Spies, Michael Frayn 2006

Spies 2017-04-18 ever since an obscure civil servant called stephen summerchild fell to his death from a window in the admiralty rumours have circulated about a connection with some secret defence project now as a television company reinvestigates the case the cabinet office feels it may be prudent to make a reassessment of its own in case of any sudden alarm at number ten a landing on the sun is not just a masterly novel in its own right but a clever debunking of those off the peg whitehall yarns many novelists have tried to take the lid off the arcane world of the civil service frayn has done it as brilliantly and imaginatively as any of them daily telegraph comedy creeps up on a landing on the sun like bindweed transforming what starts out as a thriller into a small masterpiece of the absurd financial times

2003-03-25 he knows everything about her before they meet more about her nine novels that she does herself he has devoted his life to studying and teaching them and yet he is four times as clever as she is now as she steps off the train in london something about her in the flesh sets him thinking maybe he has a chance to resolve the one remaining mystery at the heart of things through a series of letters sent by a minor english literature

Whose Reality? 2011 in the business of reading Julian Lovelock charts the development of the English novel over the past hundred years smuggling in titles from Scotland Ireland and the Caribbean he focuses on twenty texts written since the end of the first world war some well known but others less so placing them in their historical context novelists represented range from D.H. Lawrence E.M. Forster and Virginia Woolf through Graham Greene Kingsley Amis and Iris Murdoch to such contemporary writers as Ian McEwan Maggie O'Farrell and Graham Swift written in a lucid style that reflects his expertise and enthusiasm Lovelock's innovative selection perceptive analysis and lightness of touch will appeal to the general reader the book club member and the student he argues that our response as readers is an important part of the creative process and while he mainly avoids the criticalisms that have characterised recent academic debate he introduces such concepts as intertextuality metafiction and the role of the often unreliable narrator showing how an appreciation of the way the language of fiction works can only add to our understanding and enjoyment
