativism of old deconstruction and contemporary presentism and the determinism of various kinds of structural accounts this book offers something new in scholarly and popular understanding of shakespeare's work doing so with both philosophical rigor and literary attention to the difficult work of reading

If Ignorance Is Bliss, Why Aren't There More Happy People?

2009-08-04

myth in the modern novel imagining the absolute posits a twofold thesis first although modernity is regarded as an era dominated by science and rational thought it has in fact not relinquished the hold of myth a more primitive form of thought which is difficult to reconcile with modern rationality second some of the most important statements as to the reconcilability of myth and modernity are found in the work of certain prominent novelists this book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty first representing german french american czech and swedish literature the analyses of individual novels reveal a variety of intriguing views of myth in modernity and offer an insight into the modernizing transformations myth has undergone when applied in the modern novel the study shows the presence of the subconscious the mythic layer in modern western culture and how this has been dealt with in novelistic literature

Creativity in Exile

2016-08-09

the production of human waste or more precisely wasted lives the superfluous populations of migrants refugees and other outcasts is an inevitable outcome of modernization it is an unavoidable side effect of economic progress and the quest for order which is characteristic of modernity as long as large parts of the world remained wholly or partly unaffected by modernization they were treated by modernizing societies as lands that were able to absorb the excess of population in the developed countries global solutions were sought and temporarily found to locally produced overpopulation problems but as modernization has reached the furthest lands of the planet redundant population is produced everywhere and all localities have to bear the consequences of modernity s global triumph they are now confronted with the need to seek in vain it seems local solutions to globally produced problems the global spread of the modernity has given rise to growing quantities of human beings who are deprived of adequate means of survival but the planet is fast running out of places to put them hence the new anxieties about immigrants and asylum seekers and the growing role played by diffuse security fears on the contemporary political agenda with characteristic brilliance this new book by zygmunt bauman unravels the impact of this transformation on our contemporary culture and politics and shows that the problem of coping with human waste provides a key for understanding some otherwise baffling features of our shared life from the strategies of global domination to the most intimate aspects of human relationships
